

FOURTH GAME OF WORLD'S SERIES TO ATHLETICS

Mack's Team Falls on Christy Mathewson in Fourth, Capturing Lead That is Held to the End.

BENDER ON SLAB FOR THE CHAMPIONS

Indian Had One Bad Inning, the First, When a Single, a Triple and An Infield Out Brought Two Runs:

Shibe Park, Philadelphia, Pa., Oct. 24.—In the fourth game of the world's championship series which had been postponed five times, the Athletics today defeated the New York Giants by the score of 4 to 2.

The American league champions outplayed their opponents at all points of the game. They hit Mathewson harder than he had ever been batted in a world's championship game, and the hits came when they meant runs. Bender, on the other hand, pitched a steady, effective game throughout. In no inning, except the first, were the Giants able to bunt their hits. In the opening inning the visitors scored their only runs on a single, a triple and an infield out. After this inning they gathered five hits. The local team started on Mathewson in the second inning when Murphy and Barry each singled. The Waterloo came in the fourth inning when successive doubles by Baker, Murphy and Davis, an infield out, netted three runs. This seemed to unnerve the wonderful Mathewson and he was not the same steady, deceptive twirler that the Athletics have battled against in the other games. Mathewson retired in the eighth inning, allowing Becker to bat for him, and Witale finished the game with one hit being scored against him.

Umpire Dineen called play ball at 2 o'clock sharp.

First Inning.
GIANTS—Devore reached first on an infield single. Bender diverting the direction of the ball, but was too late for Barry to handle. Doyle drove the first ball pitched to right center for a triple, scoring Devore. On Snodgrass' fly to Lord, Doyle scored. The New York rooters made the stands shake with their yells. Murray was retired at first. Davis unassisted. Merkle struck out on three pitched balls. Two runs; two hits; no errors.

Second Inning.
GIANTS—Herzog lifted a fly to Oldring. Fletcher drove a single over Barry's head, his first hit of the series. Meyers' high fly fell safely between Baker, Bender and Thomas, but Fletcher was thrown out at second. Thomas to Collins. Mathewson

rolled an easy grounder to Bender and was out at first. No runs; one hit; no errors.

ATHLETICS—Murphy drove the ball over the temporary fence in right field for two bases. It was the first hit he had made during the series. Murphy took a long lead off second and Mathewson attempting to catch him, made a wild throw to Fletcher, Murphy taking third. Davis dropped an easy one in front of the plate and was thrown out at first on a very close decision. Mathewson to Merkle. Murphy attempted to squeeze play, but Barry missed the ball and Murphy was run down by Meyers unassisted. Barry made an infield single. The ball rolled along the left field base line, Mathewson and Herzog waiting for it to roll foul, but it stopped on the line. On the attempt to hit and run play Thomas fouled to Meyers. No runs; two hits; one error. Mathewson was pitching pretty ball, having struck out three of the Athletics' hardest hitters.

Third Inning.
GIANTS—Devore lifted a fly to Oldring. Doyle hit a high one between home and third which Baker took care of. Snodgrass hit a bounder to Barry and was out at first. No runs; no hits; no errors. As the center fielder rounded first base he was hooted by the crowd in the bleachers as he walked to his position.

ATHLETICS—Bender was thrown out at first. Fletcher to Merkle. Lord hit the first ball pitched to right field for a single. He was forced a moment later. Fletcher to Doyle on Oldring's grounder. Collins struck out on three pitched balls. No runs; one hit; one error.

Fourth Inning.
GIANTS—Murray lifted a fly to Baker. Merkle after fouling off a half dozen balls, struck out the second batter. Herzog bunted towards first, but was out by Davis, unassisted. No runs; no hits; no errors.

ATHLETICS—Baker doubled to left center. He was given a great cheer. Baker scored on Murphy's double to left. The stands and bleachers simply went wild. It was one and one, a man on second and none out. Murphy scored on Lord's double to right. The cheering which began when Baker made his two base hit, continued for several minutes. There was a conference and Marquard and Ames were sent down the right field to warm up. Davis reached third on Barry's hit to Herzog. Barry was out at first. Davis came home on Thomas' fly to Murray. This put the Athletics in the lead 3 to 2. Bender was out at first on a sensational pickup and throw by Fletcher. Three runs; three hits; no errors.

