More than a dozen witnesses have thus far been heard and but a few remain before the case will be argued which is expected to be tomorrow afternoon. The case is one of these estate disputes wherein a claim that had been allowed Fred C. HOME BURNED TO GROUND

HOUSE IN RIVERVIEW TOOK FIRE FROM UNKNOWN ORIGIN THIS MORNING—LOSS \$700.

The home of Charles Weninger in Riverview was burned to the ground this morning by a fire of unknown origin with a loss of about \$700, partly covered by insurance. There was no one at the house when the fire started and it was all aflame before detected. Mr. Weninger states that about \$35 in currency and silver was lost in the blaze. Owing to a mistake in the location of the fire, the fire department did not reach the place until the house was almost destroyed. Chief Tomlin stated today that the alarm came in about 10 o'clock through the telephone central and was reported to the department as Fairview instead of Riverview. The two central station wagons immediately started for the west end and only to be halted at Clay street and sent to Riverview, the central girl having corrected her mistake after their departure from the station. Since Riverview is outside of the water limit the chemical wagon alone proceeded to the fire.

All Piano Buyers Not Fools
Baker Sells a Carload This Week

Admitting that they are sick and tired of Fire Sales and Fake Puzzle Sales, people give their confidence and make easy purchases at Baker's. I am the only dealer in Ottumwa, or that ever was here, that buys high grade Pianos by the car load and sells direct from the great factories to the home. This week a large carload was sold to the following parties in different places:

- School Teacher—Fairfield.
- Teacher—Albia.
- Railroad Man—Eldon.
- Railroad Man—Hiteman.
- Dry Goods Dealer—Hillsboro.
- Express Agent—Ottumwa.
- Clothing Dealer—Fairfield.
- Christian Church—Batavia.
- Meat Man—Ottumwa.
- Railroad Man—Eldon.
- Barber—Ottumwa.

These are exclusive of several in rural districts that have staked their confidence and purchased my pianos the past week. I am not an agent. I am a dealer and I will always have a bargain for you if you will come and see me and tell me what you want. The only reason why everybody don't own Kurtzmann Pianos is because they buy some other before they see the Kurtzmann.
