

THE HERALD.

FOR RAILROAD COMMISSIONER.
We are authorized to announce JOHN C. WOOD, of Montgomery county, as a candidate for the office of Railroad Commissioner in this, the Third district, subject to the action of the Republican party.

"Aunt Betsy's Talk to Uncle Jack," will appear next week.

Geo. Wheeler, of Menefee county, this week moved into the old hall property.

Miss Maggie Kash has been quite sick with fever for several days past, but is improving.

Henry Godsey and wife, who are in Washington City, are expected home about the 6th of March.

Bruce Marcum stabbed a man at Jackson on Monday night, but we have not heard the particulars.

Attend the railroad meeting at Campton Monday and put \$1.00 in your pocket for THE HERALD.

Judge G. B. Swango and his son, James H., will be at the railroad meeting at Campton on Monday.

Eld. Barney Blankenship, whose illness has heretofore been reported, is still confined to his bed.

Don't forget the railroad meeting at Campton Monday, and don't forget to have a dollar for THE HERALD with you on that occasion.

Acting through the blood, Hood's Sarsaparilla not only cures scrofula, salt rheum, etc., but gives health and vigor to the whole body.

Willie Quicksall, in company with Miss Lucy Neal, went to West Liberty Friday and returned Monday.

Dr. Taulbee reports the birth of a daughter, on the 26th inst., to the wife of Ac Lacy. Name, Eliza Jane.

Sherman Cope, ex-sheriff of Breathitt county, was a guest of Dr. John A. Taulbee and family this week.

Joseph Rose, our friend and fellow-citizen, of Lacy creek, had a ewe to drop three well developed, healthy lambs one day last week, which are all doing well.

Lindsay Ware, of Lexington, came in Monday, and will remain with us for a few days to recuperate. He says Mrs. Ware is still enjoying the best of health.

The railroad meeting at Campton on Monday should be an old time love feast, and every man in the county ought to subscribe for THE HERALD, which is doing all in its power to secure the road.

Mr. Seitz, representing W. M. Kerr & Co., Ironton, Ohio, was in town Friday night, and Saturday left for his home at West Liberty. John Brady, the drug man, was his traveling companion.

C. D. Moore, representing the hardware house of Ben Williamson & Co., Catlettsburg, was a guest of the Day house one day last week, and sold several good bills among our merchants.

W. W. Fyvie, representing Stuart, Varner & Co., clothiers and furnishers, of Portsmouth, Ohio, writes us that he will be here the latter part of this or the first of next week. Wait for him and give him an order.

We are requested to state that at the recent revival here there were 26 persons who made a profession of religion. This is a glorious work for our town, and may each one realize that there are better things "on before" and strive to attain them.

Our circulation this week is 1,128 copies, and friends of the paper should help us make it 1,200 by next issue. Every mountain man should be a subscriber to THE HERALD, because it does more for their interests than all other papers.

Dr. J. A. Taulbee reports the following patients under his care in addition to those previously reported: Mrs. Nelson Nickell, Miss Ida Rose, who is at the home of her uncle, D. B. Rose, Misses Dora Swango and Minnie Maple and Mrs. John H. Rose.

Enterprise.

With this issue we publish a full page advertisement setting forth the bargains to be found at the store of Alfred Combs & Sons, of Cornwell, Ky., and to those people who wish to save money it is the most interesting reading that has ever appeared in our columns. Combs & Sons sell for cash, and are thus enabled to save their customers money on every purchase made of their firm. But you should read their ad and give them a call. The amount of money that you can save by purchasing from them will more than compensate you for the trip to and from their store, unless you live too far away to avail of the bargains there to be found. Such an opportunity has seldom, if ever, been offered the people of the mountains to purchase so much for so small an outlay, and if you fail to take advantage of their offer you alone are to blame.

Get Your Parchment.

Drs. J. H. Stamper and B. D. Cox, of Campton, request us to say that they, as local members of the state board of health, will take such steps as to enforce the law against empiricism, and they ask all regular physicians to co-operate with them in the good work. The state board has put the seal of condemnation upon the nefarious practicing of nondescript physicians, and the medical men mentioned will put a stop to it in Wolfe county if the power of court and grand juries avail. The days of experimental practice are past, and the Esculapian pill-bag evangelist who essays to practice without the requisite parchment had better be tanning a sheepskin.

