T. R. MEN WIN IN CALIFORNIA

ROOSEVELT-JOHNSON ORGANIZATION ASSURED CONTROL OF STATE CONVENTION.

San Francisco, Sept. 4.—Yesterday's primary election which gave the progressive party its first opportunity in California to test its strength assured the Roosevelt-Johnson organization control of the state convention that is to be composed of legislative nominees. This means that republican electors pledged to Roosevelt will go on the official ballot as the republican candidates.

Taft leaders, together with electors on the ballot, will be forced to resort to petitions.

Much interest centers in the congressional fight in which the progressives apparently carried a majority of the eleven districts. Early today the results appeared to be as follows:

First district—E. A. Hart, progressive; Second district—F. M. Rutherford, progressive; Third district—Charles F. Curry, republican; Fourth district—Julius Kahn, republican; Fifth district—John I. Nolan, progressive; Sixth district—J. R. Knowland, republican; Seventh district—James C. Needham, republican; Eighth district—E. A. Hayes, republican; Ninth district—C. W. Bell, progressive; Tenth district—W. D. Stephens, progressive; Eleventh district—L. C. Stevens, progressive.

Contests among democrats resulted in substantial victories for the Wilson forces over the old Clark element, championed by Former Committeeman Theodore Bell.

The vote was light yesterday, particularly in the northern half of the state. Women especially were inactive with the exception of the leaders, who enthusiastically helped in the voting booths.
