Some Suggestive Questions on the Sunday School Lesson For Sept. 4

FOR THE INTERNATIONAL NEWSPAPER BIBLE STUDY CLUB. (Copyright, 1910, by Rev. T. S. Linscott, D. D.)

(Copyright, 1910, by Rev. T. S. Linscott, D. D.)

Two parables of Judgment, Matt. xxi:33-46.

Golden Text—Therefore say I unto you, the kingdom of God shall be taken from you. Matt. xxi:43.

Verse 33—Who does the "householder" represent in this parable?

Who do the husbandmen represent? What had God committed to the Jews, as a people, and what special things had he done for them?

What special responsibilities has God given to our nation? and to us as individuals? (This question must be answered in writing by members of the club.)

Verse 34—Can you give any case of God expecting, or demanding, fruit when He has not furnished the garden and the fruit trees?

What sort of fruit does God expect of us having regard to our responsibilities, and to what He has given us in the nature of seed?

From the suggestions of this parable, what kind of fruit did God expect of the Jewish nation?

Verse 35-36—What is the evidence that the Jews ever did anything to God's servants, corresponding to the statement in these two verses?

When God sent his prophets, to the Jews, did he plan for them to be received or rejected?

Verse 37-39—What did God desire, and expect, of the Jews, when He sent Jesus to them with a message of love, in which were potential, political, and spiritual freedom?

What did the chief priests expect to accomplish when they caused Jesus to be crucified?

Verses 40-41—When God saw they had crucified Jesus was He pleased because His plans were carried out, or angry at them for thwarting His best plans? Give your reasons.

What is the evidence that God destroyed the Jews, their city, and their temple, because they rejected and slew His son?

In what way was the statement in the parable, "and will let out his vineyard unto other husbandmen," fulfilled?

If the Jews had accepted Jesus what would have been the probable result to them, and to the kingdom of God on the earth?

Verses 42-43—Here Jesus changes the figure from a vineyard to a building, what is the question, and where did Jesus quote from, concerning the stone which the builders rejected? (See Ps. 118:22-23.)

According to the thought of Jesus, who did the stone stand for which the builders rejected, and who were the builders?

Why did the builders reject this stone?

What is today the chief thought in theology, the chief inspiration in Christian poetry, the chief theme of the pulpit, the chief influence in character building, and the dominating influence in the church and the world?

Verse 44—What is the most falling result to individuals and nations who oppose Jesus Christ?

Verses 45-46—When the wickedness of the confirmed wicked is revealed to them by the faithful preacher, how do they generally feel toward him?
