CUPID'S ARROW NOT ARRESTED

In Spite of Obstacles Ballclub Couple Finally Succeeded in Plot.

The marriage of Frank Payne to Miss Rosana C. Stark, which was celebrated in this city yesterday afternoon. Rev. J. B. Smith officiating, ended a rather exciting matrimonial experience for the happy parties who are now man and wife, and who make their home at Ballclub. It has been a well known fact to the people of that city that a feeling akin to love existed between the two young people, but the objection of the parents of the young lady sought to put an end to any matrimonial advances on the part of the young man. Last Friday, however, Miss Stark left Ballclub ostensibly on a visit to relatives at Deer River. She took the train, but instead of stopping at Deer River, she came directly to Bemidji. Immediately after her departure it became necessary for Mr. Payne to take a business trip to Cass Lake, but he also failed to alight from the train in that city and came on through to Bemidji. In spite of this, their intentions were not known until Sunday afternoon, when the two appeared in a downtown store and nervously asked as a special favor that inquiry be made at the postoffice for a letter addressed to the prospective groom, and he stated confidentially that the letter contained a marriage license sent from the clerk of court at Grand Rapids. The postoffice was closed and the letter could not be secured until yesterday forenoon, when the document was extracted from the letter, afterwards being placed in the hands of Rev. Smith, who made the young couple man and wife. They returned to Ballclub last night and will make an effort to subdue the wrath of the happy bride's parents. Both the young people are well known in that city, Miss Stark being the postmistress.

TOWNSITE IS PURCHASED

Deal Closed This Morning For Purchase of Claim of Peter Becker.

M. D. Stoner this morning closed a deal with Peter Becker whereby C. A. Smith becomes owner of the claim of Mr. Becker, which is located 13 miles northwest of the city on the line of the new Red Lake railway. The work of platting the new town, says Mr. Stoner, will commence in the near future and the sale of lots will immediately follow. For the present the railway company will own all the townsites along the line of the railway but articles of incorporation are being prepared for the organization of a townsite company which will handle the townsites.

Married Last Night.

At the home of the bride's parents on Second street last night occurred the marriage of A. J. McGinnis to Miss Clara Peterson, Judge L. G. Pendergast officiating. The wedding ceremony was a simple affair and was performed in the presence of only a few friends of the contracting parties and the father and mother of the bride, Mr. and Mrs. A. Peterson. Mr. and Mrs. McGinnis are well known to many Bemidji people, each having lived in the city for a number of years. The Pioneer joins with their many friends in wishing them a prosperous life.
