

## BIG CROWD IS COMING

Bemidji Will Be Hostess For Over Two Thousand People Tomorrow.

N. P. EMPLOYEES COMING FOR ANNUAL PICNIC.

Elaborate Program of Sports and Ball Game Between Brainerd and Bemidji.

With favorable weather tomorrow Bemidji will be hostess for over two thousand guests on the occasion of the annual picnic of the Northern Pacific shopmen and employes which comes from Brainerd in two special chartered trains.

The excursion leaves Brainerd at 6:30 tomorrow morning and the first section is scheduled to reach this city about 10 o'clock. It will come in eighteen coaches. Twelve coaches come from Brainerd and six from Staples and the indications are for the largest attendance of any excursion which the shop employes have ever had.

The picnic grounds have been fixed up and are at the disposition of the crowd. The excursion occurs after the monthly pay day and the visitors will leave a good deal of money in the city. The excursion will tax the eating house and hotel accommodations of the city, but every effort will be made to entertain the visitors handsomely.

In the afternoon there will be a ball game between the Bemidji and Brainerd teams. There will be also a program of sports open to all entries, which will include a married ladies' race, fat man's race, poor man's race, girls' race, single men's race, boy's race, single ladies' race, married man's race, hop, skip and jump, executive committee race, swimming race, three-legged race, sack race and smoking contest. The program will occur immediately after the ball game down town.

A number of Northern Pacific officials will come with the excursion and railroad men generally will take a day off to give their wives and sweethearts an outing. Returning the trains will leave the city about eight o'clock.

### To Estimate Net Lake.

Mark Devine, the well known Blackduck cruiser for the Pine Tree Lumber company left today for Deer River, where he will make one of a party of six cruisers who go up to Net Lake and Deer Creek reservations to estimate the timber for the Pine Tree Lumber Co., that is soon to be sold for the government. There is about 35,000,000 of pine on the Net Lake and about 65,000,000 on the Deer Creek reservations according to the government estimates. The work will require about six weeks and the corps of cruisers will then go to the Red Lake country to make some estimates.

## LEAVE FOR HALLOCK

Bemidji and Blackduck Running Teams off to the Tournament Today.

BEMIDJI TEAM IS STRONG AND WILL WIN MONEY.

Blackduck Team Goes Prepared to Land Next Year's Tournament For That Town.

The annual race meeting and tournament of the Northern Firemen's Association begins tomorrow at Hallock and the Bemidji and Blackduck running teams are in attendance.

The opening day of the tournament will be given over to a formal welcome to the visitors and the program of races will begin Wednesday. The tournament will be over Friday night and the two teams will reach this city returning Saturday night.

It had been intended for both teams to go in a special car from this city but it could not be secured and the Blackduck team went out on this afternoon's train. The Bemidji team will be represented by a strong team composed of the following gentlemen: George Horton, Cash Brunell, Henry Fick, Tom Conlon, Jesse Dade, Frank Prough, H. Greenup, Martin Olson, Gus Overland, Wallace Smith, Jud Smith, J. Darrow, L. F. Parker, Andrew Hays, George Rancor, Joe Bray, Albin Anderson, M. D. Hill, E. N. French James Reed and J. W. Ellis. A number of the boys are accompanied by their ladies and all anticipate a very pleasant time. Captain Parker, of the running team, says he does not expect to come out of the tournament with championship honors, but believes the boys will make a good showing. The Blackduck team goes prepared to make a fight to secure the next tournament of the Association for Blackduck next summer. It is Blackduck's turn to have it, a liberal subscription has been raised to insure its success and the boys have assurances of support from several of the departments attending including the one from this city.

The Bemidji team which leaves tonight is composed of Chief Geil, Harry and Erton Geil, Ray Dennis, A. Halvorson, John Goodman, Lee Heffron, C. C. Folkers, Ted Naylor, F. Peterson, Harry Arnold, Ed Cornwall, Arthur Narveson, George Bagley, Mike Downs and George Fleming. It has been under practice for six weeks and is in excellent shape. The team is about the same as last year when it won the pennant and will no doubt be one of the best at the tournament. It is expected to get the money in several events and will represent the city creditably. Mayor Ludington will accompany the boys on the trip.

