

RAGE RIOTS FOLLOW THE PRIZE FIGHT

WHITES AND BLACKS CLASH IN MANY CITIES AFTER RETURNS COME IN; NEW YORK AND PHILADELPHIA HAVE TROUBLE.

BIGGEST CROWDS IN COURTS AT CAPITAL

HUNDREDS ARRESTED AT WASHINGTON AS RESULT OF FIGHTS FOLLOWING ANNOUNCEMENT OF RENO RESULT.

New York, July 5.—The police today are actively patrolling the "Black Belts" of New York to check further sporadic race of the Jeffries-Johnson fight. There were scores of street fights, negro hunts and petty outbreaks all through the early morning. A negro waiter was killed and another negro was nearly lynched during the fighting. A white man who killed a negro, escaped.

Fighting in Washington.

Washington, D. C., July 5.—In the clashes between negroes and whites last night over the championship fight at Reno, Thomas Muttie of the marine corps had his throat cut and another white man sustained concussion of the brain. Both are in a serious condition. One hundred and thirty-four fight fans who showed color prejudices last night lined up in police court today and paid fines, took suspended sentences or went to jail. One hundred and two others escaped trial by forfeiting bail.

Efforts are being made here and at Baltimore to prohibit the proposed exhibition of moving pictures of the Jeffries-Johnson fight. It is feared the exhibition might cause racial troubles.

Wild Night in Philadelphia.

Philadelphia, July 5.—It was a wild night among the rougher element of colored people and as a result more than a hundred whites and blacks, some with bandaged heads, were before the police magistrates today. Some of the disturbers were fined and others sent to jail.

Riots at St. Joe.

St. Louis, July 5.—Rioting in a negro section of St. Louis at Market street and Jefferson avenue, followed quickly upon the announcement that Jack Johnson was the victor in the Reno Prize fight. The eighth district police responded to a riot call, but were powerless to cope with the negroes who were blocking traffic and making threats. A second call to the central district brought out a score of policemen. The negroes were clubbed into submission and dispersed.

Negroes "Hurrah" Meant Trouble.

New Orleans, La., July 5.—Yesterday afternoon a negro, who sent up the shout "Hurrah for Johnson" was seized by a number of youthful bystanders and severely beaten, but was finally rescued by policemen. Two negroes were shot here last night by two white men. It is not thought that the negroes are mortally wounded.

Has Throat Slashed.

Houston, Tex., July 5.—Disturbances broke out immediately on the announcement of the Johnson victory at Reno. Three negroes were badly hurt by white men inside of an hour. The police were called to quell several minor disturbances.

Charles Williams, a negro, was a little too vociferous in announcing the outcome on a street car, and a white man slashed his throat from ear to ear. The negro almost died to death before he reached a hospital.

Police Use Clubs.

Pittsburg, Pa., July 5.—Less than half an hour after the decision of the fight was announced here three riot calls were sent in to two police precincts in the negro hill district. Street cars were held up and insulting epithets were hurled at passengers. The police beat the crowds back with their clubs to permit the passage of street cars.

White Man Mobbed.

St. Joseph, Mo., July 5.—S. I. Sawyer, a white man who took the part of a negro when the latter was struck by a white man, was mobbed by a crowd of whites immediately following the Johnson-Jeffries fight. Sawyer was rescued by a policeman and charges that the latter struck him in the face and broke his nose.

Tried to Shoot up Town.

Roosevelt Has Interview With Ballinger Hoe

Oyster Bay, July 5.—Roosevelt held an important political conference today with Representative Poindexter, "insurgent" of Washington. Poindexter is from Ballinger's district and it is understood he will bring Roosevelt a report of conditions there. The congressman is on the other side of the fence from the secretary of the interior. The prize fight and independence day and various other things drowned out political gossip from Sagamore hill yesterday. Roosevelt received visitors and told his friends and inquirers that he desired to be left alone to do as he pleased. Yesterday afternoon, while Johnson was hammering Jeffries in Reno, a number of queries were received at one of the hotels in town. Somebody was telephoning from Sagamore hill. The voice requested that as soon as the results came in they be phoned up to the hill for persons who were "much interested." The colonel was busy—exceedingly busy.

