Christmas Stocking Club Oldest One In Iowa

Dear Juniors:
The 1915 Christmas Stocking club was organized Thanksgiving with a membership of three. Today the membership is 384.

The 1914 Christmas Stocking club gave out 1,155 pairs of stockings to 1,155 needy little children. This year we want the membership to reach 1,200.

The Courier Junior has many new readers, so we will tell them something of the club:

The Courier Junior was the first Christmas club in Iowa, or any of the nearby states and was planned right here in this office, December, 1906. Its purpose is to make little children very happy at Christmas time. Then again if we wish to give presents at Christmas time and do not want our friends to know from whom the gifts come, Santa Claus will deliver them for us if we ask him. You all know that Santa Claus does not always give useful presents, such as stockings and mittens. However, Santa Claus will be glad to distribute these useful and warm gifts if the members of the Christmas Stocking club give them. All one has to do to become a member of the club is to give a nice pair of well filled stockings.

HERE IS THE WAY TO FILL A STOCKING:

Into one stocking put some candy and nuts, also a toy, an orange, a pair of mittens, an apple and the other stockings. Many of the Juniors fill both stockings. On the card with the donor's name put the age of the child for whom the stockings are intended.

We will publish the names of the members of the club every day until Christmas. We do not want the stockings until the Monday before Christmas but we will be glad to have the names of the children and grownups, who care to belong to the club right away. Juniors and grownups living at a distance can send a pair of stockings also a sum of money sufficient to buy the candy, fruit, toys and mittens.

We are so glad to have the grownups interested in the club. These gifts may seem small but they bring untold pleasure to many needy little children. The stockings will be left just as the donors bring them in, and will be distributed Christmas eve direct from this office, among little children whose parents are unable to provide any Christmas cheer and to little ones bereft of their parents.

MEMBERSHIP 384.

One year ago today the membership was 181; today it is 384. The 1915 Christmas Stocking club has a very large number of members living in distant cities. We are very happy to know that people outside of Ottumwa and Iowa, too, are interested in The Courier Junior's Christmas Club. Oftentimes the grown up members ask us whether we want money filled stockings. We always answer: "Get your own convenience and please."

SCHOOL COMPOSITIONS.

We want more school compositions. We are giving a friendship link, engraved, each week to the writer of the best composition. The boys have a knife, skates or a book.

CHRISTMAS STORIES.

This year we want all the Juniors to have passed their fourteenth birthday to write a Christmas story. We will give a special prize to these older Juniors.

We want all the Juniors who have passed their fourteenth birthday to write on one of the following subjects:

THE PLEASURE OF GIVING.

THE MISSION OF THE CHRISTMAS STOCKING CLUB.

WHY THE CHRISTIAN WORLD CELEBRATES CHRISTMAS.

THE FIRST CHRISTMAS.

THE MAGI.

The prize will be either a doll, a pair of skates, a book, a beautiful picture, a box of candy or a Christmas tree.

The contest closes Monday, Dec. 20.

We will not have room to publish all the letters, compositions and stories recently received until after Christmas. However, we want all the Juniors to work in the Christmas contest.

We want all the Juniors to belong to the 1915 Christmas Stocking club and we hope all the Juniors to whom prizes were awarded the past year will join also.

ANCESTOR STORIES.

We want the Juniors to write about one of their ancestors (which means your parents, grandparents, great grandparents, etc.) We will ask the Juniors to write nice short stories telling something remarkable or unusual about their ancestors.

We want the Juniors who write in contest to tell us the names of their remarkable ancestors.

The writers can select their prizes from among the following: A box of candy, skates, book, friendship link, pig or knife.

The Perhappsy of Chops

The snow whirled down in dancing flakes,
A magic sort of thrill
Was in the air—and everywhere—
As tumbling down the hill
The Perhappsy Chops head over heels
Came frolicking together.

"Hurrah!" cried Jerry. "Why, this feels
Like Merry Christmas weather!"
And just because the very sound
Of Christmas is so merry
They all seized hands and danced
around.

"Ho! LISTEN!" chuckled Jerry. "I
'w-w-w' must be off—it's time to start!"
"Sh-h-h—don't you tell a soul,
But, dears and ducks—well bless my
heart!
They're bound for the far NORTH
TOLE."

"For if any one needs help today
'Tis dear old Santa Claus!"
Cried Jerry. "Right! and I should say!"
Called Puff, and gay hurrahs
The others call at Jerry's speech.
And up and away they go,
Laughing and talking and planning—
each

Like a bluebird through the snow!
Over the cities all fast asleep,
Over the steeples and churches,
Over the woods the Perhappsy sweep,
Over oaks and pines and birches,
Till at last the cities lay far behind
And the air grew bitterly cold,
But the Perhappsy Chops didn't seem
to mind.

Though fast to each other they hold,
On through the land of the esqui-maux,
Past seals and polar bears,
Through the frozen north with its ice
and snow,
Where the hail stones were big as
pears,
They flew, stopping now and then to
rest.

And talk to the huge reindeers
As to which was east and which was
west.
Such things as they saw! Oh, dear,
I never can tell them, but suddenly
they

Heard the jingle of bells and THERE
Came the wonderful, marvelous Santa
Claus sleigh,
And drawing it lighter than air
Stepped Francier and Dancer and
and all
Of the other old darling reindeers.
In a twinkling, the little Perhappsy
Chops small
Had hopped on and the sleigh dis-
appeared.

In a whirl of snow and AWAY they
go—
Jack Frost slinging on behind.
And if I'm not wrong, it won't be long
Before Santa Claus' country they
find!
(And what happens there I'll tell you
next week.)

ALL ABOUT PRIZES.

We send out prizes within two weeks after the names of the winners are published.

We do wish the Juniors would acknowledge their prizes.

If any Junior has ever failed to receive a prize after his or her name appeared in this paper, it is because the wrong address has been given us.

When we say wrong address we especially refer to incomplete addresses.

All city Juniors should put their street number and all Juniors living in the country should put their box number or failing to have a box send in their parents' names.