### Little Ball to Roll.

Several roulette lay-outs were shipped through this city today to Thief River Falls, where it is understood the knights of the cloth are to be allowed to flourish after this. There is a big crowd in attendance at the reservation opening, railroads are building into the town and the boom is the real thing all around. Thief River has the reputation of being one of the best towns in the country.

### Notice for Bids.

Bemidji, Minnesota, June 7, 1914. Notice is hereby given that the Board of County Commissioners will receive bids for a fence for the Court house grounds at their regular July meeting. Said fence to be 36 inches high and 1200 feet long. Bids to be on file in my office at 10 o'clock a. m. July 11, 1914. By order of the Board of County Commissioners of Beltrami County, Minnesota. D. L. SYLVESTER, County Auditor.

## LOCALS ARE DUCK SOUP

Crookston League Team Shuts Out the Home Team in Ragged Game.

NO JOY IN BEMIDJI FANDOM SINCE YESTERDAY.

Humiliating Defeat Sustained by Home Team in Glorious Swiftest Exhibition.

The Crookston league team yesterday afternoon shut out the local aggregation of pigskin trifiers in a glorious yet heart-rending swiftest exhibition of the great American game of base ball, by a score of 19 to 0, and but for the fact that Manager McNeil's aggregation are a polite and gentlemanly lot of young men it might have been worse—it might have been forty.

The game is a distinct revelation and there is one plain, unvarnished truth that stands out in bold relief since yesterday and that is that the locals are not fast enough for northern league company—just yet. However in all justice to the nine young men from this city who were in yesterday's game and Manager Kayne as well there is no occasion for an anvil chorus at once, the result might have been expected.

Witt was in the box for the home team. He had an off day and in the five innings he was up he was touched up for ten safe hits, a number of which were stretched into two and three baggers by slow fielding and throwing of the glass arm variety. The local bunch, which has never developed the strength with the stick that is necessary for winning ball, failed to hit Mr. Miller and secured only three hits. The visitors were omnipresent and ate up everything with the most deplorable persistency. The base running of the locals was in sad contrast to the efforts of the visitors, and only twice during the game did they see the third sack. All hope was lost in the first inning when the visitors bunched their hits for five runs and copped the game beyond further doubt.

After that it was plain to be seen that the local bunch had lost its ginger and the bleachers and grand stand awaited the final result in grim silence that was a decided contrast to a very noisy opening. Martin, of Crookston, umpired the game. It was generally agreed that he was refreshingly rotten especially on balls and strikes, but there is no particular occasion to kick as he was quite as desperate and unmanageable on one side as the other. In the first inning he struck Finn out on a very unfair third strike with McCamus on third base, two gone and two foul strikes on the batter. He was freely advised to lower his sights, but manfully resisted the most strenuous efforts to displace him. The official scorekeeper abandoned his situation after the third inning and no one attempted to keep anything like an accurate account of the game, which was full of errors on the part of the home team and far from being interesting.

Since the game yesterday a well developed anvil chorus has been started. It must be remembered that the Northern league is fifty per cent faster this year than last year and despite the fact that Crookston is at present at the foot of the percentage column, it is conceded one of the fastest teams in the league and those who are in the best position to speak authoritatively say that the pennant race will be between Crookston and Duluth.

Furthermore there is no occasion to criticize the management. The patronage at the grounds has not been what it should have been. Yesterday's game aroused more interest than any so far this season and the attendance was less than 450. Week day base ball is impossible and the team, such as it is, has cost nobody a cent up to the present time except his admission to the grounds, with the single exception of some presents of equipment made by local merchants. A fast team costs money.

