

JEFF WINS IN SECOND

Munroe No Match For The Husky Holder of Championship Title.

MILL WAS A FARCE FROM BEGINNING TO END.

The Miner Was Completely At the Mercy of Jeffries At All Times.

San Francisco, Aug. 27.—Like the veriest amateur in the prize ring, Jack Munroe, of Butte, Mont., went down and out before Champion Jim Jeffries in the second round. The man from the mining camp made such an extremely sorry showing that the great throng in the Mechanics Pavilion roundly hooted him as he protested to Referee Graney against the decision that had been given in favor of Jeffries. The two giants had not been in the ring two minutes when it was foreseen that the aspirations of Munroe would be quickly disposed of. The miner was scared and awkward and Jeffries in the first round had him twice on the canvas taking the count.

BABY IS DEAD

Child Burned at Turtle River Two Weeks Ago Died at Hospital This Morning.

The eleven month old child of Mr. and Mrs. A. M. Russell of Turtle River died at St. Anthony's hospital this morning as a result of burns sustained two weeks ago. A kettle of boiling water was accidentally upset and most of the water landed upon its head and body. It was treated for a few days at Turtle River by a Bemidji physician and later was brought to the hospital in this city, but the burns resulted fatally. The body will be taken to Turtle River tonight. The place for holding the funeral and interment has not as yet been decided.

BASE BALL

The management of the base ball team have been disappointed in securing a strong team to play here tomorrow. Brainerd refused to come although they had an open date and the game which was scheduled with Aitkin for tomorrow was called off on account of the one sided game which our team played with them last week.

The Bagley team was secured this morning to appear here tomorrow and they think that they can make a creditable showing against the fast local team. They have a new battery on whom they

MOTION IS DENIED

Judge Spooner Refuses to Allow Chouard a Rehearing on Murder Charge.

MATTER WILL BE TAKEN BEFORE SUPREME COURT.

Attorneys For Chouard Will Present Motion Before State Tribunal.

A decision was reached last night by Judge Spooner on the motion for a new trial for Wm. Chouard, the Cass Lake murderer. The court decided that he could not grant a new trial, and the matter will be carried to the supreme court of the state, where Chouard's attorneys will present a motion for a stay of execution.

Messrs. Bailey & McDonald, attorneys for the condemned man, state that they will carry the case as far as possible and will use every effort in their power to make the sentence lighter for Chouard.

All arrangements for the execution have been made by the authorities of Cass county, and the scaffold and gallows are completed. They occupy a place at the side of the jail and every nail driven can be heard by the condemned murderer. Father Murphy returned to Walker this morning and will remain there until after the execution takes place, unless the intervention of Chouard's attorneys secure either a stay of execution or a new trial for him.

MEETING OF PIONEERS

Large Attendance at Convention of Pioneers of Beltrami County.

FAIR EXHIBITS ARE BETTER THAN HAD BEEN EXPECTED.

Hon. Halvor Steenerson Present And Will Deliver Address This Evening.

The fourth annual meeting of the Old Settlers association of Beltrami county being held at Buena Vista is the most successful ever held. About two hundred are in attendance and it is reported from that town that the event is one of the most enjoyable of its kind ever held in the county.

The meeting opened yesterday with speeches by J. L. Reynolds of this city and J. W. Speelman of Buena Vista. Each spoke at some length upon the future of Beltrami county, complimented those who had been instrumental in bringing about a successful fair, and their remarks were loudly applauded.

Exhibits at the fair are numerous and are even better than had been expected. Over a hundred exhibits were made and the variety of specimens of vegetables and live stock exceed the anticipations of the promoters.

Many office seekers are present at the meeting and some very effective work is being done by all the candidates. Hon. Halvor Steenerson of Crookston and Hon. L. C. Simons of Red Lake Falls drove up from Bemidji this morning to take in the meeting, and Mr. Steenerson will probably speak to the assemblage tonight.

THOUSANDS OF ACRES

Big Sale of Red Lake Indian Lands at Crookston October 3.

BEST LANDS ON THE RESERVATION TO BE OFFERED.

Twice as Much Land to Be Sold as Was Offered at Fort Totten.

The adjourned sale of Red Lake Indian lands will be sold in Crookston on October 3.

At that time all of the lands in the Red Lake reservation that were not sold at the Thief River Falls sale will be sold at auction in Crookston. There will be some 1,000 tracts of land offered of 160 acres each, or 162,400 acres of some of the best grass and agricultural lands in the state. The revised lists of the lands will be published by the United States about Sept. 1.

The lands left are among the best on the reservation. North of the High Landing, as it is known, are some of the richest lands in the entire tract. They are low, but with proper drainage their productiveness will be as great as any of the Red River Valley lands. The tract between the Red Lake and Clearwater rivers is very desirable both because of its rich productiveness of grass and agricultural possibilities.

Unlawful to sell or offer for sale, also to have more than 100 ducks in possession at one time, or more than 50 other birds.
