

CUMMINS' PLURALITY WILL BE ALMOST 80,000

MORE COMPLETE RETURNS INDICATE VICTORIES IN MANY CLOSE COUNTIES.

THE REPUBLICAN GAINS

Though First Reports Tended to Show Democratic Gains in Legislature They Were Wrong and That Party Lost Some Members of Assembly.

Des Moines, Nov. 5.—(Special)—The latest returns, which, though unofficial, give a good insight into the actual result of Tuesday's election, indicate that Governor Cummins will have a majority of over 70,000, nearly as big as that given him in 1901, when he ran against T. J. Phillips of Ottumwa.

the tide which swept the citizens' ticket into office on the issue of the charges growing out of the tax ferret scandal.

Extremely interesting has been the contest in the Iowa-Johnson district, which the latest returns of last night indicated had gone for Hughes by over 300 majority.

Returns by the State.—The returns thus far, which are, of course, unofficial, show the vote in the various counties of Iowa to have been as follows, with comparisons with the vote of 1901:

Table with columns: COUNTIES, 1901, 1903. Lists counties like Adams, Allamakee, Appanoose, Audubon, Benton, Black Hawk, Boone, Bremer, Buchanan, Buena Vista, Butler, Calhoun, Carroll, Cass, Cedar, Cerro Gordo, Cherokee, Chickasaw, Clarke, Clay, Clayton, Crawford, Dallas, Davis, Decatur, Delaware, Des Moines, Dickinson, Dubuque, Emmet, Fayette, Floyd, Franklin, Fremont, Greene, Grundy, Guthrie, Hamilton, Hancock, Hardin, Harrison, Howard, Iowa, Jackson, Jefferson, Johnson, Jones, Keosauqua, Kosciusko, Lee, Lincoln, Lucas, Lyon, Madison, Mahoning, Marshall, Mills, Mitchell, Monona, Monroe, Montgomery, Muscatine, Osceola, Page, Palfrey, Pottawattamie, Poweshiek, Pottawatomie, Pocahontas, Polk, Ringgold, Rippey, Sac, Scott, Shelby, Sioux, Story, Tama, Taylor, Union, Van Buren, Wapello, Warren, Wayne, Webster, Winnebago, Winneshiek, Woodbury, Worth, Wright, and Young.

Local Fights Have No Effect. Contrary to expectations the local fights in some of the counties had little or no effect on the head of the ticket but only seemed to bring out the vote to better advantages.

Democrats Lose in Legislature. Not less of a surprise than the big plurality given the governor is the fact that the democrats have lost members of the legislature.

Seven Senators. Instead of a democratic gain, as seemed likely at first, an actual loss of three members is sustained in the senate.

Conflicts Were Unusual. The legislative conflicts have been marked by much of the surprising and of the dramatic.

One of the hardest fights was as well as one of the most surprising in its results, was Woodbury county, where John H. Jackson is declared elected by a narrow margin of 19 over his competitor, A. S. Garretson.

Garretson's "Economy." A. S. Garretson was nominated on an economy platform. He is one of the picturesque characters of the city by the Big Muddy having been one of the chief promoters of the boom which started Sioux City on the high road to unlimited wealth and left her stranded with a burdensome municipal debt.

Several local interests probably entered into cutting down the majority of Jackson to 19 as compared with 179 cast for Cummins among them city politics.

The Hardin Fight. In Hardin county another contest is threatened. Mark Furry the regular republican nominee was defeated by a slender plurality of 140 as compared with a plurality for Cummins of 2,709.

The Polk County Vote. Des Moines, Nov. 5.—(Special)—Governor Cummins' plurality in Polk county was 4,402. There was a total vote of 11,610, and of this number the republican candidate received 8,006.

Tras, C. H. Morrow, 5,990; Sheriff J. C. Loper, 5,782; Supt. Z. L. Thornburg, 5,753; Surveyor Frank McNeill, 5,469; Coroner J. W. Beck, 5,739; Supervisor L. H. Decker, 573.

Osceola, Nov. 5.—(Special)—Clarke county is still in line with increased republican majorities all along the ticket. Every republican candidate was elected, Sidney Bates for treasurer leading the list with a plurality of 856.

Henry County Returns. Mt. Pleasant, Nov. 5.—(Special)—Henry county democrats elected Campbell sheriff and Packer superintendent with majorities respectively 100 and 175. Cummins got 705 in the county.

Blackhawk Democratic. Waterloo, Nov. 5.—Blackhawk county democrats Tuesday elected all their candidates for county offices with the exception of Representative C. A. Wise, the republican candidate for the latter office, has pulled through, but it is thought his plurality will be small.

Complete Returns Make Slight Changes in Figures First Given. Dispatches today show the following pluralities for the head of the ticket in Tuesday's elections for the Ohio (rep.) 120,000; Maryland (dem) 12,400; Pennsylvania (rep) 265,000; Massachusetts (rep) 35,272; Kentucky (dem) 30,408; Rhode Island (dem) 1,857; Nebraska (rep) 10,000; Colorado (rep) 7,000.

City elections.—New York (dem) 6,617; San Francisco (dem) 2,209; San Francisco (united labor) 6,355.

