MORGAN COUNTY.

From the Jambos.

A. J. Dykes mill is in full blast. Oldfield & Co. sold their hogs at Cincinnati for \$3 per hundred.

L. C. Caskey and D. B. Oldfield attended court at West Liberty last week.

A. B. Hale has just completed a very creditable dwelling house on his Long Branch farm.

Several of our young folks attended the closing exercises of J. W. Taulbee's school at Lee City.

Misses Emma Slimp and Belle Salyers, accompanied by Mort and Willie Pieratt, respectively, drifted through "the jambos" Sunday.

Kelse Couch and Miss Lou Alice Havens were married at the residence of the bride's father some days since. We did not learn who united them or who the attendants were. Kelse is an industrious young stock trader. We congratulate them both for having bargained each others companionship. May their course be enjoined by all the blessings of life.

ELKS WATAWA.

Maytown Missiles.

R. A. Day has moved to his farm. Miss Rosie Sample is visiting friends near Ezel.

We are glad to report the sick of our town improving.

R. A. Childers went to Campton on business last week.

John Day has moved to town and occupies the house that R. A. Day moved from.

C. A. Sample has gone to Montgomery to attend to his horse that tried to run through a barbed wire fence during last court.

Died, at his home near town on Friday week, James McGuire, of pneumonia only living seven days after he was taken sick, and was buried at West Liberty. Only one of his children was present at his death. Uncle Jim, as he was called, was a good neighbor and citizen, and if he had an enemy we never heard of it. He leaves a host of relatives and friends behind.

WINGLESS.

Mrs. Lou Day is just now in receipt of her new fall and winter stock of hats, bonnets, trimmed and untrimmed sailors, cloakings, dress goods, notions, etc., to which she invites the attention of the ladies of this section. She also keeps a full line of fancy and staple groceries, which will be sold for cash or country produce, and at the lowest living prices.

WOLFE COUNTY.

Flat Facts.

Joe Wilson, of St. Helens, passed thro' here with a fine lot of hogs.

The infant child of Mr. and Mrs. Dillard Bradley died a short time since.

Ora Drake, of this neighborhood, has sold his farm and will move to Montgomery county in the early spring.

Rev. M. M. Roundtree and wife, of the M. E. church, was in our midst the third Sunday and Mr. Roundtree preached an excellent sermon.

Miss Maggie Shackelford, who is teaching school at Pine Hill, this county, spent Saturday and Sunday at her home in this vicinity, accompanied by Miss Bowman, one of her pupils.

SLOCUM.

To my patrons in this and Morgan county: I am in need of some money just at present—need it badly—and will be obliged if you will come in and pay your accounts, or part on them.

Respectfully,
A. C. NICKELL, M. D.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy. Mr. A. V. Trudell says: "I have always received prompt relief when I used Chamberlain's Cough Remedy." Mr. James Orchard says: "I am satisfied that Chamberlain's Cough Remedy cured my cold." Mr. J. M. Hatcher says: "For three years I have used Chamberlain's Cough Remedy in my family and its results have always been satisfactory." For sale by John M. Rose.

WOLFE COUNTY COURTHOUSE.

The first courthouse of brick was built in 1869 at a cost of \$11,000, and was burned in 1886. In 1888 a new one, costing \$7,000, was put up. It has a tower, but no clock. I'm beginning to think a town clock in the mountains would be a sign of progress, and hereby apologize to the entire town clock family for anything I may have said derogatory.

The jail cost \$6,100, and isn't much of a jail, for looks, at that price. There have been 2 legal hangings at Campton, 1885-87, the first men to be hanged in the mountains. There is 1 game church in a good state of repair, owned by the Southern Methodists and used by all denominations on off Sundays. The Congregationalists flourish in this section, a sect not common in Kentucky, and they have a pastor and a church in the county. There are 3 stores in town and a grist, saw and carding mill, these latter under 1 capacious roof. A good business is done in the town, and there is a lot of money around, if you can get your hands on it.

TAKEN UP.—Thursday, November 21, 1895, a bay mare, 15 1/2 hands high, left hind foot white, left hip down, mane laying on left side, Roman nose. The owner can have same by proving property and paying charges.

A Much Afflicted Person.

THE HERALD notice of Sol Adams and the remarkable cures he is making through faith brought the following from an afflicted one of Louisville, which speaks for itself:

Bourbon House, Louisville, Ky.,
November 20, 1895.

Dear Sir: I read and cut out your article about old Sol Adams healing diseases without drugs or any reward, and that Henry Pieratt would try him. If so, please let me know what success, etc. You don't give Adams' postoffice address or what county he lives in. I suspect that he uses animal magnetism by magnetic passes, stroking, &c. I have tried nine of these magnetisers during the last 33 years with poor success. I am 61 years of age and single. Slave nurse let me fall when 18 months old and I was paralyzed in lower half of my body for nearly two years, and have been an invalid ever since. I was poisoned by a copper pump in bad cistern when four years old and given life-long kidney disease, and inherited scrofula. Show this to Adams. Is he a farmer and christian? Awaiting your answer soon, I remain, Your friend,
SUTHERN KALFUS.

