100 ICE WAGON HORSES WANTED. I have phone call from Mr. Field of Chicago, president of the Knickerbocker Ice Co., stating he will have his buyers here at next Friday's sale and will want a hundred head of big horses for ice wagon use. So bear it in mind next Friday will be an exceptionally good time to have some heavy horses here.

Our sale last Friday was certainly good, there being a strong demand for just about anything in the way of a horse. The fact is we are right at the top of the season now, and if you can't get price enough for anything you have for sale at the present time, there is little change you will ever get it. We have decided to continue the Every Friday Auctions through the month of April. So with a view to guaranteeing a sufficient supply of horses we will again take off the listing fee, charging you nothing unless you sell.

Horses at private sale next Thursday.

MORRIS WILLIAMS, Ottumwa, Iowa.
