

LOCAL NEWS.

COMMISSIONERS' COURT meets one week from next Monday.

WILLIAM M. PAGE died at his residence in this place, on the morning of the 18th inst., of fever.

JOHN D. CARTER has gone to Nashville, to visit the 84th Indiana. John will enjoy the trip hugely.

THOMPSON HUFFMAN has sold his drays to a Mr. Brown, who will accommodate the people hereafter.

CHARLEY TRAS and Mrs. LINNIE MONKS were married on last Saturday—Rev. B. Smith officiating.

JONATHAN WHEELER, of Company H, 84th Indiana, who has been at home on furlough, will return to his regiment the first day of June.

WE INSERT this week several local notices which should have appeared last week, but owing to the press of business we could not get them in.

COL. T. M. BROWNE is now in command at Lagrange, fifty miles east of Memphis. The 7th Indiana and the 6th Illinois are at that point.

PROMOTED.—Lieut. Edward Engle, to Captain of Company H, 124th Indiana, to fill the vacancy occasioned by the death of Captain J. L. Neff.

NATHAN REED, Esq., has returned from Illinois. He is much pleased with some portions of the State. He will probably move to that State, during the year.

ASSISTANT SURGEON R. P. DAVIS, 84th Indiana, has resigned, and will be at home in a few days, if not already there. We shall be glad to take him by the hand.

JAMES E. HELMS, formerly a citizen of this county, died near Wheeling, Iowa, on the 6th inst., of congestive fever. He removed from this county on the first of last April.

FOURTH OF JULY CELEBRATION.—If the people of this county intend to celebrate on this day, let a meeting be called immediately, and take the necessary steps. We are in favor of it.

GONE TO MINNESOTA.—Judge James Brown and L. J. Monks left for Minnesota on last Monday, to look at the country, with a view of locating at Mankato, if the town and country meet their expectations.

By reference to the letter of Lieutenant Hamilton, it will be seen that John Roberts was not murdered by guerrillas, as was stated in the Journal of some weeks ago. We are pleased to hear this welcome news.

REV. C. P. WRIGHT, who was assigned to the charge of the M. E. Church at Union City, has resigned the same, on account of ill health, and the Rev. Mr. Sparks has been appointed to the church in his stead.

THE Fourth Annual Meeting of the Old Settlers will be held on the 10th day of June, at the Fair Ground. We trust there will be a general turnout of the people at that time, as it is a very pleasant way of spending a day.

ARTHUR QUICK returned from a trip to Minnesota and Iowa. He was not pleased with the former State, but with the latter, yet from indications we rather think he will remain in Winchester a little longer.

WE ARE pleased to acknowledge that the hotels in this place are all doing a good business, and that they are all kept in superior style. No county town within our knowledge can boast of three as well kept hotels as Winchester.

THE Frost was more serious than it was thought to be ten days ago; even at this date the damage can not be definitely ascertained, as the fruit is yet falling from the trees; besides what is left will not be as good on account of it.

REV. MR. SPARKS, who was recently Chaplain of the 124th Indiana, called on us last Wednesday. He is looking well. He resigned his position in the army on account of the ill-health of his family. One of his children died while he was absent.

CEMETERY TRUSTEES.—A meeting should be called for the purpose of electing Trustees for the Cemetery, and take the necessary steps for grading and gravelling a road to the same. We hope the citizens will agree upon a time, and make the announcement.

By the Jay Torch Light we see that quite a tragedy occurred near Bluffton. Some citizens pursued two counterfeiters, and shot one of them, who turned and shot a Mr. S. Covault. The latter died, and the counterfeiters are not expected to live. The other scoundrel was lodged in jail.

SATURDAY, the 27th inst., is the day for the election of a Justice of the Peace, to fill the vacancy occasioned by the resignation of J. J. Cheney, Esq. Jacob Eltzroth is a candidate for election. We have heard of no other names in connection with the position.

