over again and he is continually giving calls and yelling. A strange point about the case is the fact that the boy is only in these spells about two hours out of twenty-four and that during the rest of the time he appears to be in his right mind. He is being cared for by his parents until some disposition is made of him by the proper authorities.

B.P.O.E. WILL GIVE COMIC OPERA

PROCEEDS OF WHICH WILL BE
GIVEN TO

CHARITABLE ORGANIZATIONS

Will Likely be Produced the Latter
Part of February—Committee
Appointed.

At some time during the present winter the Richmond Lodge of Elks will in all probability give a comic opera. It is the custom of the lodge to give some sort of an entertainment each winter, the proceeds of which are devoted to charity. While no definite plans have been made for the entertainment this year, it is understood that the majority of the members of the lodge favor an opera in preference to the time-worn minstrel show. An entertainment committee has been appointed by the lodge to make definite plans for an entertainment of some sort and it is believed that this committee will report next Thursday night on an opera. Pinafore has a large number of friends among the Elks and it would not surprise very many if this opera was decided upon. Pinafore presents a large field for amateur people as it is full of bright and sparkling lines and tuneful music. The Indianapolis lodge of Elks gave the opera about five years ago in a sort of a burlesque and it made an immense hit. The Richmond lodge probably will follow along the lines of the Indianapolis lodge. If the opera is given it will be produced some time in the latter part of February or the first of March. Three performances probably will be given at the Gennett theater and the production will be staged in the elaborate manner which characterizes all Elk productions and entertainments.

POLICE DEPT. MAKES REPORT

SUPT. GORMON SHOWS WHAT
HIS MEN HAVE DONE

DRUNKS HAVE THE

With 261 Arrests—Eighteen Persons
Violated City Ordinances—The
Figures.

For a city the size of Richmond the arrests during the past year have been very small. All told 601 persons up to last evening had found their way behind the bars of the local police station. The years ends today and the usual number of Saturday night drunks probably will swell the total by several. In 1903 the police arrested 576 people, this was 26 less than were arrested this year. Richmond is very lucky in having such a few number of law breaking citizens. The police department is efficient and the people are all very law abiding and the laws and city ordinances are obeyed very nearly to the letter. One thing that keeps the number of arrests to such a low number is the fact that when a person is arrested for any crime he is usually given the extreme penalty for that crime as described by law. This has a tendency to keep people from breaking the laws. Wherever the courts are in any way lenient there is always a large number of crimes committed. Of course, the largest number of arrests were for intoxication, about two-fifths of these arrested being made on that charge. More arrests have been made during the past year on the charge of larceny than have ever been made before. Forty-eight of those arrested have been for crimes punishable by a sentence in the penitentiary. Not a single arrest for murder was made during the year. The police department is to be complimented on the way in which laws have been obeyed and the condition of orderliness which prevails throughout the entire city.

The arrests by months were as follows:

February	43
March	50
April	46

THE GENTLEMAN FROM INDIANA

HAS BEEN DRAMATIZED TO BE
PRESENTE FOR THE FIRST

AT INDIANAPOLIS ON FEB. 27

Production Promises to Be a Notable
One—Edward Morgan in the
Leading Role.

"The Gentleman from Indiana," Booth Tarkington's story, has been dramatized and will be given its first presentation at English's Opera House in Indianapolis February 27.

The play will be presented by Liebler & Co., and Mr. Edward Morgan, whose accepted triumph as John Storm in "The Christian," and later as David Rosse in "The Eternal City," will be starred in the leading role.

Everything in the way of stage equipment and talent will be provided and the production promises to be a notable one.

The manuscript is now in the hands of George C. Tyler, of Liebler & Co. In speaking of the matter Mr. Tyler said:

"Mr. Booth Tarkington, with whom I have had a contract for the past year or more, looking to a production of his own dramatization of 'The Gentleman from Indiana,' has recently handed me the completed MSS. of what I am willing to go on record as pronouncing the most thoroughly satisfactory play that nature which has come to my desk in many years.

"I think it is the only play I have ever seen in which I have not been compelled to make more or less extensive alterations, and, so far as I can now judge, there will not be left to me the crossing of a t or the dotting of an i in Mr. Tarkington's MSS.

"I intend to make the initial production of 'The Gentleman from Indiana' at English's Opera House, in Indianapolis, February 27 next, with Edward Morgan in the leading role.

"Mr. Tarkington has promised me that he will be present at the opening performance in Indianapolis, and I hope to make the event one worthy of the fame of Indiana's foremost novelist and dramatist."

Additional Society.

