

CLINT PRICE WELL PLEASSED

DEMOCRATIC STATE CHAIRMAN ELATED OVER LOCAL'S PLAN FOR STATE CONVENTION.

Clint Price of Indianola, democratic state chairman expressed himself today as greatly pleased with the arrangements being made by the Ottumwa Commercial club and the citizens of Ottumwa for the democratic state convention here July 27. State Chairman Price was a visitor in Ottumwa today and was the guest at the noon day luncheon of the directors of the Commercial association. He addressed the body and stated that the democrats were exerting every effort to make it one of the largest gatherings in the history of Iowa democracy. He was elated over the outlook for the convention in Ottumwa and stated that he knew that Ottumwa could care for the hundreds of visitors who would be here. Mr. Price's visit to the city was to look over the plans and arrangements for the convention which will be the largest gathering in Ottumwa this year. While pleased with the local convention plans, Mr. Price was also optimistic over the democratic outlook for this fall at the polls and while here conferred with the leading democrats of the county.

Mr. Price himself is a candidate for office, running against Judge Prouty of Des Moines for congressman from the seventh district. The democrats will open state headquarters in the observatory building at Des Moines Thursday and Mr. Price and N. F. Reed of this city will be in charge. Mr. Almsworth of the Western Union Telegraph company is expected in the city almost any time to see what facilities are here for carrying the line which will be installed in the Grand Opera house and the doings of the convention will be made known nationwide.

We can always look you straight in eye and say "All Leather." Paper makes poor shoes and dissatisfied customers. Paper is no friend of ours. Try us on the next pair and learn the value of leather—All Leather.

POSTMASTERS HOLD SESSION IN Y. M. C. A. AUDITORIUM DISCUSSING CONDITIONS.

NIMOCKS HONORED

Ottumwan Made Secretary and Assured of League to Ottumwa Next Year—Association to Broaden Scope.

In a meeting that makes up in enthusiasm for what it lacks in numbers, the fourth annual convention of the Ottumwa district of third and fourth class postmasters is in session today at the Y. M. C. A. auditorium. By the suspension of rules, the election of officers took place before the dinner hour adjournment instead of going over to the last number of the program as has been the custom. The old officers were re-elected with the exception of the recording and financial secretary which position was given a former incumbent, H. C. Paddock of Clio, the oldest man at the convention. Postmaster Frank A. Nimocks of Ottumwa was given the corresponding secretaryship, a newly created office in the association. The selection of Mr. Nimocks was made to create a boost spirit for the organization and to bring out a large number to the convention next year, which upon the invitation of the local postmaster was voted to be held here.

Will Embrace All P. M.'s.

A letter was read from F. M. Mathews of Udell, the secretary of the district league who tendered his regrets for being unable to attend and his place was supplied by H. C. Paddock of Clio. The sentiment for boosting and spreading out was injected into the convention by Postmaster Nimocks who stated that the title of the association being given as third and fourth class postmasters, left the impression that those of the first and second class officers were not wanted nor holding interests in common. The sentiment soon asserted itself for the broadening of the scope of the association and in the selection of the secretary he was urged to use his influence and best judgment in attracting the first and second class postmasters of the district into the cause. The hope is to make the organization a power for the betterment of the service and with Secretary Nimocks, Inspector J. W. Wellburn of this city will be pressed into service. Following the election of officers the convention adjourned until 1:30 p. m.

CHILDREN GIVEN \$1,000 CHECKS

A. B. EICHER AT FAMILY REUNION GIVES HIS CHILDREN UNUSUAL SURPRISE.

Jefferson, July 12.—A dinner fit for kings, topped off with gifts of \$1,000 each to the diners, is a combination of good things calculated to make this world seem a very bright and happy place. Just such an event occurred in Jefferson, at the family reunion in the A. B. Eicher home.

At the urgent invitation of Mr. Eicher all the children came from distant parts to a "homecoming celebration," and when grace was said at his table that day noon, he looked into the faces of all his children. There were J. A. Eicher and wife, of Brunson, Colo., James I. Eicher and wife of Larchwood, Ia., John M. Young and wife, of Wolfson, New Mexico; and Mrs. A. J. Banks of Jefferson. In addition to these, nearly all the grandchildren were present. At the close of the feast Mr. Eicher arose and with a few appropriate words passed thousand dollar checks to the heads of each of the families represented, accompanying the gifts with the kindest of fatherly good wishes. The beneficiaries made suitable acknowledgment of their gratitude, and there followed and is still in progress a family visit which will be cherished in the memory of all present as the happiest incident in their lives.
