### Bear In Mind

—That this is the highest class stock ever put on sale in Iowa. Our regular values have never been equalled, so our stock has always been kept clean, no undesirable goods in it. The old concern has never put on a sale of this kind; they didn't need to clean up because the stock was always right. Now with the imperative need of quick action to reduce this great stock to fit our means, we have placed ridiculously low prices on the merchandise and believe that this sale will eclipse any Clothing Sale ever pulled off in Ottumwa. Every article will be marked in plain figures at the price it must bring, and the price will be lower than you expect.

# Personally

I wish to assure the buying public that I personally guarantee every promise of price and quality made in this advertisement. I personally write the ads and fix the prices. I will have sole control of the sale and it is needless to say I would not jeopardize the confidence of the people by misrepresentation, after eighteen years of hard work building up this business. We have leased the building for a long term of years, incorporated for 20 years and will take advantage of the situation to treat all customers in such a manner that will make every buyer, not alone a friend but a BOOSTER for all future time. Remember that all of our new Fall and Winter Clothing goes into this sale without reserve. I advise all of my old friends and Customers TO TAKE ADVANTAGE OF THIS SALE, and I guarantee you more than your money's worth.

Sincerely, J. K. DYSART.
