A NEW SYSTEM

CENTRAL ENERGY TELEPHONES BEING INSTALLED IN MOR- RELL PACKING PLANT.

Howard Herr and Force of Men at Work—Packing House Mutual Aid Association is in Good Condition—A Decreased Packing—East End Items.

From Saturday's Daily.

In a short time the plant of John Morrell & Company will be supplied with a private telephone system that will doubtless equal that of any private establishment in the state. For the past week Howard Herr and a force of electricians have been at work at the plant installing a complete system of central energy telephones and when the work is finished the Morrell firm will have the conveniences offered by this system of communication. Sixteen new instruments will be installed and will work the same as the phones up town.

The P. H. M. A. A.

The Packing House Mutual Aid Association is in a good financial condition. At the present time there is over \$1,000 in the treasury and just recently Superintendent Bullock issued a check for over \$100 to the beneficiary of the late P. Muldoon. This department of the John Morrell & Co. is a very desirable feature to all employees.

Packing Shows Decrease.

The packing for the past week at the plant of John Morrell & Co. shows a decrease of 200 hogs, the total amount being 10,900, while last week there were 12,000 porkers killed. This amount, however, is up to the average weekly killing.

SOUTH SIDE NEWS.

From Saturday's Daily.

A. J. Closser, who resides on Sheridan street, has returned from a business trip to Chicago, N. D.

Ed Savage, who resides east of town, has returned from a business trip to Chicago, N. D.

Mr. and Mrs. E. R. Osterlock who were united in marriage last Wednesday in What Cheer, were given a surprise party last evening at their home, 115 Madison avenue, by about forty of their friends. The host and hostess were completely surprised but extended a cordial welcome to their guests. Games and other amusements made the evening an enjoyable one for all present. Refreshments were served.

At a meeting of the members of the Second Congregational church held last evening in the church at the corner of Ransom street and Finley avenue, an offer of \$1,500 for the old Second Congregational church and parsonage, located at the corner of Mine and North Davis street, was received and accepted. The resignation of Rev. D. D. Davies, pastor of the church, was accepted, the resignation to become effective at the end of sixty days.

Hundreds of student voices cheering the American flag was the sight seen yesterday at the high school. The school was dismissed, recently the school board purchased a new flag for the Irving building and yesterday it was unfurled to the breeze for the first time. Appropriate exercises were held in the various rooms in the building during the afternoon, but it was the students were marching out the main entrance, being dismissed that the real demonstration took place. When they saw the new flag above their heads they with one accord broke into rousing cheers. The teachers and the passers-by, that spontaneous outburst from the patriotic hearts of the Irving pupils.

From Tuesday's Daily.

Born, yesterday, to Mr. and Mrs. Jas. Wood, 213 North Moore street, a son, where he will make an extended visit.

Born, Friday, to Mr. and Mrs. Henry Ninemire, of Benton street, a daughter.

Home endorsement, the public expression of Ottumwa people should be evidence beyond dispute for every Ottumwa reader. Surely the experienced friends and neighbors cheerfully given by them will carry more weight than the utterances of strangers residing in far-away places. Read the following:

Mrs. Elizabeth Bowen of 133 Clayton avenue says: "I found Doan's Kidney Pills a most valuable aid for dispelling aching pains through the kidneys. There was a time when I had a very bad back and as Ottumwa is somewhat hilly this made it hard for me to get around and even walking a little fast caused the pains in my loins to become excruciating for the time being. This was my condition for at least several years. Doan's Kidney Pills which I procured at W. L. Sargent's drug store was the first medicine that ever gave me real and lasting relief. I have been subjected to exactly the same conditions but my back has not hurt me since using them. I have told my lady friends how good and reliable Doan's Kidney Pills are and will continue to do so for I know the user of them will not be disappointed in securing the expected results."
