WHAT IS YOUR EXCUSE?

What excuse has a Democrat for not voting his full ticket? The men upon it are certainly as good as those upon the opposing ballot. They are all just men with the common faults of men. You may not like some of your candidates, but you might not like the other fellows any better if you knew them as well, and they do not stand for the principles in which you believe. It is easy enough in local fights especially to find fault. Some one said something you did not like, some one did not favor a road or bridge you wanted, or some other trivial reason. You think he ought to be perfect when possibly if you were investigated and all of your foibles picked out and you ran for office you might not get a dozen votes. Will some man on the other side favor you any more? Nay, verily, all he wants is the office and then you may go hang with your Democratic convictions. Are you small enough to vent some little neighborhood spite upon a candidate and so injure your party? If you are guilty of such petty spite take a tumble to yourself, and get out of it, because it is contemptible. Stand by your principles if you have any. Of course if you have no principles you are free to go butting around being made use of by anybody who will pat you on the back and praise you for being independent enough to fall into their hands.—Johnson County Democrat.

DECISION IN THE BADGER CASE

The Court's Ruling Leaves the Children in Custody of the Father.

The case of Mrs. Mary E. Badger against Herbert Badger, of Rich Hill, has been brought to court for recovery possession of the three children, was called for trial in the circuit court before Judge Calvert in this city on Monday. A motion to quash the proceedings, offered by the defendant's attorneys was sustained by the court, which leaves the children in the custody of the father. The attempted abduction of the children in Rich Hill some days ago caused a sensation. E. K. Sheppard, of Rich Hill, W. O. Johnson, of this city, John H. Lucas of Kansas City, and A. F. Higgins of Nevada, Missouri, were present at the trial. The case was argued by attorneys for Mrs. Badger in the city.

BOYS ARRIVE AT CAMP BOWIE

Bates County Contingent Leads "Right Side Up With Care."

Special to The Times.
Camp Bowie, (Ft. Worth), Texas, Oct. 22.—The Bates County contingent of the boys who are being trained in military training at this place arrived here on Monday. They were

quickly examined and found all right in every way.

Each building of the Medical and Examining Departments, although close together have been so connected up with covered passage ways that no discomfort was suffered by the men when examined, and the weather was ideal.

Immediately upon their arrival the men indulged in a warm shower bath and were each issued an outfit including a heavy weight olive drab uniform, wool underwear and socks. They were also furnished with two woolen blankets, each, a cotton comfort and mattress sack with fresh straw. They will be quartered in tents equipped with sanitary steel cots.

The Y. M. C. A. and K. of C. men are on the job attending the special wants of the recruits and exerting every effort toward their comfort. Both organizations will have a hut in the camp near where the men are located.

The contingent will be held in the Detention camp for medical observation for the next fifteen days, and until relatives and friends receive the number or letter of the companies to which the men are assigned, letters will be difficult of delivery. In case of emergency telegrams should be addressed in this manner:

Recruit Detention Camp, Camp Bowie, Texas.

At present there is very little influenza in Camp Bowie, which holds the record as having the best health conditions of any camp in the country. The new men are isolated from any influenza infected area.

Old army men who inspected this bunch from Bates county are very complimentary and good reports of their conduct on the trip have been received. The lunch man at Nevada, reports that the most civilized bunch he ever served and Ossie H. Griffin and Milton W. Hogan, who were in charge of the contingent on the trip say the men are "the best ever."

GOV. FOLK DID NOT COME

"No Public Meeting" Order Kept Senatorial Candidate Away.

Former Governor Joseph W. Folk, candidate for U. S. Senator on the Democratic ticket who was advertised to speak in this city Monday afternoon, cancelled his date here on account of the ban which has been placed on public gatherings because of the influenza.

A great many from a distance had driven in to the county and to hear Mr. Folk, and although they realized the danger of influenza, they gathered in the city for the purpose of listening to his address.