The home team is fair if not particularly fast and a ground admission of twenty-five cents is not such a large sum that anybody will be seriously injured. Within the present week the team will be strengthened by the addition of three of the famous Flandrau Indians and Burton, who played first base with Crookston yesterday. As fast as the patronage warrants a stronger and faster team it will be secured.

Advertise in the Daily Pioneer It's a good investment.

## BREAK DOWN

Crookston Mill Breaks Down—St. Hilaire Mill Will Be Started at Once.

Saturday night just before midnight the Crookston mill broke down, an accident occurring to the engine. The break is so serious that a new engine will have to be secured and the mill will not start again for at least three weeks.

Orders have been received to start the St. Hilaire mill which is now a single-band mill, as soon as possible and W. A. Gould left this afternoon for St. Hilaire to see about getting logs into boom and to make arrangements for the opening of the mill.

## TWO DITCHES

Beltrami County Will Get Two State Ditches Instead of One.

Beltrami county will get two state ditches instead of one as originally arranged. One of the ditches will be located near Kelliher and the other will drain Ten Mile Meadow into Lake Bemidji. Engineer Ralph made his report to the state drainage board Saturday and Senator Swedback, to whom all credit is due for securing the state ditches, was advised this morning of the board's decision.

The state money to be expended in their construction amounts to \$5,000. The original plan was to construct one ditch and the favored location was a short distance from the village of Kelliher, where a considerable portion of state land will be benefited. After investigation Engineer Ralph found that it would not require all the money on hand to build this ditch and Kelliher people who are much interested in securing the ditch will subscribe \$1,500 towards it. This makes two ditches possible. Work will be begun on both in a very short time.

### Selling Snakeroot.

Frank Potter, the well known Lake George stockkeeper, was in the city last night. Mr. Potter came in with a party of Indians, who have been digging snakeroot in that vicinity and had come to town to market it. They had over one hundred pounds, representing a good deal of labor. It is bringing a good price on the market this summer and the Indians are digging it all over the country at present.

### Big Police Court.

The police court broke the record for several months this morning when seven drunks and two vags were up before Judge Reynolds to answer. Tony Manning, John Gilroy, John Roach, James McDonald and Owen McGann went to the county jail for ten days and John Bacon and James Fitzgerald paid fines.

### Lively Runaway.

The team of John Smith, a farmer living on the west side of the city this morning took fright at the Great Northern depot and started to run. They ran through the woods towards the M. & I. depot, stripped the harness and broke the wagon up. The damage will be considerable.

### Land Office Hours.

Pursuant to a recent departmental order, the United States land office at Cass Lake, Minn., will be kept open for the transaction of public business from 9 o'clock a. m. to 4:30 p. m., except that on Saturdays, during the months of July, August and September the office will be closed at 1 p. m.

### ADDITIONAL LOCAL.

City Attorney Russell is at Walker today, where he is defending a case for selling liquor to the Indians.

Chas. Aitkin, assistant cashier of the First National bank at Grand Rapids was the guest of Bemidji friends yesterday.

George Millard has returned from his summer's vacation which he spent in visiting at his old home at Marshall and with friends at Owatonna.

Mr. and Mrs. H. F. Mark returned to Fosston this afternoon after a week's visit with Mr. and Mrs. R. W. Hitchcock.

Mrs. G. Oliver Riggs returned to Crookston this afternoon after an over Sunday visit with her sister, Mrs. Ed Bigelow.

Mr. and Mrs. Wm. Naylor, who have been visiting with family of their son, Ted Naylor for ten days have returned to their home at Wad-na. They are accompanied by their grand-daughter, Miss Maude, who will spend her summer vacation with them.

# THE NIMBLE NICKLE

Always goes a long ways at this Store.  
Not only in the Quantity of Goods purchased but Quality.

**QUALITY**  
Is never lost sight of—it is the corner stone of our business axioms. It's the quality that determines whether a thing is lone in price. A bushel of wheat at a dollar is cheap compared to a bushel of chaff at a nickle. It's a matter of quality as well as price. We stand by our representations and guarantee both price and quality.

## The Bazaar Store.
