Terrible Rain of Iron Hail For Japanese Guns.

### WOMAN IS IN TOILS

Mrs. Chadwick Arrested and Hearing is set for December 17th.

New York, Dec. 8.—Mrs. Cassie Chadwick was arrested last night and was arranged this morning before United States Commissioner Shields. Her hearing was postponed until December 17 and bail was fixed at \$15,000. Her attorney is now searching for bondsmen.

### Will Prosecute No One for Forging His Signature.

New York, Dec. 8.—Andrew Carnegie said during the day that he had not the slightest intention of prosecuting anybody for forging his signature to notes, even if further investigation showed that such forgery has been committed.

After a conference with her attorneys during the afternoon Mrs. Chadwick announced that she would leave the New Amsterdam hotel immediately. She got up from her bed, but she exertion worked disastrously and she fainted. She then said that she would leave in about half an hour. She carried out her intention, going to the Hotel Breslin. She was accompanied by her son and a maid. Attorney Andrew Squire, in an interview, said: "I am not now nearly so confident of a settlement of the claims against Mrs. Chadwick as I was before I saw her during the day. I do not think now that a settlement is possible and I perhaps know as much as any one else does about her affairs. I was once her counsel in Cleveland." Soon after Mrs. Chadwick arrived at the Hotel Breslin she sent down to the office for the secret service men who have been shadowing her. They went at once to her apartments.

### SENSATIONAL REVELATIONS.

Prominent Ohio Man Hints About Chadwick Mystery.  
New York, Dec. 8.—One of the prominent men from Ohio now here said during the day: "In a day or two revelations will be made which will show the Chadwick case to be the most colossal affair of the century." "Five prominent New York men, whose names have not yet been mentioned, will be involved as deeply as Mrs. Chadwick." "A number of wealthy and prominent Western men will also be dragged into the case and numerous prosecutions will follow. These facts will be made public through the grand jury investigation which begins at Elyria, O., shortly."

### TO PROTECT PATRONS

CANFIELD AND BUCKLIN PLEAD GUILTY TO MAINTAINING A GAMBLING HOUSE.

PROMPTLY FINED AND PAY \$2,000

PATRONAGE OF THE PLACE BELONGED TO NEW YORK'S EXCLUSIVE SET.

New York, Dec. 8.—Richard A. Canfield and David Bucklin, respectively proprietor and manager of what was said to be the most exclusive gambling house in the country, were indicted by the grand jury on the charge of maintaining a gambling house at 5 East Forty-fourth street. They were then taken before Judge Cowing and pleaded guilty to the indictments. Canfield and Bucklin were fined \$1,000 each by Judge Cowing. The recommendation for this action was made by the district attorney. Both immediately paid the fines. Canfield's house is situated next door to the city's most fashionable restaurant and all his patronage came from the wealthiest men in the city. For years it was impossible to obtain evidence against him because no one was admitted to the house except guests known personally to Canfield

### SECURES ATTACHMENT

RECEIVER FOR MRS. CHADWICK GETS CONTROL OF CERTAIN SECURITIES.

THEIR VALUE TO BE ASCERTAINED

PAPERS TO BE BROUGHT BEFORE A REFEREE IN CLEVELAND NEXT MONDAY.

Cleveland, Dec. 8.—Referee Harold Remington, acting upon a motion filed by Nathan Looser, receiver for Mrs. Chadwick, has issued an attachment for all securities belonging to the latter in the possession of Iri Reynolds. Mr. Reynolds is commanded to appear before the referee with all stocks, bonds or securities held by him for Mrs. Chadwick. The bankruptcy proceedings will be heard before Referee Remington next Monday and are expected to develop whether or not the \$5,000,000 in securities alleged to be in the possession of Mr. Reynolds really exist. Mr. Reynolds is at present in New York, but a summons in the case has been served at his residence in this city. Referee Remington has issued an injunction restraining Reynolds from transferring or disposing of the securities.

### PHILIPPINE GOVERNMENT BILL

Senate Agrees to Vote on the Measure Dec. 16.

Washington, Dec. 8.—When the senate convened the regular call of business was made for the first time in the session and a large number of petitions, bills and joint resolutions were introduced. Mr. Dillingham (Vt.) presented the credentials of his colleague, Mr. Proctor, for the term beginning March 4 next.

Mr. Lodge (Mass.) called up the Philippine government bill for the purpose of asking to have the measure reprinted. After some discussion the senate agreed to vote on the Philippine government bill at 3 p. m. Dec. 16.

The senate in executive session confirmed all four cabinet nominations, Postmaster Wilcox at New York and Indian Commissioner Leupp. At 2:15 p. m. the senate adjourned.

### BRIEF HOUSE SESSION.

Routine Business Disposed of and Adjournment Taken.

Washington, Dec. 8.—Upon the convening of the house Mr. Bingham (Pa.), from the committee on appropriations, reported the legislative, executive and judicial bill.

The house, on motion of Mr. Payne (N. Y.), went into committee of the whole for the purpose of referring certain portions of the president's message to the respective committees having jurisdiction of the several subjects.

As soon as this was done the house, at 12:15, adjourned.

### HARVESTER COMPANY SUED.

Violation of Montana Anti-Trust Laws Charged.

Helena, Mont. Dec. 8.—Attorney General Donovan has begun proceedings in the supreme court against the International Harvester company for alleged violation of the state anti-trust laws. ### Six Died During Voyage.

New York, Dec. 8.—The tramp steamer Coulsdon, which arrived during the day from Java, is held by the quarantine officials in the belief that cholera exists on the vessel. Six men of the crew died during the voyage. Five other are ill with what the steamers' officers pronounce to be beriberi.

RICHARD CANFIELD.

or Bucklin or vouched for by one of the regular patrons of the house. District Attorney Jerome several years ago began a determined effort to secure the necessary evidence and to this end he subpoenaed Jesse Lewishohn, a member of a business firm, and called upon Mr. Lewishohn to answer whether he had ever gambled in Canfield's house. Lewishohn refused to answer on the ground that he was not required to give a reply which might tend to incriminate or degrade him. A special act was passed by the legislature to provide immunity to witnesses who might testify as Mr. Lewishohn had been asked to do. Still, however, Mr. Lewishohn declined to answer on the ground that the special act was unconstitutional. He fought the case to the court of appeals, the highest in the state, and recently that court handed down a decision sustaining the act and holding that Mr. Lewishohn should testify. Shortly afterwards it was given out that Mr. Canfield, in order to protect those who had visited his house, would plead guilty.
