THE TREASURE BOX.

E. A. Barker Has Just Put One in Which Will Interest All The Men.

There is a box at E. A. Barker's drug store which will interest the smokers in Bemidji. On the cover is a handsome picture of the great American eagle, while inside are fifty well made cigars, of good size, long Havana filler, called "Wadsworth Bros." "Chicos," that sell for 5c. each. There's no "six for a quarter" about the contents of this treasure box, for the "Chicos" cost E. A. Barker more than any other 5c. cigar in his case, and are equal to most of the 10c. goods. Try one and you will see that this is no fairy tale.

Wherever Wadsworth Bros.' "Chicos" are known, the best people in town burn them. Many a ten cent smoker has given up his three for a quarter and enjoyed the "Chicos" better. Get one today and see how good they are.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by the F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it failed to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., TOLEDO, OHIO.

Sold by Druggists, 75 cents. Take Hall's Family Pills for constipation.

Consumption Cured. Foley & Co., Chicago. Dana, Ind. Gentlemen:—Foley's Honey and Tar cured me of Consumption after I had suffered two years and was almost desperate.
