BASE BALL

**Games With Big Duluths, Sunday
and Monday Will Draw
Big Crowds.**
The two games of base ball
which will be played on the local
field between the Big Duluths
and Bemidji will without a doubt
be the fastest exhibitions of ball
playing ever seen by the people
of the city during the present
season. The Bemidji aggrega-
tion will be strengthened for the
games by the addition of one or
two outside players, and Louis
Roy, who was injured some time
ago, will also take part in the
games. The management ex-
pects a good turnout from the
people of Bemidji, as it is under
very heavy expense in securing
the Big Duluth team.

**In Praise of Chamberlain's Colic,
Cholera and Diarrhoea Remedy.**

"Allow me to give you a few
words in praise of Chamberlain's
Colic, Cholera and Diarrhoea
Remedy," says Mr. John Ham-
lett, of Eagle Pass, Texas. "I
suffered one week with bowel
trouble and took all kinds of
medicine without getting any re-
lief, when my friend, C. Johnson
a merchant here, advised me to
take this remedy. After taking
one dose I felt greatly relieved
and when I had taken the third
dose was entirely cured. I thank
you from the bottom of my heart
for putting this great remedy in
the hands of mankind. For sale
by Barker's drug store.

DANCE MONDAY

**Foot Ball Club Will Give Second
Dance of Season at City
Hall Monday.**

The second dance to be given
by the foot ball club will take
place at the city hall Monday
night. All preparations for a
good time have been made and
several committees have been ap-
pointed to see that the event will
prove successful. A dance was
recently given by the club which
was largely attended.

Emergency Medicines.

It is a great convenience to
have at hand reliable remedies
for use in cases of accident and
and for slight injuries and ail-
ments. A good liniment and one
that is fast becoming a favorite
if not a household necessity is
Chamberlain's Pain Balm. By
applying it promptly to a cut,
bruise or burn it allays the pain
and causes the injury to heal in
about one-third the time usually
required, and as it is an antiseptic
it prevents any danger of
blood poisoning. When Pain
Balm is kept at hand a sprain
may be treated before the infla-
mation sets in, which insures
a quick recovery. For sale by
Barker's drug store.

Fearful Odds Against Him.

Bedridden, alone and destitute.
Such, in brief was the condition
of an old soldier by name of J. J.
Havens, Versailles, O. For years
he was troubled with kidney dis-
ease and neither doctors nor
medicines gave him relief. At
length he tried Electric Bitters.
It put him on his feet in short
order and now he testifies, "I'm
on the road to complete recov-
ery." Best on earth for kidney
and liver troubles and all forms
of stomach and bowel complaint.
Only 50c. Guaranteed by all

Are Chiropractic Adjustments the same as Osteopath Treatments?

No. The Chiropractic and the Osteopath both aim to put in place
that which is out of place, to right that which is wrong; but the Path-
ology Diagnosis, Prognosis and Movements are entirely different.
One of my patients, Mr. W. A. Casler, has taken both Chiropractic
and Osteopath treatments. The Chiropractic is ten times more direct
in the adjustments and the results getting health ten times more thor-
ough in one tenth of the time than an Osteopath would.