Kicked by a Mule.

J. M. Havens returned from Owingsville last Saturday somewhat disfigured but still in the ring, he having come in too close contact with the business department of a mule. He states that the animal was very kind to him indeed until within sight of the residence in which resided the object of his visit, when he called a halt, not wishing to witness the happy meeting. Monroe dismounted with the intention of coaxing him, but nary a coax would he listen to, but instead planted both hind feet in Monroe's breast, soiling his shirt front and laming the mule. Monroe says a mule's heels are nothing as compared with Onoid's darts.

Will Be There.

The editor of this paper will be at Campton on Monday, and will be pleased to meet there all the subscribers to THE HERALD. All who are in arrears will please have \$1.00 ready to renew, and we hope each subscriber will take it upon himself on that occasion to induce his neighbor to take it also. THE HERALD will do all it can to bring a railroad, and all who are interested in that enterprise should encourage THE HERALD by subscribing. Now, friend, see if you can't that day get us an additional subscriber. We will remember your kindness and appreciate your efforts.

Death of Col. J. T. Hazelrigg.

Col. John T. Hazelrigg was taken down with fever and confined to his home at Mt. Sterling last week, but his illness was not considered serious. A change for the worse was apparent Saturday, however, and Mr. and Mrs. Tom Henry, of West Liberty, were summoned to his bedside. Ed O'Rear and Claude Hazelrigg, who were in Florida on a fishing frolic, were also telegraphed for, and Major Taulbee, who left West Liberty Tuesday, stated that great anxiety was manifested there for the sick man. LATER.—Col. Hazelrigg died Monday morning.

A Big Crowd.

There will doubtless be the biggest crowd in Campton on Monday next ever seen there on county court day, and it will be a good time for all who are not now taking THE HERALD to do so. \$1.00 in advance pays for it for 12 months, and you will get all the county, state and general news, and keep posted on what is being done towards securing a railroad without tax.

D. M. HAMILTON.

For sale by John M. Rose.

Wm. H. Murphy, of Morgan county, lost 15 head of sheep last Friday night. Saturday morning on going to feed the flock he discovered 10 of them dead, evidently the work of worthless curs, and the other five were missing with no trace of them. Subsequently he killed one dog as a suspect.

Nervous People

And those who are all tired out and have that tired feeling or sick headache can be relieved of all these symptoms by taking Hood's Sarsaparilla, which gives nerve, mental and bodily strength and thoroughly purifies the blood. It also creates a good appetite, cures indigestion, heartburn and dyspepsia.

Hood's PILLS are easy to take, easy in action and sure in effect. 25 cents.

Some man by the name of Hamilton, writing from Menefee county, requests us to advertise his farm for sale, but as he did not send the necessary cash or acquaint us with the fact that he would do so, we must decline to place his property before the public.

Ralph Zevy, representing the merchants Job Lot House, of Cincinnati, was a recent visitor to our town. While here he sold some good bills and laid the foundation for more to follow. Inadvertently we failed last week to notice his visit to our place.

In Agony

15 Years With Salt Rheum

Hood's Sarsaparilla Gave a Perfect Cure.

"C. I. Hood & Co., Lowell, Mass.: 'Hood's Sarsaparilla is an excellent medicine. I had eczema in my left leg for fifteen years. Part of the time my leg was one mass of scabs, and about every week corruption would gather under the skin and the sores would slough off.

The Itching and Burning sensation made me suffer indescribable agonies. I spent a great deal of money for different remedies but did not get relief. About a year ago, leading physicians advised me to take Hood's Sarsaparilla. I did so and have taken five bottles.

Hood's Sarsaparilla Cures

lies. Now all the sores, scabs and pain have vanished and I am enjoying perfect health. I think Hood's Sarsaparilla is second to none and gladly recommend it to all suffering humanity."

C. I. Cheuvront, Leonard, Missouri.
