## A BAD DISORDER

In the fall of 1895 I contracted that fearful disease, Blood Poison. It gained such headway that I was forced to resign my position and seek relief at Hot Springs. After spending all the means I had I went to Memphis. In less than three weeks I was in a hospital, and after nine weeks of suffering I was discharged as cured. In less than a month every bone in my body seemed to be affected and felt as if they would break at the least exertion. Again I was compelled to resign, and I returned to the hospital for a seven weeks stay. When I came out I was advised to try farming. When I first went on the farm I prevailed on the only firm who handled drugs to get me one dozen bottles of S. S. S. At that time both of my hands were broken out with blisters and I was covered with boils and sores. In the meantime my druggist had gotten two dozen bottles of S. S. S. for me and I began its use, and after taking the thirteenth bottle not a sore or boil was visible. R. B. POWELL, East 9th St., Little Rock, Ark.

Of all human diseases, Contagious Blood Poison is the most hideous and hateful. The victim is tortured with eating ulcers, sores and abscesses, unsightly blotches, eruptions and other symptoms of the miserable disease. S. S. S. has been used successfully for nearly fifty years for Contagious Blood Poison. It contains no mercury, potash or other mineral. Our home treatment book gives all the symptoms of this disease. Medical advice free.

### Threshing.

J. P. Duncalf is busy these days threshing the grain on his farm three miles south of the city. Mr. Duncalf has a large amount of oats and barley and reports that it shows up very well.

### Will Manufacture Candy.

Koch & Stewart, proprietors of the Grill, inform the Pioneer that in the near future they will install machinery for making all kinds of candy and will manufacture sweet meats for their trade.

### Council Meeting.

At the meeting of the city council tonight very little business of importance will be acted upon. The usual grist of bills will be allowed and some other small matters of minor importance will be heard.

### To Tour Red Lake.

Crookston Journal: William P. Murphy, attorney and counselor at law, leaves this morning, accompanied by his trusty rifle a hunting axe and equipment for the big game country of Shotlet Brook, where he has business of importance to attend to during the next few days and matters to look up. Mr. Murphy will make the trip via Red Lake and anticipates a very pleasant time while in the big woods. He attempted yesterday afternoon to get up a party to accompany him on the trip but was unsuccessful in the venture.

### In Praise of Chamberlain's Colic Cholera and Diarrhoea Remedy.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, C. Johnson a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind. For sale by Barker's drug store."

### Are Chiropractic Adjustments the same as Osteopath Treatments?

No. The Chiropractic and the Osteopath both aim to put in place that which is out of place, to right that which is wrong; but the Pathology Diagnosis, Prognosis and Movements are entirely different. One of my patients, Mr. W. A. Casler, has taken both Chiropractic and Osteopath treatments. The Chiropractic is ten times more direct in the adjustments and the results getting health ten times more thorough in one tenth of the time than an Osteopath would.
