**Cured of Chronic Diarrhoea After
Ten Years of Suffering.**

"I wish to say a few words in
praise of Chamberlain's Colic,
Cholera and Diarrhoea Remedy,"
says Mrs. Mattie Burge, of Mar-
tinsville, Va. "I suffered from
chronic diarrhoea for ten years
and during that time tried vari-
ous medicines without obtaining
any permanent relief. Last sum-
mer one of my children was taken
with cholera morbus, and I pro-
cured a bottle of this remedy.
Only two doses were required to
give her relief. I then decided
to try the medicine myself, and
did not use all of one bottle be-
fore I was well and I have never
since been troubled with that
complaint. One cannot say too
much in favor of that wonderful
medicine." This remedy is for
sale at Barker's Drug store.

Night Was Her Terror.

"I would cough nearly all night
long," writes Mrs. Chas. Apple-
gate, of Alexandria, Ind., "and
could hardly get any sleep. I
had consumption so bad that if I
walked a block I would cough
frightfully and spit blood, but,
when all other medicines failed,
three \$1.00 bottles of Dr. King's
New Discovery wholly me and I
gained fifty-eight pounds." It's
absolutely guaranteed to cure
coughs, colds, la grippe, bron-
chitis and all throat and lung
troubles. Price 50c and \$1.00.
Trial bottles free at all druggists.

FOR SALE—Fifty cords of

To Bachelors.

There are some hundreds of
thousands more men than women
in the central and western states
of America and in Canada.

As a result thousands of trust-
worthy men—Farmers, Miners
and others—living in certain dis-
tricts there cannot possibly get
wives in their own neighbor-
hoods.

But in England, Scotland, Ire-
land and Wales there are a mil-
lion more women than men and,
in these countries, thousands of
good, intelligent and attractive
girls—many of them daughters
of farmers and all of them qual-
ified to make excellent wives—see
nothing before them while they
stay here but the prospect of
living and dying as old maids and
this, to them, is a decidedly un-
pleasant prospect. They would
willingly emigrate to America,
could they be assured that they
were going to meet worthy men
there as husbands, and that they
could look forward to happy, if
humble, homes on the other side
of the Atlantic.

We may say that all of them
could afford to emigrate at their
own expense.

We are prepared to give good
men introductions to these girls.

If you wish to get an introduc-
tion please write us with such
particulars of yourself (age, na-
tionality, occupation and circum-
stances) as a sensible girl would
expect to get and we shall write
you in reply, with a view to
bringing about a suitable intro-
duction without delay.

Tell us what kind of a wife,
(age, nationality, appearance and
disposition) you wish to get.
If you have preference for any
particular Christian Sect please
name it.

You will also enclose our fee of
five dollars. A further fee of 45
dollars will be due to us within
one month after marriage, thus
making 50 dollars altogether.
We do not confine ourselves to
one introduction. We give as
many as will be necessary until
marriage. But we make no
charge for any introduction after
the payment of our said fee of
five dollars for the first.

It is not at all necessary that
you should be a wealthy man.

But it is necessary that you
be a man who would make a kind
and good husband to a good wife.

If you are not such a man
please do not write us.