It is reported that the governor has been in Colorado since he left the state for his health and is visiting his daughter, Mrs. Lois Hunter, at her home in the city. He is expected to return to the state in a few days.

Survey of Nursing Resources.

With the certainty that the military demand for nurses will continue as long as the war lasts, and with definite requisition already in hand for 25,000 nurses by January 1, 1919, it is apparent that complete knowledge of all nursing resources of the country should exist in such form that it can be used as a National unit, both to meet the military and civil needs. Furthermore, this information should be uniform, so as to permit its National use for meeting the great nursing emergency that now confronts the country.

There will be a special committee appointed in Butler, to work with the chairman of the county in planning for this survey, which will continue until November 15. This committee will be in touch with the chairman of the Woman's Council of Defense, already appointed in each township, and who will act during this survey as chairman of the nursing committee. Questionnaires will be sent out to these chairmen from the Butler Chapter for the enrollment of persons who wish to enroll.

There are seven heads under which to enroll: Graduate Nurses, whether registered or not; Pupil Nurses, those now in training; Undergraduate Nurses, those no longer in training but who failed to complete the course; Trained Attendants, Practical Nurses, Midwives, and women having taken Red Cross courses.

I will take it as a favor if persons who can answer under any of the heads will inform me, and a questionnaire will be forwarded to them.

Mrs. Sam W. Davis,
Chairman Nursing Com. for Bates County.

Noland Cate Dies Suddenly in Tacoma.

A telegram received at Rich Hill by A. C. Cate conveying the sad news of the death of his son, Noland Cate, 29 years old, at 2:30 o'clock Tuesday morning, October 22, 1918, at the hospital in Tacoma, Wash., of pneumonia, following influenza, after a brief illness. The news was a shock to the family and friends and, in fact, to the entire community. He was born and reared in Rich Hill and was a most exemplary young man, who, by his quiet demeanor and strict integrity won many friends. For a number of years he was connected with the Opatz Drug Company. His mother, Mrs. Cate, has been in Colorado the past summer for her health and is visiting her daughter, Mrs. Lois Hunter, at her home in the city. He was a member of the Rich Hill, Mo., High School.

CORROBORATION

Of Interest to Butler Readers.

For months Butler citizens have seen in these columns enthusiastic praise of Doan's Kidney Pills by Butler residents. Would these prominent people recommend a remedy that had not proven reliable? Would they confirm their statements after years had elapsed if personal experience had not shown the remedy to be worthy of endorsement? The following statement should carry conviction to the mind of every Butler reader.

D. W. Jennings, 409 College St., Butler, says: "Three years ago I was a bad sufferer from kidney complaint and backache. I bought Doan's Kidney Pills from Clay's Drug Store and they gave me relief." (Statement given September 9, 1911.)

On April 28, 1916, Mr. Jennings said: "I have always had good results from occasional use of Doan's Kidney Pills. I endorse them as a good medicine."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jennings had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

Miss Ida Crume Dead.

Miss Ida Crume, formerly of this city, departed this life at Nevada, Mo., Wednesday morning, October 16, 1918.

Ida Crume was born in Gasconade county, Mo., and at an early age came with her parents to Bates county, locating in Pleasant Gap township. After a residence there of about five years they removed to this city, where she made her home for several years. She later went to St. Louis and some years ago went to Vernon county where she has since resided. She is survived by two nieces, Mrs. L. W. Mobley of Monroe, La., and Mrs. C. W. Goodrich, of New York, N. Y.

She was a lady of charming personality and amiable disposition and had many warm friends here.

The remains were accompanied to this city by Mrs. L. W. Mobley and were taken to the Culver Funeral Parlors, where services were conducted by Rev. S. B. Moore. Interment was made in Oak Hill cemetery.

Circuit Court.

Circuit Court convened in this city Monday morning but after a short session adjourned on account of the epidemic of influenza until the first Monday in December.

The judge has been in the city for some time and is expected to remain here for some time.