Riot at Pueblo.

Pueblo, Colo., July 5.—A riot between blacks and whites occurred in Bessemer, Pueblo's steel works suburb as a result of the Johnson-Jeffries fight. Every police officer available was sent to the scene.

NO ACCIDENTS IN OTTUMWA ON THE FOURTH

QUIET CELEBRATION HELD HERE RESULTS IN CUTTING DOWN CASUALTIES; MANY CITIES HAVE SIMILAR REPORTS.

The widespread movement for a safe and sane Fourth of July throughout the country is doing a great work in eliminating deaths and injuries by fireworks. If Ottumwa can be taken as a criterion. None of the Ottumwa doctors report any accidents this morning and if anyone was hurt the injury was so light that the attention of a physician was unnecessary. It was unusual for a Fourth of July celebration to pass without any accidents. Young Ottumwans discharged hundreds of dollars worth of fire crackers throughout the day observing the anniversary of independence day, but no one was hurt. Several elderly Ottumwans suffered from burnt fingers in showing the younger generation how to set off the fire crackers, but the injuries were not severe. Reports received all over the country by the Chicago papers show that this Fourth of July showed a death toll of only twenty-four, a great decrease over that of former years. The injuries were also less.

Sane Fourth in Chicago.

Chicago, July 5.—A sane Fourth was observed in many cities. In New York only one was killed and eighty-seven minor accidents reported, against 399 last year. Philadelphia had one death and Chicago one and twenty-two injured, against one dead and forty-seven injured last year.

Thirty injured was the record of the "sane Fourth" in St. Louis; the record last year was three killed and over 200 injured.

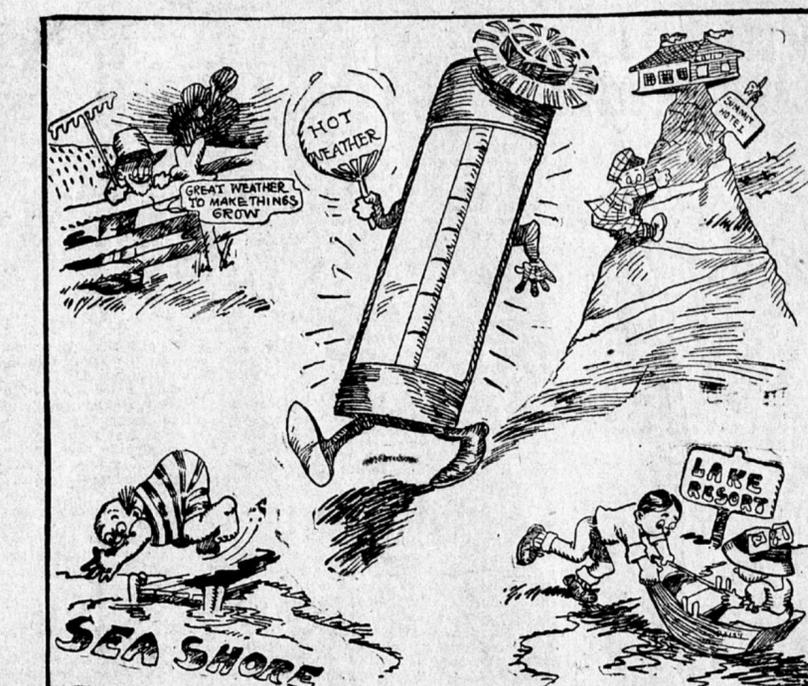

At Boston there were no deaths and less than a score hurt, against four deaths and 146 injured last year.

Pittsburg however, reports three dead, despite the "sane Fourth."

Milwaukee's "sane Fourth" showed by the casualty list one death and eighty-seven injured.

Chicago's first "sane" Fourth celebration began with a temperature of 65. The record of injuries yesterday was officially two persons and there were but three fires due to pre-fourth activities.

