AMUSEMENTS

It goes without saying, that the theater going public become tired of a continuous grind of cheap farce comedy and melodrama, and for the past few years musical comedy has been seriously neglected outside of the large cities and even there, it has waned into farce. The theater goers are continually looking for something new and this time they will not be disappointed judging from all accounts. "A Devil's Lane" has been warmly commended by the press and public elsewhere as the brightest and funniest musical comedy in years. At City Opera House on Tuesday, Oct. 18.

Will Operate Seven Camps.
Blakely & Farley, the Farley loggers, will operate seven camps in the vicinity of Tenstrike and Farley the coming winter instead of three as they intended. The company sold out their large contract on the reservation and as a result will conduct four camps in addition to those which they had intended to operate. Three of the camps will be tributary to Farley while the remainder will be near Tenstrike.

Camp Fire.
The G. A. R. and ladies of the Major Wilkinson circle will hold a camp fire at Odd Fellows hall on Saturday Oct. 15. Supper will be served in the hall from 6 to 8 p. m. after which music and short addresses by commander and others will be had. Everybody invited.

NAGGING PAINS

Newport News, Va., July 22, 1903.
Last summer while recovering from illness of fever, I had a severe attack of Inflammatory Rheumatism in the knees, from which I was unable to leave my room for several months. I was treated by two doctors and also tried different kinds of liniments and medicines which seemed to relieve me from pain for awhile, but at the same time I was not any nearer getting well. One day while reading a paper I saw an advertisement of S. S. S. for Rheumatism. I decided to give it a trial, which I did at once. After I had taken three bottles I felt a great deal better, and I still continued to take it regularly until I was entirely cured. I now feel better than for years, and I cheerfully recommend S. S. S. to any one suffering from Rheumatism.
613 3rd St. CHAS. E. GILDER, M.D.

Rheumatism is caused by uric acid or some other acid poison in the blood, which when deposited in the muscles and joints, produce the sharp, cutting pains and the stiffness and soreness peculiar to this disease. S. S. S. goes directly into the circulation, all irritating substances are neutralized and filtered out of the system, the blood is made pure and the general health is built up under the purifying and tonic effects of the vegetable remedy.

Write for our special book on Rheumatism which is sent free. Our physicians will advise without charge all who will write us about their case.

Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin, as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one-third the time required by the usual treatment. Sold by Barker's Drug store.