WHOLESALE CONFECTIONERY. J. F. Bauer & Company Reports Growing Business in Manufacturing Fine Candies.

Under the management of J. F. Bauer, there is supplied in this city a very good assortment of pure candies manufactured for the highest class of trade the market demands.

By continual effort and close application to business and reasonable prices, there has been established a growing demand for the "Red Hawk" candies.

The factory opened at first on South Green street in the Ballingall block, later removed into the room occupied by Geo. W. Davidson, finding it necessary to obtain larger quarters.

With the assistance of careful advertising and good representatives as well as good goods, the sales have steadily increased until this firm is enjoying a remarkably good business.

Mr. Bauer has been identified in the manufacture of candies for a number of years and is a man of good experience and judgment, competent to supply the merchandise that is wanted by his trade.

As up-to-date business men should do, the firm makes all the new creations in this line of goods which is necessary as in all other lines. Qualities must ever be improved and maintained and to do this it is necessary to keep in touch with all progressive ideas.

WALSH ON HIS PARTY. Nationally Prominent Democrat Says Local Democrats Not Organized.

"The almost entire lack of organization among the democrats of Wapello county is the principal cause for the overwhelming defeat which was sustained upon the democrats at Tuesday's election.

Thus Charles A. Walsh, secretary of the national democratic committee erstwhile proponent of election reform, never-diminishing democrat and experienced politician, summed up the excuse, or the lack of excuse, for the landslide which placed in office with overwhelming majorities every candidate on the republican county ticket.

He was in conversation with a friend when he gave expression to the statement. He also mentioned the fact that in the fourth ward that there was no poll book and no checker for the democrats during about two hours of the day when the election board was very busy.

That you ask the various literary clubs of your county to consider, sometime during the week beginning November 15, the questions bearing upon the work of the schools.

A New Thing. "So far as we are aware, no work of the kind has ever been undertaken in any state. A great hindrance to the advancement of popular education is the lack of interest upon the part of the people themselves.

That there may be uniformity of effort, the committee suggests as subjects for discussion, among others, the following: "Shall we give men to books or to themselves?"

"Do we not need an education of the heart and hand as greatly as an education of the head?"

"The time element in education. Teachers' wages. These topics are only suggestive. Should other questions appeal to you as of greater importance, you will make substitutions.

Commander of the Nashville is Preparing to Land More Marines—Withdraw Those Landed Wednesday—Anxiety at Colon.

Formal announcement has been received at the state department by cable from Panama of the establishing of a new government at that place, which the dispatch states is capable of maintaining order. The cablegram comes from the three consuls constituting the new government and is signed by Frederic Boyd, Jose Augustin Arango and Tomas Arias.

Colon Seat of Trouble. Colon, Nov. 5.—Much anxiety prevails in all quarters here today. It is recognized that the crew of the Nashville would be quite inadequate to cope with the situation ashore should serious disturbances occur and the arrival of the Dixie is anxiously awaited.

Superintendent Beniah Dimmitt Receives Suggestive Circular From State Superintendent Barrett—Ministers Asked to Help in Work.

A circular issued by State Superintendent of Public Instruction R. C. Barrett, which has for its purpose the arousing of more and greater interest among the masses of the people in educational matters has been received by County Superintendent Beniah Dimmitt.

The circular suggests the holding of public meetings not for school officers and teachers only, but for the people, upon a uniform date throughout the state and the preaching of sermons by ministers from their pulpits upon educational topics upon Sunday, November 15.

Superintendent Dimmitt will take up the matter with many of the ministers of the county and it is probable that the suggestions contained in the circular will be carried out in part if not as a whole in Wapello county. The circular is as follows:

The Circular. To county superintendents: "The educational council, through one of its committees is undertaking to arouse a still greater interest on the part of the people in the educational work of the state.

That you hold one or more public meetings Friday evening, November 20, and if you so desire, Saturday, November 21, that these meetings be of a popular nature.

DAIRMEN TO MEET

TWENTY-SIXTH ANNUAL CONVENTION OF STATE ASSOCIATION.

November 18, 19 and 20 Are the Convention Days and Already an Excellent Program Has Been Arranged—Ottumwans May Attend.

Although none of the local dairymen or commission merchants have fully decided whether or not they will attend the twenty-sixth annual convention of the Iowa State Dairy association, which will be held in Waterloo, November 18, 19, and 20, several of them have the matter under consideration and may attend.

But Few White People. "The lecture and its purpose had been so well advertised by circulars, posters, dodgers and window cards, newspaper announcements, complimentary tickets to patrons and others, during the past six weeks that I think it may be said with some degree of accuracy that it was generally known by the reading public of the city and the surrounding country.

Now, it is a well known fact that northern white people, as well as southern white people, will turn out en masse if it is simply intimated that there is to be a negro minstrel in the city and that the same thing happens whenever it is announced that Hon. C. Benjamin R. Tillman of South Carolina or any of the rest of his class are to be invited to give lectures in the presence of respectable gentlemen, to say nothing of ladies, and that the same time absolutely refuses to hear the negro in his own defense through one, the purity of whose language is above criticism.