GENERAL HUMIDITY ON THE JOB AGAIN

TAFT IS HEARD BY TEACHERS

PRESIDENT ADDRESSES BOSTON MEETING ON PHILIPPINES QUESTION.

Boston, July 5.—The National Educational association convention divided today into eighteen separate meetings, each assigned to consideration of a specific topic. Three phases of child study were developed by the kindergarten and elementary schools department in joint session. That it is time gifted children be given as much care as defective and inefficient was the statement of Superintendent Aley of Indianapolis. "It is worth more to a train a genius to the height of his possibilities than to bring a deficient child to the height of his capability."

Adhering to the Constitution.

"Those who were responsible for the policy have been subjected to the severest criticism in that they are said to have violated the proposition of the declaration of independence, that to secure the rights of life, liberty and the pursuit of happiness governments were instituted among men, deriving their just powers from the consent of the governed."

"I affirm that there is nothing in the Philippine policy of this government which is at variance with the language from the declaration of independence which I have quoted when that language is properly understood by the same sort of construction as Lincoln gave to the language 'all men are created equal.'"

"When the time shall arrive when the Philippines can be safely trusted to organize and maintain permanently their own government, and this government shall withdraw from the islands or offer to do so, the proposition of the declaration of independence will have been fulfilled and the government will be a just one, for it will rest upon the consent of the governed."

The parties Mrs. Harcourt gave, while small, were brilliant, and interesting to the king. Usually they represented political power. Mrs. Harcourt took no part in political discussions, but appeared at all times as a self-reliant, resourceful, womanly woman and became immensely popular among the leaders of the government. Her reward comes under the reign of King George V.

It is related of Mrs. Harcourt that she does not care to tramp over the moors with sportsmen, bearing a gun on her shoulder. Rather she inclines to remain in the tent and say "soft things" to them when they halt in the chase, or to pour their tea in the ancestral hall when the day's sport is finished.

Wreck at Mason City. Mason City, July 5.—(Special).—A Rock Island passenger running on the main line at Manley was struck in the rear by an Iowa Central passenger, overturning two coaches and badly demolishing the Iowa Central engine. Two women were quite badly hurt.

Cedar Rapids Man Drops Dead. Cedar Rapids, July 5.—(Special).—John W. Moadler, a well known citizen, employed by the Churchill Drug company, went into the park today, sat down on the bench and fell over dead. It is thought heart disease was the cause.

TWENTY-THREE WERE KILLED IN OHIO WRECK

Middletown, Ohio, July 5.—Three victims of the wreck of the Big Four's New York flyer here yesterday died of their injuries during the night, bringing the total dead to twenty-three. Reports at the hospitals where many of the thirty-seven injured were taken indicate that a number of these will die. Some of them are frightfully mangled and no hope is held out for their recovery. The officials are trying to place the blame for the wreck. It is known a misunderstanding of orders caused the frightful catastrophe, but which train crew was at fault has not been learned. Both the Big Four and C. H. & D., it is said, is endeavoring to place the responsibility for the accident on the other.

Of the number of persons killed, eighteen were passengers, the other victim being a member of the passenger train crew.

The Dead. H. F. BAKER, Cincinnati. H. A. SMITH, Dayton. J. SMITH KIRK, Dayton. GEORGE FROHLE, Dayton. FRANK GOLDEN, passenger train brakeman. JOHN W. COOLEY, McCutcheonville, Ohio. MISS FAY H. DAUFEMIRE, Pleasantville, Ohio. HAY B. SNYDER, London, Ohio. A. S. GARRIGUS, Columbus, Ohio. RICHARD VAN HORN, Dayton. CHARLES H. MOULTON, Youngstown, Ohio. MISS JESSIE J. BODEY, Dayton. WILLIAM DUNLEAVY, Dayton. KING YEN LUN, Chinaman, Columbus, Ohio. C. B. GRANT, Springfield, Ohio. ONE UNIDENTIFIED WOMAN, about 40 years old. UNIDENTIFIED MAN, initials "W. A." on clothing. TWO UNIDENTIFIED MEN, supposed to be from Dayton.

