The Burlington has suspended work on its new track between Mt. Pleasant and Fairfield. About 300 men were thrown out of work on account of the same, and this accounts for the large number of laborers who have been in Ottumwa this week. They were here to get their time checks and many have been lingering for the reason that they haven't other work in sight at present, and a few have remained apparently for the purpose of enjoying the holidays in the city. The new double track is in use between Fairfield and Lockridge, and there is about nine miles of grading that is practically ready for the track as soon as the material arrives and the weather will warrant further operations.

Adolph Sander, who for the past three years has been stenographer in the office of O. E. Stewart, superintendent of the East-Ohio division of the Burlington, has been appointed to fill the position of court reporter to Judge F. W. Eichelberger. The appointment was made necessary by the recent resignation of Frank C. Traversee, who after ten years' service in that capacity, abandoned the work for the purpose of engaging in business for himself.

Mr. Sander is a young man, a graduate of the Ottumwa business college, and one of the most capable men in his profession in the second judicial district. The splendid training which he has had during his service in the Burlington offices under Superintendent Stewart, has especially qualified him in the line of accuracy for the work which he will now assume. He will begin his new duties at the beginning of the January term, which convenes at Albia, Jan. 8. Thus far Mr. Sander's successor has not been appointed.

IN DISTRICT COURT.

Three Petitions for Divorce Were Filed Today.

FILING VERY LIGHT FOR LAST DAY.

The List Comprises Tales of Domestic Wrong Doing—Old Saying, "People Who Marry are Sometimes Very Queer," is Demonstrated.

From Thursday's Daily.
Hattie C. McCright, by her attorney, C. C. Leech, today filed a petition for a divorce from her husband, Lamb B. McCright. Plaintiff says that she and the defendant were married in this city on the 19th day of June, 1895, and that on August 8, 1896, the defendant, without any just cause, wilfully deserted her and ever since has absented himself from her. She prays for a divorce on those grounds and asks the restoration of her maiden name, Hattie C. Leason.

Blake & Hall, attorneys for James Price, yesterday also filed a petition in which plaintiff asks for a divorce from his wife, Lizzie Price, on the grounds of adultery. For cause of action, plaintiff says that he and the defendant were married in this city, April 10, 1898, and lived together as husband and wife for about six months. That soon after their said marriage the defendant committed the crime of adultery with various parties, who are unknown to plaintiff; that about six weeks after their marriage defendant communicated to this plaintiff a loathsome disease, and has been guilty of cruel and inhuman treatment. Wherefore plaintiff prays that he be granted a divorce.

Florence W. Jaques, guardian of Lydia B. Tobias, filed a petition today asking the court for an order authorizing her to sell part of lot No. 149, in block 12, in this city, being the lot on which her ward resides. She says that a part of said lot can be sold without injury to that part on which the residence stands, and that the money derived from the sale should be devoted to her ward's support, and to expenses hereof incurred.

Adelia Streblow, through her attorneys, Coen & Lewis, asks judgment against Bryan & Wheaton, John Bryan and George Wheaton, in the sum of \$175, interest and costs, on a certain note held by plaintiff against defendants.

Jaques & Jaques, attorneys for plaintiff, today filed a petition for the First National bank of Harvard, Neb., against J. J. and F. J. Hawthorne, in which judgment is asked against the defendants in the sum of \$500 on a certain promissory note.

Lucinda Burns desires to be released from the bonds of matrimony now existing between her and her husband, David Burns, on the grounds of desertion. Plaintiff says she and defendant were married in Clinton County, Ohio, Oct. 16, 1876, and lived together as husband and wife until about Feb. 27, 1897, when defendant wilfully and without any just cause deserted this plaintiff and has ever since absented himself from her. Wherefore plaintiff prays for a divorce. W. W. Epps is plaintiff's attorney.

Five petitions praying for an injunction against as many liquor dealers and owners of the buildings in which the business is carried on were filed in the clerk's office late yesterday afternoon. Each action is brought in the name of the state of Iowa ex rel, but does not state who the relator is. It is presumed to be W. V. Silvers, as in each case he made the affidavit that the allegations contained in the petition are true. The hearing of the issuance of a temporary injunction has been set for Saturday morning at 9 o'clock, before Judge M. A. Roberts, at the court house.

The first petition is against John Erbacher and A. C. Leighton, the latter owner of the building in which the business is conducted. Plaintiff for cause of action states that the defendant is engaged in the business of selling and distributing liquors in a certain building of which A. C. Leighton is the owner and that said business is a nuisance. No details are given as to what constitutes the nuisance other than that liquor is illegally sold. A temporary writ of injunction is asked restraining the defendant from conducting said business in the Second judicial district of Iowa, and that upon final hearing that the temporary writ be made permanent.

The second case is against Michael Schwartz and the Lelsy Brewing company; the third case against Michael Schwartz and fourth against H. A. Zangs and the Lemp Brewing company, and the fifth against A. A. Zangs alone. In each case the allegations in the petition are the same and the same remedy is asked. Jaques & Jaques are attorneys for plaintiff.

C. E. Norton, by his attorney, Seneca Cornell, has filed a petition against A. E. Woodlett et al. in which he claims judgment against the defendant in the sum of \$161.73, on a note held by him against the defendant.

Burrhead Bros. also ask judgment against Charles Pannau in the sum of \$34, the balance due on a barrel of whiskey sold defendant, according to a petition filed today by plaintiff's attorney, Seneca Cornell.

OBITUARY.

