FALLING HAIR

Can Easily Be Stopped, Also Dandruff and Itching Scalp.

If Parisian Sage doesn't stop falling hair, itching scalp, and eradicate dandruff in two weeks, F. P. Hofmann stands ready to refund your money without argument or red tape of any kind.

Parisian Sage will put a fascinating radiance into any woman's hair in a few days. It quickly cools the scalp and drives away all obnoxious odors. Susanne Calahan, of Hotel Royal, Bucyrus, Ohio, on March 25, 1910, writes: "Last August my mother's hair began to come out very badly and her scalp was so sore it was very hard to do anything for it. We decided to use Parisian Sage and it proved a GRAND SUCCESS in every way. Her hair stopped coming out, dandruff all disappeared, soreness all left the scalp and her hair is coming in again very nicely. We only used three bottles. "We recommend it to every one needing it and feel that we cannot praise Parisian Sage too highly."

Parisian Sage is sold by druggists everywhere and by F. P. Hofmann for 50 cents a large bottle. Mail orders filled, charges prepaid, by Giroux Mfg. Co., Buffalo, N. Y.

ST. PAUL PASS IS GUARDED BY FORMER OTTUMWAN WHO TRAVELS IT TWICE A DAY

The huge tunnel on the Milwaukee's Pudget Sound line has been commented upon considerable in the engineering and railroad press of the country and is known as the St. Paul Pass. A former Ottumwan who is employed at the big tunnel has written regarding the great piece of engineering and tells of its immense size. He states that it is two and a fourth miles in length and that it took three years to build it. That from 400 to 1000 men were employed on the job all of the time during its building. A huge staff machine handles the trains through it and but one train at a time is permitted to enter the tunnel. It extends from East Portal, Mont., to Roland, Idaho. The tunnel has as its watchman a former Ottumwan named J. F. Kite. He has to make two trips each day amounting to nine miles and lives in the lonely mountains with the two telegraph operators, Geo. Betts and Floyd Wilson. The trio have a neat and cozy home on the mountain side.