Freight Trying for Siding. The trains were the Cincinnati section of the Twentieth Century Limited on the Cleveland, Cincinnati, Chicago & St. Louis railroad (Big Four) and the second section of a freight train on the Cincinnati, Hamilton & Dayton.

The latter was attempting to make a siding to give the passenger train a clear track when the flying limited, traveling fifty miles an hour, flashed around a curve and crashed into it.

The Big Four train had been detoured to avoid a blocked track on that road at Genoa, a few miles south of here, caused by a freight wreck earlier in the day. In addition to its regular crew it carried a pilot engineer of the Cincinnati, Hamilton & Dayton road, who was practically in charge of the train. A misunderstanding of orders caused the disaster.

Saliers are Fined. Norfolk, Va., July 5.—Nearly a score of United States sailors were fined in court today for an assault on negroes last night following the announcement of the fight.

POLICE SEARCH FOR CRACKSMAN

SAFE AT WASHINGTON BLOWN OPEN AND \$15 TAKEN—MAY BE OTTUMWAN.

The Ottumwa police are searching for the cracksmen who blew open a safe at Washington Sunday night, July 3, and stole \$15. The Washington and Ottumwa police believe that the work was done by an amateur safe blower from Ottumwa as a new brace and bit were found on the floor, wrapped in the paper of the McCarrall hardware store. The safe blower was not molested and made good his escape. While the explosion was heard by several Washington people, they thought nothing of the matter, imagining that it was some youngster firing off some large crackers, and the robbery was not discovered until yesterday morning when the proprietor opened the store. The Washington police suspect a young man about 25 or 30 years old, who wore dirt-covered trousers and had a bad appearance, as the man who committed the robbery. William McMire of Marshalltown and Harry Cyde of Cedar Rapids were arrested yesterday by Officer Levi Noah upon the charge of petty larceny. The two men are accused of stealing a pocketbook containing \$1 from the coat of William Drenth at the union station. The two men denied the charges this morning and will have their preliminary trial tomorrow morning at 9 o'clock.

BALLINGER AT BEVERLY

Secretary Denies He Will Resign Office After Conference With Taft.

Beverly, July 5.—Secretary of the interior Ballinger today had a conference with Taft on the reorganization of the reclamation service. The usual corp of resignation rumors came with the secretary, but he put a quiescence on these. "I didn't bring along any resignation and don't intend to leave any," he said reports that a complete reorganization of the interior department might follow the secretary's visit are said to be entirely without foundation.

FIREWORKS INJURES ONE

Mrs. Ed Jones Was Only Eldon Resident Who Suffered From Fourth.

Eldon, July 5.—(Special).—Carelessness was the cause of the igniting of the fireworks in the Big Four fair grounds last night, but fortunately only one person was injured. Mrs. Ed Jones was struck by a sky rocket and severely injured in the limbs. She was removed to her home on a stretcher. Twelve thousand people crowded the grounds and order was excellent. Only two drunks were noticed in the vast crowd. The program was carried out to the letter and thoroughly enjoyed.

RENO IS BUSY DISGORGING FIGHT CROWDS

IN LESS THAN AN HOUR AFTER FIGHT WAS ENDED EXODUS WAS ON; JOHNSON LEAVES; JEFFRIES IN SECLUSION.

JACK COULD HAVE WON BOUT SOONER

SPORTS REMAINING AT RENO SAY BLACK MAN WAS WILLING TO PROLONG FIGHT TO AID THE MOVING PICTURE FILMS.

Reno, July 5.—Reno is as busy disgorging the fight crowds today, as it was Saturday and Sunday welcoming them. The getaway began three quarters of an hour after Jeffries went through the ropes yesterday afternoon. Trains followed one another out of the city in quick succession.

With Johnson the undisputed world's champion the next question is, who will wrest it from him: Ring followers agree that no man now in the game measures up to the job.

