THE LIVER QUARANTINE

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health.
A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness.
In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.
Two sizes, 25c and 75c. All druggists.

Sold by A. Gilmour & Co.

FIRST CLASS

No Disorderly Conduct Will Be Tolerated at New Variety Theatre.

Harris Wilmot, stage manager of the "Star Theatre" as it will be known, declares that the theatre will be maintained in a strictly first class manner. Mr. Burke the proprietor has engaged the best talent for his manager, Harvey Reese, well known in this section of the county and a popular gentleman. Mr. Wilmot, who is a singer of note, will be stage manager and assistant manager of the theatre under Mr. Reese. Mr. Wilmot states that he realizes that there are some people who are opposed to the opening of the theatre on account of its unsavory reputation in the past but he hopes that the public will withhold their judgement on the present venture until they see the manner in which the house will be conducted.

Cause of Lockjaw.

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin, as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is roused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one-third the time required by the usual treatment. Sold by Barker's Drug store.

Touring the North.

Hon. Nels K. Nelson, grand president of the Independent Order of Scandinavian Workingmen who has spent the past ten days in Bemidji left this morning for Brainerd where he will spend some time and from which point he will visit other northern Minnesota towns. Mr. Nelson expressed himself as delighted with Bemidji, and hopes to return here at some time in the not distant future.

A Love Letter.

Would not interest you if you're looking for a guaranteed salve for sores, burns or piles. Otto Dodd, of Ponder, Mo., writes "I suffered with an ugly sore for a year, but a box of Bucklen's Arnica Salve cured me. It's the best salve on earth. 25c at all druggists."

A Good Company.

The Halton Powell company rendered East Lynne to a fair audience last evening. The company is a good one and deserves support. Tonight they will give that famous melodrama, "Master and Man." The specialties and moving pictures between acts are especially good. The company goes from here to Duluth for a return engagement in that city.

Open Headquarters.

The republican county committee will immediately open headquarters in the old Ross hardware building on Beltrami avenue. A huge banner is in making to designate the headquarters. Literature will be provided and the room will be made comfortable for visitors and for occasional meetings. Plans are also laid for the receiving of the returns election night.

Confessions of a Priest.

Rev. Jno. S. Cox, of Wake, Ark., writes, "For 12 years I suffered from yellow jaundice. I consulted a number of physicians and tried all sorts of medicines, but got no relief. Then I began the use of Electric Bitters and feel that I am now cured of a disease that had me in its grasp for twelve years." If you want reliable medicine for liver and kidney trouble, stomach disorder or general debility, get Electric Bitters. It's guaranteed by all druggists. Only 50c.

Scrapped It Out.

At the meeting of the school board last evening W. A. Cassler, whom the board has declared is no longer entitled to be a member of the board was present with his attorney, E. E. McDonald, and the matter evoked considerable discussion. The board held to its original contention that Mr. Cassler is not a resident of the district and cannot therefore serve on the board, and refused to recognize him as a member or to accept his vote. Mr. Cassler will probably appeal to the courts.

Are Chiropractic Adjustments the same as Osteopath Treatments?

No. The Chiropractic and the Osteopath both aim to put in place that which is out of place, to right that which is wrong; but the Pathology Diagnosis, Prognosis and Movements are entirely different. One of my patients, Mr. W. A. Casler, has taken both Chiropractic and Osteopath treatments. The Chiropractic is ten times more direct in the adjustments and the results getting health ten times more thorough in one tenth of the time than an Osteopath would.
