A Fair Price.

Market reports show that there is a slump in the potato yield in the northwest although the crop generally is a good one. Under present conditions potatoes will continue to bring a fair price in Beltrami county throughout the winter.

Has Sold a Pile of Chamberlain's Cough Remedy.

I have sold Chamberlain's Cough Remedy for more than twenty years and it has given entire satisfaction. I have sold a pile of it and can recommend it highly.—Joseph McElhiney, Linton, Iowa. You will find this remedy a good friend when troubled with a cold or cough. It always affords quick relief and is pleasant to take. For sale by Barker's drug store.

Crookston's Charter.

Crookston's new charter has been submitted to the people, having been unanimously adopted by the charter commission. The charter is practically identical with that submitted for Bemidji this year with the exception that the terms of members of the council are made four years. There is no opposition to the adoption of the charter.

Emergency Medicines.

It is a great convenience to have at hand reliable remedies for use in cases of accident and for slight injuries and ailments. A good liniment and one that is fast becoming a favorite is not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required, and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before the inflammation sets in, which insures a quick recovery. For sale by Barker's drug store.

Hallock Headquarters.

Mel Barnard, the Soo line contractor, has about completed all of his work at Thief River Falls and will, during the coming week move his headquarters and offices to Hallock, which is the most convenient point to make the center of the work. The graders are pushing the work on rapidly and Mr. Barnard will soon have his contracts in such good shape that a great many teams can be turned into the woods for the season's logging operations.

Bemidji Has an Opportunity This Evening to Secure Something For Nothing.

The lecture which Dr. Egan will deliver at the Presbyterian church this evening is contributed by him as a donation to the public library. Dr. Egan lectures only in the largest cities and under no other circumstances could Bemidji possibly secure anything so superior.

Dr. Egan is a very entertaining speaker and by reason of his position in the world of letters speaks with authority. The entertainment will be unexcelled by anything that has been heard in this city.

All the expenses for the lecture have been donated so that the gross proceeds of event will go to the support of the public library.

AMUSEMENTS

In presenting the great and powerful drama "Ghosts", this season, Miss Laura Frankfield has spared neither time or expense. Everything has been done to insure a first class performance of this difficult and intensely interesting play. The company are all capable, and the wonderful drama will be vividly enacted. Do not forget the date Tuesday, Sept. 20.

Chas. A. Gay, who plays the eccentric comedy role of Carpenter Engstrom, in "Ghosts", toured the country playing the same part with Mary show all last season. He handles a very difficult part in a thoroughly artistic manner. Secure your seats for "Ghosts". It is positively the dramatic event of the season.

The secret of Henrik Ibsen's work is that he is not afraid to tell the truth. He calls a spade a spade. He is no hypocrite and in the drama of "Ghosts", he goes to the root of the matter and shows by powerful illustration how the sins of a father are visited on the children. Do not fail to see this sensational play by Laura Frankfield and a superb company at the Opera House, Tuesday Sept. 20.

CHRONIC SORES

Wheeling, W. Va., May 28, 1903.

Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have the sores ever broke out again. Some 12 years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.

JOSEPH W. FRYBIS.

Care Schmulback Brewing Co.

Chronic sores start often from a pimple, scratch, bruise or boil, and while salves, washes and powders are beneficial, the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all impurities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood purifier and tonic combined. Contains no mineral whatever but is guaranteed purely vegetable. If you have an old sore write us and our physicians will advise without charge. Book on diseases of the Blood free.

Are Chiropractic Adjustments the same as Osteopath Treatments?

No. The Chiropractic and the Osteopath both aim to put in place that which is out of place, to right that which is wrong; but the Pathology Diagnosis, Prognosis and Movements are entirely different. One of my patients, Mr. W. A. Casler, has taken both Chiropractic and Osteopath treatments. The Chiropractic is ten times more direct in the adjustments and the results getting health ten times more thorough in one tenth of the time than an Osteopath would.
