MURDER!

Fifteen Hundred Dollars Reward

Whereas N. O. Dahl, and his daughter, Annet Dahl, are supposed to have been murdered near Quiring in Beltrami county, early in April of the present year, and their bodies have not been found, or the guilty parties discovered, and the Governor has offered a reward of Five Hundred Dollars for the arrest and conviction of the guilty parties or for such information as will lead to their arrest and conviction, and the relatives of said Dahl have offered a reward of Five Hundred Dollars for the discovery of said Dahl's bodies, now therefore the undersigned, County Attorney for said county, will pay an additional reward of Five Hundred Dollars, for information that will lead to the arrest and conviction of the perpetrator of said crime.

The total reward offered is the sum of Fifteen Hundred Dollars, and all persons are earnestly requested to communicate to me, or to the sheriff of this county, any information they may have upon this subject.

Dated July 21st, 1904.

H. J. LOTH,
 County Attorney, Beltrami County.

A Vile Disease

Contagious Blood Poison has wrecked more lives and caused more misery and suffering than all other diseases combined. Some are inclined to treat it lightly, but these soon learn that they have to deal with a powerful poison that is slowly but surely breaking down the constitution. Contagious Blood Poison not only mutes out punishment to the one who contracts it, but others may become innocent victims of this vile disease.

For years I was troubled with the most malignant type of chronic blood trouble. After trying various other remedies without getting any benefit, I was induced by a friend who was cured of a constitutional blood trouble, to take S. S. S. A few bottles cured me permanently. I also became puny and sickly, made miserable by disgusting sores and my health skin eruptions. Under the mercury and potash treatment all signs of infection may disappear, but leave off these minerals and you soon find out the poison is still alive and you are just as bad off as ever. S. S. S. is the only antidote for Contagious Blood Poison. It destroys the virus completely without injuring the system. It is a vegetable remedy, and we offer \$1,000 for proof that it contains a single mineral ingredient. S. S. S. not only works the poison out of the blood thoroughly, but restores vigor and strength to all parts of the system.

Write for our special book on Contagious Blood Poison, describing the different stages and symptoms and containing much other interesting information about this most despicable of all diseases.

Are Chiropractic Adjustments the same as Osteopath Treatments?

No. The Chiropractic and the Osteopath both aim to put in place that which is out of place, to right that which is wrong; but the Pathology Diagnosis, Prognosis and Movements are entirely different. One of my patients, Mr. W. A. Casler, has taken both Chiropractic and Osteopath treatments. The Chiropractic is ten times more direct in the adjustments and the results getting health ten times more thorough in one tenth of the time than an Osteopath would.
