The Business Men's club has

it is expected that it will present  
a very handsome appearance  
when complete. The matter is  
in charge of a committee consist-  
ing of W. C. Schroeder and R. W.  
Hitecock. Various donations of  
cash and materials have been  
made for completing the work.

**Safeguard the Children.**  
Notwithstanding all that is  
done by boards of health and  
charitably inclined persons, the  
death rate among small children  
is very high during the hot  
weather of the summer months  
in the large cities. There is not  
probably one case of bowel com-

timely use of Chamberlain's  
Colic, Cholera and Diarrhoea  
Remedy. For sale by Barker's

**Cured of Chronic Diarrhoea After  
Ten Years of Suffering.**  
"I wish to say a few words in  
praise of Chamberlain's Colic,  
Cholera and Diarrhoea Remedy,"  
says Mrs. Mattie Burge, of Mar-  
tinsville, Va. "I suffered from  
chronic diarrhoea for ten years  
and during that time tried vari-  
ous medicines without obtaining  
any permanent relief. Last sum-  
mer one of my children was taken  
with cholera morbus, and I pro-  
cured a bottle of this remedy.  
Only two doses were required to  
cure her. I then decided to  
try the medicine myself, and  
did not use it of me before  
before I was well and I have never  
since been troubled with that  
complaint. One cannot say too  
much in favor of that wonderful  
medicine." This remedy is for  
sale at Barker's Drug store.

Nothing can be better than the  
best. Mark's Lung Balsam is the  
best.