Mr. Pieratt tried Mr. Adams and says that he has since suffered no pain whatever from rheumatism, the disease for which he was doctored. Adams' address is Pomeroyton, Menefee county, Ky. As to his occupation we know not what it may be, nor do we know that he is a christian. His simplicity, however, like the Savior's while on earth, and his cures without cost so closely resemble the acts of Christ in healing all who applied, that we incline to the opinion that he is a christian—a good Samaritan, as it were. What denomination? Ah, there you stump us! Write to him, enclosing stamp, and what he'll tell you "will be a plenty."

Did You Ever Think

That you cannot be well unless you have pure, rich blood? If you are weak, tired, languid and all run down, it is because your blood is impoverished and lacks vitality. These troubles may be overcome by Hood's Sarsaparilla because Hood's Sarsaparilla makes pure, rich blood. It is, in truth, the great blood purifier.

Hood's Pills cure liver ills, constipation, biliousness, jaundice, sick-headache, indigestion.

HAZEL GREEN ACADEMY.

Educationally, Hazel Green is on top, and not because the grand old commonwealth has done anything in that line either, for as usual it hasn't. There is a rickety school house in a fine lot donated by the founder of the town for school purposes, and I suppose the teacher of it gets as much as 75 cents in 75 years, but what is there as an educator is the Hazel Green Academy, originally started by Taylor Day, W. O. Mize and G. B. Swango, and now in the hands of the National Woman's Christian Board of Missions, to whom the founders gave it, after spending \$3,000 or \$4,000 on the buildings and grounds. It is in charge of Prof. W. H. Cord and two assistants and has 153 students, with more in the winter. There is a fine academic building and dormitory, costing in all about \$6,000, and is the best thing in Hazel Green, not even excepting the churches. I might criticize the big tin-looking letters on the boys' caps and suggest smaller and neater ones, but I won't say even that much against so excellent an institution, doing so much valuable service where such service is needed most. There ought to be 500 scholars there instead of 153, and they can bear letters on their caps as big as saucers, so long as it is a sign they are educating themselves and getting out of the old ruts.

A new comet has recently been seen in the sky. Ask your druggist about it. Sample dose free.

Constipation & Biliousness

RAMON'S LIVER PILLS—AND— TONIC PELLETS

One Tonic Pellet nightly, acts as a gentle laxative in keeping the bowels open, restores the digestive organs, tones up the nervous system and makes new rich blood. Complete treatment, two medicines, one price, 25c. Treatise and sample free at any store. BROWN MFG. CO., New York.

Death of Fletcher McGuire.

Again our community is called upon to mourn the loss of one of its best citizens. Fletcher McGuire, who had been sick for two or three months with a complication of diseases, passed into the beyond Monday morning at 6 o'clock—out of sin and misery into everlasting life and sunshine. Mr. McGuire was a devoted husband, a loving and affectionate father, and in his love for his children and his attention to their every want he doubtless many times thought with the poet, Eugene Field:

"Who knows but, in eternity,
I, like a truant child shall wait
The glories of a life to be
Beyond the Heavenly Father's gate?
And will that Heavenly Father heed
The truant's supplicating cry,
As at the outer door I plead:
"Tis I, O Father; only I!"

The deceased was a good citizen and a christian in all the term implies. He had for many years been identified with the Christian church at this place and was considered a consistent christian by all. He was in business here for many years but lately had given his time to his farm. The immediate cause of death was paralysis, and he was 48 years old. He leaves a wife, a grown son and daughter, mother, brothers, sisters, and a host of other relatives and friends to mourn his loss. He was buried Tuesday in the Hazel Green cemetery, the funeral cortege being followed by a large body of sorrowing friends.

Beware of Ointments for Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists, price 75 cents per bottle.

Ed S. Gibson left yesterday for Central Kentucky, in the interest of his candidacy for warden of the penitentiary at Frankfort. Ed is a hustler and a perfect gentleman in every respect. Among her best citizens old Kentucky does not boast of a more noble son, nor one that would reflect more credit to the party and state if appointed. He is eminently qualified to fill the position to the satisfaction of his party. He has the endorsement of some of the best and most influential party leaders in Kentucky.—Owen News.

W. T. Swango has moved back to his farm, near town, and Judge Swango has moved into the house thus vacated in town.

Wanted,
500 bushels of good wheat. Will pay 75c per bushel on notes and accounts of my merchandise, including flour, etc. For bread wheat to be delivered at my store in Hazel Green.
