## OLD SETTLERS TO HOLD BIG REUNION

JEFFERSON COUNTY PEOPLE WILL HAVE ANNUAL MEETING IN FAIRFIELD OCTOBER 1.

Fairfield, July 22.—Jefferson county old settlers will hold their annual reunion in Fairfield this year on Thursday October 1st and already arrangements are being made for such a celebration as will come up to the previous records. On account of the rainy weather the past two years the old settlers program has been somewhat curtailed and yet with all that last year the buffalo barbecue drew such immense crowds that it taxed the hotels, restaurants and other business places to care for the visitors during the downpour of rain which lasted practically the entire day.

This year the date has been changed and will be a couple of weeks earlier and thus avoid the equinoctial storms, which usually occur during October. There will probably be no buffalo barbecue this year but the committees in charge promise something equally as entertaining and unusual. There will be a splendid program during the day and in the evening the business men and merchants are arranging for a grand pageant and fireworks galore.

There is some talk of extending the time to two days but that has not been decided upon yet and it is probably that one big day will be all that will be planned for. The Jefferson county old settlers' day has come to be one of the events which is looked forward to with as much pleasure and anticipation on the part of the older folks as the Fourth of July is by the younger generation, for it is annually made the home coming event for many hundreds of former residents of Jefferson county who visit here only once during the year.

## WATERLOO HONORS HER OLD SOLDIERS

Waterloo, July 22.—Black Hawk county is to have a soldiers' memorial hall, for which about \$16,000 in taxes will be collected by October. All grand army posts of the county, at a meeting here, elected C. D. Becker, William Smith and John Call as a committee to supervise the construction and select a site. Cedar Falls has offered a site free of charge and Waterloo will probably do likewise. An effort is being made to have the city join and erect a rest room, public comfort station and memorial hall combined on the river bank between Fourth and Fifth streets.

## PICTURE THEATER MEN IN COURT

Iowa City, July 22.—Mel J. Kirwin, manager of the Princess theater, Iowa City, is charged by H. B. The latter sues Burgess for \$5,000 damages and the traveling man asks that Kirwin be fined or imprisoned. The case has been continued until August 21. Burgess alleges he was cut above the eye when Kirwin struck him in the head.

## POLITICS PLAYED AT MURDER TRIAL

(Continued From Page 1.)

those of Calmette's heirs, then said sarcastically:

"I regard the incident as only an enjoyable diversion. It has pleased M. Caillaux to transform a criminal trial into a political one. He intends to go from here with a certificate of loyalty to France. Much good it will do him."

Court in Disorder. As the disorder in court was so great that Judge Albnel threatened to clear the chamber if the manifestations were repeated.

When quiet had been restored Georges Fromentin, a sales clerk in the gun store where Mme. Caillaux purchased the weapon with which she killed Calmette, was then called. He took an automatic pistol from the package in front of the judges and explained its action. Maitre Chenu said:

"Madame Caillaux did not say when she loaded the pistol."

Mme. Caillaux: "As soon as I got into the motor car, before I could forget Fromentin's explanation."

Mme. Caillaux added: "I had never fired a pistol, but I had hunted with my husband. I bought a gun at the same place."

Another gunsmith's employe said Mme. Caillaux had practiced in the range under the store. Three of her six shots struck a target the size of a human figure."

Mme. Caillaux continued: "I tried the pistol solely at the request of the employe. He wanted me to be sure I knew how it worked."

The procurator general exclaimed that the honor and patriotism of M. Caillaux remained unstained.

Maitre Labori objected to the language used by Maitre Chenu.

Georges Prestat, a brother-in-law of the murdered editor and chairman of the Figaro company, was then called to the stand and emphatically denied that the Figaro had been in the pay of foreign banks. The Germans, he said, had never held the majority of the shares of the Figaro as had been alleged. He then read lengthy extracts from memorandums.

Sensation in Court. While M. Prestat was testifying M. Caillaux came from his seat among the witnesses and stood closer to the bar in order to hear better.

Maitre Chenu, commenting on M. Prestat's testimony said: "I will add that it does not become M. Caillaux to come here and endeavor to soil the grave which his wife made."

Then followed an exciting scene. Many of those in court rose from their seats and shouted "Bravo," while others hissed and murmured until Judge Albnel was obliged to call the court to order with a severe reprimand. M. Caillaux, in a state of extreme agitation, exclaimed:

"Since I must take notice of what this lawyer has said, I will ask him if he will take personal responsibility for his words."

Another sensation was caused among the spectators by this exclamation, and loud "bravos," for M. Caillaux were heard all over the court. When the noise had somewhat subsided, Maitre Chenu replied:

"I take the entire responsibility. You cannot menace me here. You doubtless do not know the temper of the man whom you address."

Notice. My son, John F. Sauer, has left his home and I will no longer be responsible for any debts or contracts of any kind made by him.

Phil Sauer.

## ALBIA COAL CO. IS DEFENDANT IN SUIT

Albia, July 11.—The Consolidated Coal Co. has been made the defendant in a suit filed in the district court of Monroe county. Thomas Gibbons of Buxton is the plaintiff.

The plaintiff alleges, in his petition, that he was employed as a mule driver in the defendant company's No. 15 mine on July 8, 1912. While driving the car he was kicked by the mule with such violence that he was thrown from his position on the car to the ground, the car passing over the lower portions of his body.
