DIETZ FAMILY TO FACE COURT

(Continued From Page 1.)
 spread interest. The surrender did not come, however, without death and bloodshed. One man is dead, three men and a woman are wounded, and much property has been destroyed.
 The dead:
 OSCAR HARP, 35 years of age, deputy sheriff.
 The injured:
 John F. Dietz, 49 years of age, defender of Cameron dam, shot through the hand.
 Chester Colepuch, 35, deputy, right ear shot off.
 Clarence Dietz, shot through arm.
 Myra Dietz, shot through body, will recover.
 The last two named children of John Dietz, were shot last week by deputies.
 Harp was found on a hill behind the

Dietz cabin with a bullet hole in his head.
 Dietz was not wounded during the morning fusillade as had been supposed. His drop to the ground was merely a ruse to fool the deputies. He was injured, however, while firing from the barn during the afternoon when a bullet went through a crack and passed through his left hand.
 Dietz denied that the wound caused him to surrender. To Father Joseph Pilon, the priest who was largely instrumental in bringing the long drawn out contest to a close, he whispered that a baby was about to be born to his wife and he feared that both she and the infant might die.
 The surrender of Dietz was extremely dramatic. The alert lumber men, leaning on their rifles at the edge of the clearing and gazing intently at the windows of the log cabin, suddenly saw the flutter of a white handkerchief at the door. Then little Helen appeared, and, advancing with the cloth over her head, walked to the edge of the clearing, where she announced that her father was willing to surrender.
 The people of Beaudette and Spooner and the settlers all through the north central part of the state have lost everything. Five thousand are homeless and the greater part of them absolutely destitute. Help must reach them in the next day or two and that in a substantial way, as the greater part of them are but half clad.

 one of five were destroyed on Friday night.
 A tornado of fire struck Beaudette and Spooner and within three minutes after the first alarm every building was ablaze and within half an hour they were heaps of ashes. The people of these two towns had just sufficient time to get out of their homes with what they had on their backs. They were loaded onto a passenger train that was standing at the depot and taken to Rainy River, Ont.
 East Country Afire.
 The whole country east of here is on fire. Roosevelt, Swift, Williams and Cedar Spur are in great danger. All the women and children are being rapidly removed to places of safety. The Canadian Northern railway has stationed trains at every station at the service of the people and is doing everything in its power to relieve the situation.

 Walks Over Dead Bodies.
 Canadian Northern railway trains

have been stalled here since Friday night, when a freight train went through a bridge near Pitt.
 The crew was saved and Conductor Monohan walked into Beaudette, which town he reported as destroyed, only the water tank, the school house walls and the depot standing. Monohan says he walked over dead bodies on the way, but could not tell how many. Many settlers took to the woods and have not been heard from since. A mother and five children are known to have burned. The fires are still raging and the smoke is dense. The saloons in Roosevelt were closed by the mayor.
 Fire in Rainy River.
 Rainy River, Oct. 10.—This town was on fire yesterday from the International bridge to Sixth street, a distance of half a mile. Included in the burned area are the Rat Portage Lumber company's mill and lumber yard containing 10,000,000 feet of lumber, the Western Canada Flour Mills company and the surrounding buildings.
 Fifty houses were burned and scores of people are homeless. Fire is raging in the woods as far as can be seen along the south bank of Rainy river.
 Iowans Among Victims.
 Among the dead in this vicinity are John Simmons of Red Oak, Ia., a timber ranger, who was caught by flames on the railroad track while he was trying to escape to Rainy River, and four land speculators from Davenport, Ia., recent arrivals at Beaudette, who were

caught by flames while they were out looking for homesteads on the south side of Beaudette river.

 lieutenant attending them. The people along the route cheered enthusiastically and the king and queen bowed their acknowledgements smilingly.
 At the entrance to the church Mgr. Chincota received them and conducted them to seats near the high altar, not far from the beautiful stained windows recently placed there as memorials to the murdered King Carlos and the crown prince.
 Manuel Bids Adieu to Crew.
 On their departure from the church the members of the party were cheered again. Before they left the yacht King Manuel said farewell to all the crew, who kissed his hand.
 While the others were attending church the Dowager Queen Maria Pia landed and drove to the government house. The whole party had luncheon with the governor, Sir Archibald Hunter. Sentries were doubled and strong police patrols were stationed outside the house.
 Quantities of baggage and furniture have been unloaded from the yacht. Apparently they had been placed on board some time ago in preparation for a possible flight.

DEATHS.

EDWARDS.—Tuesday, October 4, 1910, at the home of its parents, near Muscatine, the infant daughter of Mr. and Mrs. Ernest Edwards, former residents of Ottumwa. The baby was born in September.
