

CUMMINS' PLURALITY WILL BE ALMOST 80,000

MORE COMPLETE RETURNS INDICATE VICTORIES IN MANY CLOSE COUNTIES.

THE REPUBLICAN GAINS

Though First Reports Tended to Show Democratic Gains in Legislature They Were Wrong and That Party Lost Some Members of Assembly.

Des Moines, Nov. 5.—(Special)—The latest returns, which, though unofficial, give a good insight into the actual result of Tuesday's election, indicate that Governor Cummins will have a majority of over 70,000, nearly as big as that given him in 1901, when he was again T. J. Phillips of Ottumwa. This result was unexpected, as much by the republicans as by the democrats. The results from all the counties have been surprising. For instance, Scott and Muscatine counties, in the second district, which is represented by Congressman Martin J. Wade, democrat, both went republican with majorities higher than for many years. At present the returns give Cummins a plurality of 78,439.

Local Fights Have No Effect. Contrary to expectations the local fights in some of the counties had little or no effect on the head of the ticket but only seemed to bring out the vote to better advantage.

Democrats Lose in Legislature. Not less of a surprise than the big plurality given the governor is the fact that the democrats have lost members of the legislature. Although the early returns during Tuesday night gave indication that there would be a gain for the democrats in several of the counties the fuller figures show that the republicans have gained instead.

Seven Senators. Instead of a democratic gain, as seemed likely at first, an actual loss of three members is sustained in the senate. In the last general assembly there were ten democrats in the senate; this time there will be only seven. They are: Lewis J. Taylor of Centerville from the Ansonia district, Thomas Lambert of Sabula from the Jackson district, John F. Wade of Greene from the Butler-Bremer district, David A. Young of Argyle of the Lee district, Fred N. Smith of Burlington from the Des Moines district, and John L. Wilson of Almont from the Clinton district.

Conflicts Were Unusual. The legislative conflicts have been marked by much of the surprising and of the dramatic. The most startling revolutions have been worked. In some quarters surprisingly heavy republican votes were polled and in others equally heavy losses were sustained.

One of the hardest fights as well as one of the most surprising in its results, was Woodbury county, where John H. Jackson is declared elected by a narrow margin of 19 over his competitor, A. S. Garretson, the democratic candidate, and a contest is threatened. The fight was picturesque in the extreme.

Garretson's "Economy." A. S. Garretson was nominated on an economy platform. He is one of the picturesque character of the day by the Big Muddy having been one of the chief promoters of the boom which started Sioux City on the high road to unlimited wealth and left her stranded with a burdensome municipal debt.

Several local interests probably entered into cutting down the majority of Jackson to 19 as compared with 1,700 cast for Cummins among them city politics. Sioux City cut Jackson heavily, which might be due to the above reason and also to secret opposition of the friends of Marlin J. Sweeley, whom Mr. Jackson defeated for the nomination.

The Hardin Fight. In Hardin county another contest is threatened. Mark Furry the regular republican nominee was defeated by a slender plurality of 140 as compared with a plurality for Cummins of 2,700. The Furry republicans claim fraud in some precincts and propose a contest. William Welden the successful candidate is an old time republican, a prominent business man of Iowa Falls and a popular gentleman. He made no canvass for the place but was elected and carried on with

the tide which swept the citizens' ticket into office on the issue of the charges growing out of the tax ferret scandal.

Extremely interesting has been the contest in the Iowa-Johnson district which the latest returns of last night indicated had gone for Hughes by over 300 majority. It was a close fight from start to finish. Hughes attained fame while in the house as the advocate of a 2 cent railroad fare and an anti-pass statesman. He has a warm following of friends among the politicians throughout the state.

Returns by Counties. The returns thus far, which are, of course, unofficial, show the vote in the various counties of Iowa to have been as follows, with comparisons with the vote of 1901:

Table with 4 columns: COUNTY, 1901, 1903, and a sub-column for Cummins. Rows include Adair, Adams, Allamakee, Appanoose, Benton, Black Hawk, Boone, Cherokee, Chickasaw, Clarke, Clay, Clayton, Clinton, Crawford, Dallas, Davis, Decatur, Des Moines, Dickinson, Dubuque, Emmet, Fayette, Floyd, Franklin, Fremont, Greene, Grundy, Guthrie, Hamilton, Hancock, Hardin, Harrison, Henry, Howard, Ida, Iowa, Jackson, Jefferson, Johnson, Jones, Kosciusko, Lee, Lincoln, Lyon, Madison, Mahaska, Marion, Marshall, Mills, Mitchell, Monroe, Montgomery, Muscatine, Osceola, Page, Palo Alto, Plymouth, Pocahontas, Polk, Pottawattamie, Poweshiek, Pottawattamie, Sac, Scott, Shelby, Sioux, Story, Tama, Taylor, Union, Van Buren, Wapello, Warren, Washington, Wayne, Webster, Winnebago, Winneshiek, Woodbury, Worth, Wright, Cummins' vote, 1901, and Cummins' vote, 1903.

