**Northome's Sawmill.**  
 Since the visit of the M. & I. and Northern Pacific officials to Northome last week life has been given to the rumor that Northome is soon to have a large sawmill. While at Northome the official party went down to the lake and the sidetrack to the proposed mill site was discussed. This action regarded as significant. It is said a large mill is to be put in at that point probably by the Pillsbury interests who are credited with having recently purchased all the Backus-Brooks timber in that vicinity. The official party went from Northome to Kooehiching and returned home via the Canadian Northern to Winnipeg.  
**Diphtheria at Poor Farm.**  
 The county poor farm is closed under quarantine. A case of diphtheria has been developed at the farm and the action was necessitated. The patient was Louis Reiner and has been removed. His case is not serious. The house was thoroughly fumigated and there is no further danger of contagion.