No one knows how many people saw the fight or what the receipts were. The lowest estimate of the gate money is \$230,000; and the highest \$270,000. Guesses of the promoters' staff place the attendance at from 18,000 to 20,000. At all events it was the biggest crowd that ever saw a fight and the rates were so far ahead of any other engagement that the record disappears.

In all the fight talk one thing stands out sharply, there is no more mention of Johnson's "yellow streak." The Jeffries people had little to say. They are too sorely hurt and disappointed. At Moana Springs an air of gloom hung over the defeated man's quarters. Workmen were busy tearing down the boxing platform and gymnasium equipment. True to his character the vanquished fighter remained hidden from the gaze of chance visitors. Jeffries reiterated his purpose of departing for his home in California as soon as arrangements were perfected.

Johnson withdrew from his private car last night. He was scheduled to leave for the east at 9:45 p. m. but his departure was delayed until 2 o'clock this morning by a tie up in railroad trains. Only a few were present when the champion went out. There was little cheering.

Rickard Interviewed. "Well its over. I am happy today" was Rickard's greeting to the newspaper men. "It went through without a hitch. We hold the world's record by a thousand on gate receipts, besides our interests in the pictures."

Neither Johnson nor Jeffries has any interests in the pictures. Jeffries sold his third for \$66,000; and Johnson got \$50,000 for his. It was a wonderful crowd in many ways. No one ever saw a more orderly one.

There was practically no police protection.

Johnson Prolonged Fight.

The talk of the sporting authorities still remaining here deals with the amazing superiority of Johnson in yesterday's battle. It is agreed Johnson could have put his man out much sooner, but it is said he wished to give the moving picture men films of proper length.

Stories are told of attaches of Jeff's camp who hedged at the last moment.

As Jeffries walked around the house this morning his stride was not visibly unsteady, but his big head hung down on his breast. The swelling around the right eye was very evident. There were numerous slight bruises and contusions around the nose and mouth.

Division of the Purse.

Returning to his cottage Jeffries went out on the lawn and sat down, his head hanging down and his eyes fixed on the ground. Every move stamped him a beaten, disheartened man. He took no part in the talk about him.

Johnson is \$120,000 richer today. He took 60 per cent of the purse and a bonus of \$10,000, and sold his picture interests for \$50,000. Jeffries received a total of \$117,000. The owners of the picture film are calculating on a million dollars profits.

Quiet in Chicago.

Chicago, July 5.—Although Chicago is the home of Jack Johnson and most of the colored population boast truthfully or otherwise, of some acquaintance with him, the celebration of the black man's victory did not result in overburdening of the courts today. Those charged with disorderly conduct numbered thirty-six.

Twenty-four Fights at Newport. Newport, R. I., July 5.—Twenty-four fist fights between negroes and whites as the result of Johnson's victory occurred last night. In many instances the white soldiers were the aggressors.

American Girl Wins High Honor For Her Husband and Herself

MRS. LEWIS HARCOURT, FORMERLY MISS MARY ETHEL BURNS, DAUGHTER OF W. H. BURNS OF NEW YORK CITY.

London, July 5.—King George's cabinet decision to appoint Hon. Lewis Harcourt viceroy of India to succeed Lord Minto is ascribed to the power an. Mrs. Harcourt herself, who was Miss Mary Ethel Burns, daughter of W. H. Burns of New York city. Having been the transcendent cause of her husband's ascendancy in British politics, Mrs. Harcourt will divide honors with him when he takes control of affairs in India. It is predicted that she will be even more popular as vicereine than was either the gentle Mary Letler, wife of Lord Curzon, or the tactful Lady Minto. Her beauty and accomplishments are the talk of London society. It was under the reign of King Edward VII that Mrs. Harcourt achieved universal distinction in British society of the highest circles. Many rich women give parties throughout the London season without ever becoming recognized as "hostesses." Their entertainments are taken as a matter of course. The women themselves fall to impress their individuality on the guests. With Mrs. Harcourt, however, all was different.