The following death notice and obituary of William Braddy, an uncle of A. J. Majors, of West Johnson street, and a former resident of this vicinity, appeared in a recent issue of a Clarinda paper:

William Anderson Braddy was born March 14, 1820, in Tennessee, and died on December 14, 1899, aged 79 years and 9 months. He was married in White county, Illinois in 1843, to Miss Delpha Majors, who still survives him. They moved to Iowa in 1846 and settled at Kirksville, Wapello county, Iowa, and engaged in the blacksmith business, and later a carding mill with his brother, James Braddy. In 1866 they all moved to Braddyville, Iowa, where the two brothers took claims and erected a grist mill, where the present mill now stands. James located on the quarter section of the town, and his farm, while William located on the quarter section west of town, now known as the Alex McClure farm. The two brothers worked together to perfect their mill and farms until 1860, when William sold out his interest in the section, while James retained his farm, and took up his residence in White County, Iowa, where he sold goods for nearly two years, when he disposed of his stock of goods and settled on a farm northwest of Shenandoah, Iowa. After several years he sold again and settled west of Elmo, Mo., and came back to reside in Braddyville in 1869. Through his long, useful and eventful life, no one can be found but who remembers him as a man noted for his integrity, sobriety and industry and that practiced the golden rule in all the walks of life. He died at his son-in-law's home, four miles west of Braddyville, where he and his aged wife had gone to spend the winter, as they were too old and feeble to live alone. Besides the partner of a lifetime he leaves five sons and three daughters. Four sons and two daughters reside in California. One son, Alvin, and his wife, Mrs. Omsted were the only children present; other friends and relatives were numerous. The services at the M. E. church were conducted by Rev. Johnson, of this charge, and were very appropriate and befitting over the departure of this worthy pioneer. He was a good man, well known in his day, and a faithful member until the end. The writer was a comrade in the same regiment with deceased and knew him as one of the faithful, sturdy and courageous soldiers who bore gallantly for the cause of the Union and trying duties of a soldier in the ranks fighting in defense of the republic.

Another one of the vast army now passing away has fallen. Lorenzo H. Case, a member of Company B, Thirty-sixth Iowa infantry, and for several years a resident of Wapello county, died at his home in Jamesport, Mo., December 17, 1899. The funeral services were conducted at his late residence in Jamesport, on December 19, and his remains were laid away in the cemetery at that place.

Mr. Case was born in New Albany, Ind., October 28, 1837, and was united in marriage to Elizabeth Moore December 18, 1857. Two sons and six daughters were born to them, only three of whom survive. The wife and mother died June 9, 1874. September 16, 1876, he was united in marriage to Mrs. Jane Davis, and to this union were born three children, all of whom died in infancy. Mr. Case united with the Christian church in 1879, and remained a faithful member until the end. The writer was a comrade in the same regiment with deceased and knew him as one of the faithful, sturdy and courageous soldiers who bore gallantly for the cause of the Union and trying duties of a soldier in the ranks fighting in defense of the republic.

At the regular meeting of Ottumwa Bottlers' Union, No. 7464, at Labor hall last evening, the following officers were elected for the ensuing year: President—D. W. Jones. Vice President—F. E. Swift. Secretary—J. A. Jones. Treasurer—H. E. Farrell. Guard—E. Hughes. Executive Committee—Gas Peters, D. Howard and Eugene Meiers.

A Beautiful Way.

Rev. U. B. Smith, assistant general superintendent of the American Home Finding Association, is grateful to those who contributed Christmas gifts to be distributed by the Association, and favorably comments on the plan of wrapping and stamping all packages that are to be distributed in this manner. The gifts were appreciated by the little ones, and Rev. Smith relates one incident, especially, where the recipient of one of the presents did not forget the old grandmother who had looked for her so long before she was taken to a better home, and when Christmas came, the little girl, who is only 11 years old, requested her foster father to permit her to make her grandmother some small gift. She was granted the request and thus a ray of sunshine was added to the life of that aged woman, who toiled in the interest of the little orphan eleven years before she was provided for by the Association.

Sunday School Officers.

The Sunday school board of the First M. E. church at a meeting last evening elected the following officers for the ensuing year: Superintendent—S. L. Vest. Assistant Superintendent—Mrs. Nellie S. Brush. Secretary—Miss Rosamond Slaughter. Treasurer—George Hay, Sr. Librarian—Byron Hatch.

PILING UP TESTIMONY.

Nothing but Praise From all Sources.

Stands High in the Estimation of Those Who Have Tested Its Merits.

There is no doubt whatever as to the merits of Morrow's Kid-ne-oids judging from the good results obtained right here in this city. Morrow's Kid-ne-oids are used daily by many Ottumwa citizens and they all testify without any hesitancy about the great good they have received by the use of this great kidney preparation. Kid-ne-oids, will positively cure kidney backache, dizziness, sleeplessness, nervousness and all urinary disorders arising from a disordered condition of the kidneys. Another citizen adds her testimony as follows:

Mrs. B. A. Farrington, on West Division street, near McLean, says: "I had kidney backache for three years. I suffered with a dull, aching pain in the small of my back continually, and at times it was so severe I could hardly attend to my household duties. Whenever I would stoop over I could hardly straighten up without help. I took Morrow's Kid-ne-oids for a short time, and they gave me so much relief that I continued to take them, and now I am entirely free from pain. I will continue to take Kid-ne-oids as occasion requires."

Morrow's Kid-ne-oids are not pills, but Yellow Tablets, and sell at 50 cents a box at all drug stores and at Clark & Mollison's drug store.

Mailed on receipt of price. Manufactured by John Morrow Co., chemists, Springfield, Ohio.
