Brighten Up Everything With Perma-Lac

All you need is a brush and a can of Perma-Lac. A few minutes of your time and one application of the article will produce surprising results. It works like a charm—anyone can apply it successfully.

You can make old furniture look like new.

In many cases you will have a more expensive looking table, bookcase, lounge or rocker than you had the day you bought it.

Use Perma-Lac

also on the woodwork, floors, doors, stairs, railings, landings—everywhere—on anything that needs to be freshened up. Made in stains and solid shades.
