Deafness Cannot be Cured
 By local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give \$100 for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

 is assured by perfect digestion. Indigestion swells the stomach and puffs it up against the heart. This causes shortness of breath, palpitation of the heart and general weakness. Kodol Dyspepsia Cure cures indigestion, relieves the stomach, takes the strain off the heart and restores it to a full performance of its functions naturally. Kodol increases the strength by enabling the stomach and digestive organs to digest, assimilate and appropriate to the blood all of the food nutriment. Tones the stomach and digestive organs. Cancerous Ulcers
ROOTED IN THE BLOOD.

 After the age of 45 or 50, when the vital powers are naturally weaker, it is noticed that a hurt of any kind heals slowly, and often a very insignificant scratch or bruise becomes a bad ulcer or sore. At this time of life warty growths, moles and pimples that have been on the body almost from birth begin to inflame and fester, and before very long are large eating, sloughing ulcers.
 Whenever a sore or ulcer is slow in healing then you may be sure something is radically wrong with your blood. Some old taint or poison that has been slumbering there for years is beginning to assert itself and breaks out and becomes a bad ulcer and perhaps the beginning of Cancer. These old sores are rooted in the blood, and while washes, soaps, salves, etc., keep the surface clean, they are not healing. A blood medicine to purify and strengthen the polluted blood, and a tonic to build up the general system is what is needed, and S. S. S. is just such a remedy. No poison is so powerful and no germ so deadly that this great vegetable blood remedy cannot reach it, and ulcers of every kind quickly yield to its wonderful curative properties. Medical advice or any information you may desire will be given by our physician without charge.

For a Hundred Years.
 For a hundred years or more Witch Hazel has been recognized as a superior remedy, but it remained for E. C. Bad Day for Bass.
 Yesterday was the day that the local Leask Walton's had planned to have all sorts of fun with the bass, but unfavorable weather disappointed them.
