FROM

W. H. COOPER & SON

OTTUMWA, IOWA

In presenting you with this illustrated circular of "Up-to-Date" Furniture it has been our aim to place before you some of the newest and most striking bargains that the furniture market affords. We have not illustrated our cheapest goods, but instead first-class articles, every one of which we stand ready to make right if not exactly as represented herein. This surely affords you an elegant opportunity of buying goods that you can perfectly rely upon. With our reputation for handling good furniture at stake, we could not do otherwise.

FREIGHT---We pay the freight to your place and guarantee the safe arrival of goods.

Orders Now that another season with its demands is again upon us, W. H. Cooper & Son would remind their many out-of-town customers of the practical wisdom of sending in their orders in advance of the rush. Selections and purchases made now, while there is plenty of time, can be made unhurriedly and wisely. The many annoyances and disadvantages of delaying until caught when the season is at its height, when railroads are overburdened, will be avoided. Those who so desire can purchase the article of their choice AT ONCE, or any time in advance of the rush, and we keep the goods safely stored for punctual shipment at the time appointed. If you care to take advantage of this "laying away idea" of ours you may do so by paying 1-3 down, the balance when goods are shipped. Money may be remitted by Post Office Order or Express Money Order. DO NOT merely glance over this sheet and then throw it away. File it away for future reference, as we will send out more from time to time, and by saving them you will soon have a Furniture Catalogue of good merchandise.