AGRICULTURAL MEETING.—The Directors and officers of the Randolph County Agricultural Society will meet at Winchester, on the first Monday in June, to fix the time for the next County Fair, and to prepare a premium list. All persons interested are requested and invited to attend.

WE WONDER if the individual who made an effort to excite vagabond showmen to attack us, got a free ticket for his trouble. We suppose this was what he was fishing for. This was indeed a magnanimous business. None but a gentleman, of course, would do so. He ought to be furnished with a free ticket for the next nigger show that visits Winchester.

IMPROVEMENTS.—Thomas Kluck will soon be ready to commence the erection of a brick dwelling house, on the corner of Franklin and West streets.

W. V. R. Tooker has given his dwelling a fine coat of paint—John Thomas doing the job.

R. Beaty has built a fine fence east of his saloon, on Washington street, which adds to the beauty of that locality.

STONE SIDE WALK.—An effort is being made to pave the side-walk from the corner of the American House to the railroad. This effort, if successful, will be a fine improvement, and will add much to the beauty of the street, and to the value of the property. We are glad to see these indications of public and personal pride. The old board-walk is a disgrace to the town.

WE WISH it to be distinctly understood that in writing notices for business men, we do not intend them to cast reflections on other business houses, for whom we do not write; but only have reference to the good qualities of the articles for the men for whom we write. We understand some persons have taken offense, thinking we intended to cast reflections on articles they had to sell. We had no such intention.

UNFORTUNATE OCCURRENCE.—Judge Jerre Smith, of this place, got into a difficulty with the conductor on the mail train passing east, on last Thursday morning, in reference to a free pass over the Bellefontaine railroad. When the train stopped at Harrisville, Mr. Smith was ejected from the car. Mr. S. is a large stockholder in, and we believe a director on the road, and claimed that he was entitled to pass over the road free, and in the attempt to put him off the train, the brakeman received a severe cut on his thumb, with a knife.

THE wagons of the Union Combination Show paraded the streets, headed by a brass band, and had emblazoned in large letters, "trained animals," and in bright and beautiful colors the painter's brush was made to say on the sides of the wagons, "Rhinoceros," "Royal Bengal Tigers," "Giraffe," "Camel," "Condors," &c., while not one of these royal strangers accompanied this show. Many persons took their families to see these animals, but were deceived, and swindled out of their money. The managers should be arrested for obtaining money under false pretenses.

GOOD TEMPLARS' CONVENTION.—The Good Templars of the 5th Congressional District held their regular session at Louisville, Ind., on the 3d inst., at which time and place the following officers were elected: Sylvester Johnson, G. W. T. C.; T. H. Elliott, W. V. T.; J. F. Polk, W. S.; C. Bradbury, W. T.; T. W. Hall, W.; Jane Regan, W. F. S.; J. W. Newby, W. O. G.; M. J. Rickerd, W. I. G.; H. B. Rufe, W. C.; Agnes Vannoy, P. W. C. T.; Martha Leeson, R. H. S.; Emma Kern, L. H. S.; D. S. Byers, W. A. S.; Emma Gnerin, W. D. M. Great unanimity prevailed throughout the entire session. A speech was made by Sylvester Johnson, after which a series of patriotic resolutions were passed, condemning the act of assassination of President Lincoln. Also, resolutions condemning whisky shops and licensed saloons, and pledging themselves that hereafter the Order would support no defender of the traffic for office. The convention adjourned to meet at Knightstown, August 3, 1865.

For the Journal. CORRECTION. LYNX, Ind., May 19, 1865. A few days ago I noticed an article in the Journal, stating that John Q. A. Roberts, of company H, and Martin W. Waltz, of company G, 124th Indiana regiment, were murdered by guerrillas in North Carolina. I take great pleasure in informing their relatives and friends, through the columns of your excellent paper, that such did not prove to be the case. I saw them both at Belleaire, Ohio, on their way to Camp Parole, Columbus, Ohio.