Fifth Inning.
GIANTS—On a wonderful pickup and throw of a slow grounder Fletcher was retired at first. Baker to Davis. Meyers drove the ball to right for two bases. On a short passed ball Meyers attempted to take third, but was out on a beautiful throw. Thomas to Baker. Mathewson was given his base on balls, the first of the game. Devore raised a fly to Lord, and was an easy out. No runs; one hit; no errors.

ATHLETICS—Lord was out at first on an easy bounder. Merkle to Mathewson. Herzog made a pretty stop of Oldring's hard grounder and got the runner at first. Collins drove a single to right field and Baker came to the plate. On the first ball pitched he hit to right center for a double, scoring Collins. Baker took third on the throw-in. Murphy struck out. One run; two hits; no errors.

Sixth Inning.
GIANTS—Doyle was given his base on balls. Snodgrass was called out on strikes, not hitting a single ball. On Murray's foul fly to Baker, Doyle was doubled up at first. It was a very stupid play by Doyle and was partially due to bad coaching. Barry was partly responsible for the play as he made a bluff to scoop an imaginary grounder. No runs; no hits; no errors.

ATHLETICS—Herzog made a sensational pickup of Davis' hard grounder and got the runner at first. The New York third baseman was given a great hand. Snodgrass misjudged Barry's long fly and the Athletic shortstop was credited with a two base drive. Barry reached third on Thomas' hit to Fletcher. Thomas died at first. Herzog threw Bender out at first. No runs; one hit; no errors.

Seventh Inning.
GIANTS—The Athletics had hit Mathewson for ten hits while the Indian had held New York to four. Merkle struck out for the third time. Herzog lifted a high fly to Oldring and sat down. Fletcher drove a single to center. Chief Meyers went out, Collins to Davis. No runs; one hit; no errors.

ATHLETICS—Fletcher fumbled Lorr's grounder long enough to allow the batter to reach first. Oldring placed a pretty bunt down the first base line, out, Merkle to Doyle. Collins bunted and was out by Merkle, unassisted. Baker again stepped to the plate and there were cheers for him to knock the ball over the fence. Four wide ones in succession were given the Athletics' third baseman and he walked. Murphy drove a hard grounder to Merkle and was out. No runs; no hits; one error.

Eighth Inning.
GIANTS—Becker went in to bat for Mathewson. Becker was thrown out, Collins to Davis on an easy chance. Devore drove a beautiful single to left and Captain Doyle stepped to the plate. His hit to Collins forced Devore to second. Barry getting the put out, Baker momentarily fumbled. Snodgrass' hard grounder and the runner was safe at first. Murray lifted a high foul which Thomas took care of. No runs; one hit; one error.

ATHLETICS—Witale went to pitch for the Giants. Davis was the first man to face the New York left hander. He retired on three pitched balls. Barry doubled to right and went to third on Murray's return of the ball, which was a trifle high. Fletcher not being able to reach the throw. On Thomas' hit to Herzog, Barry was run down between home and third. Herzog getting the put out. Thomas went to second on the play. Bender was out at first, on an easy bounder to

Merkle unassisted. No runs; one hit; one error.

Ninth Inning.
GIANTS—Merkle up. He, after fouling one ball doubled to right. Herzog went out on a grounder. Baker to Davis, Merkle taking third. Fletcher lifted a fly which Collins took care of. Meyers then stepped to the plate. He was out on the first ball pitched. Collins to Davis. Final score:

R. H. E.
New York . . . 2 0 0 0 0 0 0 0 0 2 7 3
Philadelphia . . . 0 0 0 3 1 0 0 x 4 11 1
Batteries—Mathewson, Witale and Meyers; Bender and Thomas.

Frank Baker, the Athletics' home run hitter, appeared to be the hero of the crowd. He was cheered as he came to the bat for the first time in practice and a storm of applause swept the grounds as he put the first ball pitched to him by Pitcher Martin over the right field wall. The next ball sent up to him he drove to deep center field.

