## GIVES KENDALL CREDIT FOR WORK

R. WILLIAMS OF OLIVET DETAILS WHAT SIXTH DISTRICT CONGRESSMAN HAS DONE.

### HIS GREAT EFFORTS

After Investigating Record of Representative in National House, Former Ottumwa Relates Activities of Alban.

After thoroughly investigating the record of Congressman N. E. Kendall during his term in congress, R. Williams of Olivet, formerly of this city, has come out in an interview favoring the re-election of Mr. Kendall. "It is with much pride that I say that Mr. Kendall has responded to every call without evasion, hesitancy or excuse during the last session of congress," says Mr. Williams. Mr. Kendall voted for the following measures, which were passed and of especial interest to labor:

"The railroad employees' standardization of equipment bill, (a safety appliance act), on December 15, 1909.

"The mine workers' bureau of mines bill, January 25, 1910.

"The amendment to the employers' liability act, February 23, 1910.

"The eight hour amendment to the appropriation bill for the construction of revenue cutters, March 2, 1910.

"The eight hour amendment for the construction of battleships, colliers and other vessels of the navy, April 8, 1910.

"The postal savings bank bill, which passed the house June 2, 1910.

**Active For Miners.**

"Mr. Kendall took an especially active part in the house in behalf of the mine workers' bureau of mines bill. His speeches upon the subject were carefully prepared and excellently delivered, and it is no more than right to extend every credit to Mr. Kendall for his active work in behalf of this very necessary and meritorious legislation.

"From the commencement of the second session of the sixty-first congress Mr. Kendall made a special effort to advance the eight hour bill, (H. R. 15441), endorsed by the American Federation of Labor, and when he found it impossible to secure action by the house committee on labor, he introduced house resolution No. 708 on May 19, calling for the discharge of the house committee on labor from further consideration of the eight hour bill, (H. R. 15441), and that the bill be immediately considered in the house as though regularly reported by said committee. This resolution was referred to the committee on rules, of which Representative Dalzell of Pittsburg is chairman.

**Worked For Eight Hour Law.**

"The house committee on rules neglected to give the bill any consideration; therefore, without undue delay, Representative Kendall on June 4, introduced an amendment to the sundry civil bill providing that all public work included in that appropriation bill, for the United States government, by contractors and sub-contractors, should be performed under the eight hour regulations. The amendment was ruled out of order by Mr. Mann who is chairman of the committee of the whole house, and on an appeal being taken, the house sustained the decision of the chair and rejected the amendment on the ground that it would have applied to unfinished contracts.

"Mr. Kendall immediately followed the subject up by making another eight hour amendment with the provision that it should cover all new contracts to be let under the bill. It was immediately objected to by Mr. Tawney, of Minnesota, and the amendment was ruled out on a point of order by the chair.

"On June 2, 1910, the house, while in committee of the whole, adopted the

following proviso by Hughes of New Jersey, in the section of the sundry civil appropriation bill, making appropriation for the prosecution of violations of the anti-trust law. This proviso was framed by labor:

"Provided further, that no part of this money shall be spent in the prosecution of any organization of individuals for entering into any combination or agreement, having in view the increasing of wages, shortening of hours, or bettering the condition of labor, or for any act done in furtherance thereof not in itself unlawful.

"On June 9 this proviso was stricken from the bill when it was reported to the senate by the appropriation committee and the senate, on a record vote of thirty-four 'yays', sixteen 'nays', and forty-two 'not voting' sustained the action of the appropriation committee.

**The Vote on the Matter.**

"On June 21 a motion was made in the house to instruct the conferees to insist upon disagreeing with the senate. The motion, carried by a vote of 154 'yays' to 105 'nays', twelve answering 'present' and 119 'not voting'. This record vote in the house was an endorsement of its action in favor of the Hughes amendment when it was added to the bill while the house was in committee of the whole. Mr. Kendall is recorded as voting 'aye' on that date and in favor of the proviso.

"On June 23 the conferees reported to the house a disagreement on this proviso and recommended that the house recede and concur, which meant that the house agree with the senate and eliminate the Hughes' proviso from the bill. The motion carried by a vote of 138 'yays' to 130 'nays', ten answering 'present' and 105 'not voting'. By this vote the house of representatives repudiated its former action taken on June 2 and June 21, when it adopted the Hughes' amendment and instructed its conferees to retain it in the bill. This last vote was the determining factor in which the house of representatives placed itself on record as being opposed to any organization or individuals making an organized effort to increase wages, to reduce hours, or to better the condition of labor—organized or unorganized—without running the risk of criminal prosecution under the provisions of the anti-trust law. On this final and most important vote Mr. Kendall is recorded as voting 'nay' or in favor of retaining the proviso, and while the discussion was on in the house, Mr. Kendall was actively endeavoring to secure support for this very essential amendment to the sundry civil bill.

**Was Labor's Friend at All Times.**

"During the session of congress just closed, Mr. Kendall took a very active part in the house in favor of restoring genuine representative government.

He opposed the arbitrary interpretation of the more arbitrary house rules and by Speaker Cannon. Every credit should be given to Mr. Kendall for his indefatigable and successful work in this direction. Mr. Kendall has declared himself in favor of the Wilson bill, No. 25138, granting relief for the injunction abuse and including an amendment to the Sherman anti-trust act.

"He has declared himself and worked faithfully and vigorously to secure the enactment of the eight hour bill, H. R. 15441. He has given every evidence of being faithful to his great trust and has never hesitated to serve the cause of labor and the best interests of all the people whenever the opportunity has been afforded him.

"I hope that this may be of service to the cause of labor and the whole people."

**Flora Minnie Edwards.**

Flora Minnie Edwards, the infant daughter of Mr. and Mrs. Ernest Edwards, died October 8, 1910, at the family residence in Muscatine, at the age of twenty-nine days. The bright little face was lots of company but she has gone home to rest. She leaves

to mourn her loss, her parents, grandparents, six uncles and five aunts. The funeral services were held at the house and Elder Dykes of the Reorganized L. D. S. church was in charge. Interment was made in Greenwood cemetery at Muscatine. Contributed.

**William Brady.**

William Brady was born in Wapello county, January 11, 1884. He lived most of his life in Ottumwa, Iowa, on August 19, 1903, he married Miss Anna Smith of Ottumwa, with whom he lived a happy life until the day of his departure. During the past winter, when the Brotherhood of the East End Presbyterian church were holding evangelistic services in the chapel, God spoke to his soul and he was soundly converted and confessed Christ as his savior. He afterward with his wife united with the East End Presbyterian church. During all of his illness he was greatly comforted in the faith of Christ, and all who knew him plainly saw that God had wrought a marvelous change in him. He was always appreciative of all the kindness that was shown him during all those weary days by his many kind friends. He passed away peacefully, Friday morning, September 30, 1910, aged 26 years 8 months and 19 days.

He leaves behind to mourn his departure three young children, Everett,

George and Helen Smith, with their mother, his grandfather, Andrew Hopkins; his mother, Mrs. Mary Morrison; three sisters, Mrs. John Howard, Mrs. Will Freeman and Mrs. Charles Spurlock and two brothers Frank and Charles Brady also survive him.

Surely he has gone to be with him who said, "In my father's house are many mansions; if it were not so, I would have told you; for I go to prepare a place for you." W. H. Hormel.