Complete Returns Make Slight Changes in Figures First Given. Dispatches today show the following pluralities for the head of the ticket in Tuesday's elections for the states and cities named:

Table with 2 columns: State/City and Plurality. Rows include Ohio (rep), Maryland (dem), Pennsylvania (rep), Massachusetts (rep), Kentucky (dem), Rhode Island (dem), Nebraska (rep), Colorado (rep), New York (dem), Salt Lake City (dem), San Francisco (united labor).

WHOLESALE CONFECTIONERY. J. F. Bauer & Company Reports Growing Business in Manufacturing Fine Candies.

Under the management of J. F. Bauer, there is supplied in this city a very good assortment of pure candies manufactured for the highest class of trade the market demands.

By continual effort and close application to business and reasonable prices, there has been established a growing demand for the "Red Hawk" candies. The factory opened at first on South Green street in the Balling block, later removed into the room occupied by Geo. W. Davidson, finding it necessary to obtain larger quarters.

With the assistance of careful advertising and good representatives as well as good quality sales have steadily increased until this firm is enjoying a remarkably good business.

Mr. Bauer has been identified in a number of years and is a man of good experience and judgment, competent to supply the merchandise that is wanted by his trade. As up-to-date business men should do, the firm makes all the new creations in this line of goods which is necessary as in all other lines. Qualities must ever be improved and maintained and to do this it is necessary to keep in touch with all progressive ideas, which surely result not only in success, but in good profit for the manufacturer.

WALSH ON HIS PARTY. Nationally Prominent Democrat Says Local Democrats Not Organized.

"The almost entire lack of organization among the democrats of Wapello county is the principal cause for the overwhelming defeat which was visited upon the democrats at Tuesday's election. The republicans, on the other hand, were organized and from early in the morning until the minute the polls were closed they were constantly working for the success of their ticket."

Thus Charles A. Walsh, secretary of the national democratic committee erstwhile proponent of election reform, never-daunted democrat and experienced politician, summed up the excuse, or the lack of excuse, for the landslide which placed in office with overwhelming majorities every candidate on the republican county ticket.

He was in conversation with a friend when he gave expression to the statement. He also mentioned the fact that in the fourth ward that there was no poll book and no checker for the democrats during about two hours of the day when the election board was very busy. This is not like the work usually done by the democrats in this city and Mr. Walsh, like many other members of the party, who remember the way in which elections were handled in former years is rather chagrined, apparently by the showing made against the party of his choice.

SERIOUSLY ACCUSED. Dr. Adam Deitz Charged With Assault On 12-Year-Old Girl.

Mt. Pleasant, Nov. 4.—(Special)—Charged with assault with intent to commit rape on the person of the 12-year-old daughter of Mr. and Mrs. N. Rogers, Dr. Adam Deitz, a veterinary surgeon of this city is lodged in jail awaiting a hearing before the county grand jury, he having waived a preliminary examination before Justice Van Beck yesterday. According to the story told by the mother of the little girl, she had just returned from a shopping trip Saturday afternoon, and opening the door saw her little daughter and Dr. Deitz in a compromising position. Deitz was driven from the house and he said the child then admitted the truth of the matter and from what she told it is believed that the relations between Deitz and the girl had been maintained for some time. Deitz immediately started in the direction of Merrimac. A warrant was placed in the hands of Deputy Sheriff Maley, who overtook Deitz near Merrimac and brought him to Mt. Pleasant, lodging him in jail.

HUBBARD ON THE ALERT

Commander of the Nashville is Preparing to Land More Marines—Withdraw Those Landed Wednesday—Anxiety at Colon.

Washington, D. C., Nov. 5.—The President has had many conferences on the Panama situation today. His information regarding the exact condition of affairs on the isthmus is still too meagre to warrant a statement outlining the policy of the administration to be pursued toward the separatists.

Formal Announcement Received. Formal announcement has been received at the state department by cable from Panama of the establishing of a new government at that place, which the dispatch states is capable of maintaining order. The cablegram comes from the three consuls constituting the new government and is signed by Frederic Boyd, Jose Augustin Arango and Tomas Arias.

Colon Seat of Trouble. Colon, Nov. 5.—Much anxiety prevails in all quarters here today. It is recognized that the crew of the Nashville would be quite inadequate to cope with the situation should serious disturbances occur and the arrival of the Dixie is anxiously awaited. The Nashville is now preparing to again land a detachment of blue jackets.

Situation More Critical. General Pompeio Gutierrez, one of Colombia's best generals, arrived here today.

Germany Will Not Meddle. Berlin, Germany, Nov. 4.—The Associated Press is advised that Germany will make no formal declaration of the political side of the Panama revolution. The United States is recognized as the power having the dominant interest on the isthmus. Germany has no inclination or object for the least interference and certainly would not do anything without knowing in advance that it would be agreeable to the United States.

Ships on the Way. Telegrams received at the navy department today announce the departure of the Albatross from Kingston for Colon and the Boston from San Juan Delair for Panama. It is not believed any additional ship can get to Colon or Panama before tomorrow.

United States Affair. London, Nov. 4.—The British official attitude towards the events at Panama is that it is entirely one of the United States. This appears to be shared in all diplomatic quarters in London. The question of the recognition of Panama's independence entirely depends on the action of the United States.

Withdraws Forces. Later in the day the navy department received the following from Commander Hubbard: "Have withdrawn the forces landed Wednesday afternoon. No bloodshed."