JAMES M. HAMILTON, Co. G, 124th Ind.

For the Journal. FARMLAND. J. A. Henning is now receiving a very large stock of goods, direct from the city, which he is marking down at very small profits; his motto is "small profits and quick sales, is the life of business."

Routh & Co., and Robbins & Co., have each a large stock of goods on hand, and are doing a heavy business in the retail trade.

J. A. Henning and Robbins & Co. expect to do a heavy business in wheat trade this summer, giving the highest price the market will afford, at all times.

Dick Ford and William B. Doty interested the citizens of our usual quiet village last Friday afternoon with an exhibition of their skill in choking, gouging and punching each other in the face. It was pretty evident to the bystanders that Mr. Doty came out second best in the fight.

The rebellion has been crushed, but E. Thomas & Son are still doing a heavy business in the grocery line. They sell cheap because they buy so. They are determined to not be undersold by any one. Their stock is always fresh.

Williams, of No. 3, says since he received his stock of Goods from Boston, he has no difficulty in selling Goods, as that stock was bought while Goods were down lower than have been since the war. Persons had better call and get some of them.

Misses Towel having received a splendid large stock of Millinery Goods, are now prepared to accommodate all. The most fastidious can be pleased with styles and work. All are invited to call on them, and examine for themselves.

For the Journal. WASHINGTON TOWNSHIP. Already the boys from the army commence to arrive. William Jarrett and Hugh Poyner have returned.

Large sales are still made at Lenkendorf & Wesp's, and owing to this fact they have engaged some first class workmen, in order to meet the heavy demands on them for Furniture. We are pleased to see this prosperity.

John D. Carter has gone to Nashville, and his clerks are of opinion that as the Goods did not cost them anything, they can sell cheap, while John is gone. Call and buy from them. A good stock on hand. Every thing a farmer needs is kept.

The Family Grocery of Stewart Way & Co., on the corner of Main and Franklin streets, is becoming celebrated for the amount of Goods sold, and the high character and quality of the articles. They keep none but the best, which are sold as cheap as the cheapest.

The American House, kept by John Focht, is gaining favor with the people every day. John is making great efforts to accommodate his guests, in the best style. Mrs. Focht understands the duties of a landlady well, in preparing a good table, to tickle the palates of all.

Geo. W. Helms has been making some important improvements in his Photograph Gallery, which enables him to take finer Pictures than ever. He is preparing to take a new style Picture, which for beauty has never been excelled. Call and see a sample.

Gentlemen who have been stopping at the Winchester house, say they are well satisfied with this house, they say Mr. & Mrs. Love are devoting their energies to the accommodation of those who honor them with their presence. This certainly speaks well for the Winchester House.

Mrs. Sneyly has received her new stock of Millinery Goods, and we have only to mention this fact in order to bring her hosts of customers, as she is too well known to the ladies of this county to need us to say she does first class work. Call and engage your work now.

For the Journal. BUSINESS NOTICES. COUNTY UNION TICKET. For Circuit Judge, SILAS COLGROVE. For Circuit Prosecutor, JAMES N. TEMPLER. For Auditor, WILLIAM E. MURRAY. For Commissioner, ARTHUR McKEW.

W. B. Pierce pays cash for Butter and Eggs. The highest price can always be expected from him.

The Lady's Book for June, 1865, at Warden & Co's., opposite Glenn's Block, Indianapolis.

The Atlantic, for June, is received. It still sustains a high character among the monthlies.

Geo. McAdams offers his property on Meridian street for sale. A bargain can be had, if applied for soon.

Perdien & Sonders have a very nice ice chest, for keeping meat cold and away from the flies—an additional reason for buying meat there.

Our Young Folks, for June, is on our table. We believe it is the best magazine for young folks that we know of, and as such we recommend it.

SWEET POTATO PLANTS.—Persons who desire Sweet Potato Plants can get them of Dr. B. Puckett, as he has about one and a half millions to sell; they are going fast, notwithstanding.