The regular monthly meeting of the Woman's Missionary Society of the United Presbyterian church was held at the home of Mrs. Augustus Scott, 126 North Tenth street, yesterday afternoon. There was a large attendance of members who listened attentively to the reading of an excellently written paper, entertainingly given by Mrs. Hubbard and a brief but interesting selected reading by Mrs. Charles Farrell, both of which were discussed at length. Following the literary program the annual election of officers occurred resulting as follows: President, Mrs. Mary Scott; vice president, Mrs. Richard Sedgwick; secretary, Mrs. George Ballenger; treasurer, Mrs. B. B. Myrick, jr. Dainty refreshments were served. Mrs. Game was the guest at this meeting, which after a social half hour adjourned to meet the last Friday in January with Mrs. J. N. Hastings.

The Progressive Needle Club enjoyed one of the most pleasant afternoons of the season, yesterday at the home of Mrs. J. E. Wissler, in Lincoln avenue. The hours were spent at needlework, after which dainty refreshments were served by the hostess, who surprised each guest with a token from a prettily trimmed Christmas tree. The treat was highly appreciated by all. The club will meet in two weeks with Mrs. Wesley Thomas, over 1027 Main street.

Miss Jeanette Firth will entertain the members of her Sunday school class this afternoon from 2 until 5 o'clock at her home in North Thirtieth street.

Mrs. L. Newcomb charmingly entertained the Washington Club yesterday afternoon at her home in North F street. The annual election of officers which took place at this meeting resulted in the following selections: President, Mrs. Ed Cooper; vice president, Mrs. E. K. Stover; secretary, Mrs. Kate Lane; treasurer, Mrs. William Fry. Following the election of officers a social hour was enjoyed during which dainty refresh-

CAUGHT BY THE GRIP. RELEASED BY PE-RU-NA.

"The world of
medicine recognizes
Grip as epidemic
catarrh."—
Medical Talk.

LA GRIPPE is epidemic catarrh. It spares no class or nationality. The cultured and the ignorant, the aristocrat and the pauper, the masses and the masses are alike subject to la grippe. None are exempt—all are liable.

Have you the grip? Or, rather, has the grip got you? Grip is well named. The original French term, la grippe, is shortened by the busy American to read "grip." Without intending to do so a new word has been coined which exactly describes the case. As if a malicious giant with awful claws had reached us in its fatal clasp. Men, women, children, whole towns and cities are caught in the baneful grip of a terrible monster.

The following letters speak for themselves as to the efficacy of Peruna in cases of la grippe or its after effects.

After Effects of La Grippe Eradicated by Pe-ru-na.

Mrs. Fred Weinberger, Westerlo, Albany County, N. Y., writes:

"Several years ago I had an attack of la grippe which left my nerves in a prostrated condition. Then I had another attack of la grippe which left me worse. I had tried three good physicians but all in vain. I gave Peruna a trial. In a short time I was feeling better and now I am as well as anyone."—Mrs. Fred Weinberger.

Hon. James R. Guill of Omaha.
Hon. James R. Guill is one of the oldest and most esteemed men of Omaha, Neb. He has done much to make it

what it is, serving on public boards a number of times. He endorses Peruna in the following words:

"I am 68 years old, am hale and hearty, and Peruna has helped me attain it. Two years ago I had la grippe—my life was despaired of. Peruna saved me."—J. R. Guill.

A Relative of Abraham Lincoln.

Mr. Silas S. Lincoln, who resides at 918 I. Street, N. W., Washington, D. C., has the honor of being third cousin to Abraham Lincoln. He writes:

"I had la grippe five times before using your medicine. Four years ago I began the use of Peruna, since which time I have not been troubled with that disease. I can now do as much work at my desk as I ever could in my life. I have gained more than ten pounds in weight."—S. S. Lincoln.

Pe-ru-na Not Only Cured La Grippe but Benefited the Whole System.

Miss Alice M. Dressler, 1213 N. Bryant Ave., Minneapolis, Minn., writes:

"Last spring I suffered from la grippe and was partially cured but the bad after effects remained through the summer and somehow I did not get strong as I was before. One of my college friends who was visiting me asked me to try Peruna and I did so and found it all and more than I had expected. It not only cured me of the catarrh but restored me to perfect health, built up the entire system and brought a happy feeling of buoyancy which I had not known for years."—Alice M. Dressler.

An Actress' Testimonial.

Miss Jean Cowgill, Griswold Opera House, Troy, N. Y., is the leading lady with the Aubrey Stock Co. She writes the following:

"During the past winter of 1901, I suffered for several weeks from a severe attack of grippe, which left a serious catarrhal condition of the throat and head.

"Some one suggested Peruna. As a last resort, after wasting much time and money on physicians, I tried the remedy faithfully, and in a few weeks was as well as ever."—Jean Cowgill.

A Southern Judge Cured.

Judge Horatio J. Goss, Hartwell, Ga., writes:

"Some five or six years ago I had a very severe spell of grippe, which left me with systemic catarrh. A friend advised me to try your Peruna which I did, and was immediately benefited and cured. The third bottle completed the cure."—H. J. Goss.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