There was little animation shown by the arriving throngs until the players of the two teams arrived. The Athletics straggled in by ones and twos and the Giants came in a body at 1 o'clock.

Both teams were cheered as they took their turn at practice. Devore, left fielder for New York, who was reported sick this morning, was in uniform among the Giants and if he was ill in the forenoon he gave no evidence of it in the way he traveled around the field.

Dineen took his position as umpire back of the plate; Klem was on the bases; Connelly went to right field, and Brennan to left.

Sum Makes Fans Happy.
Thousands of baseball fans were made happy when they saw the clear weather today for the much postponed fourth game between the Philadelphia Athletics and the New York Giants in the series for the championship of the world. There was no "flare back" of the weather of the last six days and after an enforced rest of a week the two champion ball teams met on Shibe park field at 2 p. m.

The playing field was still somewhat heavy, but its condition was as good as a big squad of men could make it. Groundkeeper Schroeder had a force at work most of the night filling up the holes and hardening the surface. Schroeder announced in the morning, after he saw the sun come up, that the field would be in good shape by the time the game is to start.

The bright weather brought out the fans early. Before eight o'clock there was several hundred in line at Shibe park waiting for the bleacher gates to open. By the time the gates were opened shortly after 9 o'clock there were about 2,000 persons congregated about the entrance. Both teams are in fit condition for the game.

The wounds inflicted upon Frank Baker, the Athletics' hero batsman, by Centerfielder Snodgrass of the Giants, are almost healed and gave the third baseman no trouble today. The "charley-horse" that First Baseman Merkle of the New York Giants has been carrying around with him, is also better.

BIG DAMAGES BEING SUED FOR

MAY SLAMAL WANTS \$20,000 FROM THE IOWA CENTRAL RAILWAY COMPANY.

JURY IS SELECTED

First Witness Heard Before Morning Recess; Blame Company Fag Condition in Yard at Oskaloosa.

An effort is being made in the United States court here today to secure damages in the sum of \$20,000 from the Iowa Central Railway Co. for the killing of one of its employes, Charles S. Robbins, who, when he met his death, was employed as a hostler's helper at Oskaloosa. The plaintiff is May Slamal, administratrix of the Robbins estate and she states in her petition that in the exercise of his duties as helper for the railroad company, Charles S. Robbins had to get off an engine and throw a switch, and that while doing such duties April 15, 1910, the engine was backed upon him and killed him. The claim of negligence is lodged against the railroad company through the failure to have it stracks in proper condition in the Oskaloosa yard. The claim is made that owing to the roadbed between the track having been washed out by a defective water main, in stepping from the engine to the ground Mr. Robbins caught one of his feet between the ties and was thrown down and killed without being able to warn the engineer of his plight.

Grand Jury Cases.

The grand jury has been out since yesterday morning and is expected to make a report of its findings this afternoon. Among the cases to be examined by this body is that of Ed. P. Riley, who sprang into the limelight some months ago by sending obscene and filthy letters to his daughter, Mrs. Ethel Tweedel. Extortion of \$100 is also a charge laid against Riley who served thirty days in the Oskaloosa jail for assault and battery on Mrs. Tweedel. Another of the cases being examined is that of Lawrence Marquette of Albia, held to the grand jury by Commissioner A. W. Enoch for giving the mails at Albia and securing bank drafts and other valuable papers to the extent of about \$3,000.

Jury is Selected.

The jury in the Slamal-Iowa Central case was empaneled by 10:30 a. m. and in order to permit one of the witnesses to leave for his home in Oskaloosa, the court permitted the taking of his testimony before the opening statement of the case was made to the jury. Following the few questions to the witness, who, being an undertaker and having a funeral at 2 o'clock this afternoon, was excused early, the court took the recess about 11 o'clock. The following were selected to serve on the jury in this case:

- John Bebb, Conroe.
- J. P. Hummell, Monroe.
- A. S. Rump, Albia.
- W. I. Smothers, West Grove.
- David Gordon, Montezuma.
