Rector of St. Luke's.—Ashburnham, Ontario, Testifies to the Good Qualities of Chamberlain's Cough Remedy.

Ashburnham, Ont., April 18, 1908.—I think it is only right that I should tell you what a wonderful effect Chamberlain's Cough Remedy has produced. The day before Easter I was so distressed with a cold and cough that I did not think to be able to take any duties the next day, as my voice was almost choked by the cough. The same day I received an order from you for a bottle of your Cough Remedy. I at once procured a sample bottle and took about three doses of the medicine. To my great relief the cough and cold had completely disappeared and I was able to preach three times on Easter Day.

I know that this rapid and effective cure was due to your Cough Remedy. I make this testimonial without solicitation, being thankful to have found such a Godsent remedy. Respectfully yours, E. A. Langfeldt, M. A., Rector of St. Luke's Church. This remedy is for sale by Barkers Drug Store.

In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by all druggists. Price, 75c. per bottle. Are Chiropractic Adjustments the same as Osteopath Treatments?
No. The Chiropractic and the Osteopath both aim to put in place that which is out of place, to right that which is wrong; but the Pathology Diagnosis, Prognosis and Movements are entirely different. One of my patients, Mr. W. A. Casler, has taken both Chiropractic and Osteopath treatments. The Chiropractic is ten times more direct in the adjustments and the results getting health ten times more thorough in one tenth of the time than an Osteopath would.