It will be to the advantage of the public to call and examine Cowdery's stock before they purchase their Spring and Summer Goods, as he is selling at old prices. Opposite First National Bank, Union City. Don't fail, if you want bargains. 47m

The Franklin House is spoken of as a good House. Mr. Wm. Arney, the gentlemanly proprietor, is doing every thing in his power to make it what it should be—a number one hotel for travelers and boarders.

The rebellion has been crushed, but E. Thomas & Son are still doing a heavy business in the grocery line. They sell cheap because they buy so. They are determined to not be undersold by any one. Their stock is always fresh.

Have you purchased a nice pair of Shoes yet, for the Summer? If not, go to Quick's immediately, and, by the way, he has as nice a Hat as they keep any place. Call and see his Hats, and especially if you want a good one—call to see his fine Hats, just received from Hibbert Brothers, of Cincinnati, Ohio.

Our attention has again been called to the large amount of business Messrs. Oakerson & Scheibler are doing in Muncie. They have a very heavy stock of Dry Goods, which they are selling at smaller profits than any house in Muncie, as they are determined to change the style of business in that place. We are gratified at their success, and hope the people will sustain them.

EARLY INDIANA TRIALS & SKETCHES, by the late Oliver Smith. This work has been placed upon our table by D. V. Baker, who is taking subscriptions for the same. It is a work of interest, abounding in witticisms, and historical sketches of citizens of Indiana, well worth the price for which Mr. Baker delivers it. We think none will regret having subscribed for it.

Those who are using rope lines, and a sheep-skin for a Saddle, and those who have none, we advise to go to Bradbury's Saddle shop, as he manufactures a better article than can be got in this county, anywhere, besides, you can purchase any and all articles in the Saddle and Harness line, as cheap or cheaper than at any other shop. Hides and Pelts bought and highest prices paid.

BOOT AND SHOE STORE AND MANUFACTORY.—The very thing needed in Winchester.—Having examined Mr. McKenna's stock, I can recommend his store to the community. I feel it our duty to encourage him; he tells me with proper encouragement, he purposes keeping a store that would be respectable in Washington street, Indianapolis. Call in friends, and hold up his hands, by buying Shoes of him. I think as low as they can be bought any where, perhaps lower. A CITIZEN.

WANTED!—TEN GOOD AGENTS.—Intelligent, industrious and energetic young men, can receive employment at which they can make money fast, and also make it easier, than it is generally earned, by exerting themselves in canvassing for some of the most popular standard Books and Engravings now before the public. I want Agents in this (Randolph) and all adjoining counties. Will employ them by the month, or at a certain per cent. For particulars inquire of, or address, D. V. BAKER, Winchester, Indiana.

FARMLAND.

D. B. Robbins & Co. are laying the foundation for a very large trade. They advertise for 100,000 lbs. of Wool, 100,000 bushels of Wheat and 50,000 lbs. Table Butter. Cash or Goods paid for the same. They keep a magnificent stock of Goods.

Henning's mammoth stock of Goods is arriving, and will create no little stir in this county. He is determined to accommodate the country with every thing it needs, at as low prices as can be got at any town in Eastern Indiana. Give him a call, by all means.

A SUPERIOR REMEDY.—We can conscientiously recommend to those suffering from a distressing cough, Dr. Strickland's Mellifluous Cough Balsam. It gives relief almost instantaneous, and is without disagreeable to the taste. There is no doubt but the Mellifluous Cough Balsam is one of the best preparations in use, and is all that its proprietor claims for it. We have tried it during the past week, and found relief from a most distressing cough. It is prepared by Dr. Strickland, No. 6 East Fourth Street, Cincinnati, Ohio, and for sale by Druggists at 50 cents per bottle.

FOR SALE.

DR. D. FERGUSON OFFERS HIS FINE RESIDENCE. On the corner of Main and South streets, Winchester, Indiana.
