WHAT THEY SAY.

Dr. R. B. Foster: "It seems to me that the ordinance governing the promiscuous scattering of paper and other rubbish on the streets should be enforced. Along the lake shore there are a number of residents who throw waste paper out into the street and when a wind comes along it is scattered broadcast over the lawns and yards."

P. J. O'Leary: "Why should not Bemidji have a Fourth of July celebration this year? For several years past the people of the city have gone to other towns to spend the Fourth and a large amount of money that would have been left in the city has been spent away from home. A united effort to arrange for a celebration should be made at once."

Clerks May Hold Meeting.
It is planned by a number of members of the local Retail Clerks union to hold a meeting some time this week, at which a resolution will be adopted asking that the stores of the city close early evenings during the summer months.

Good Time at M. B. A. Dance.
The dance given last night by the Modern Brotherhood at the I. O. O. F. hall was largely attended and the occasion was thoroughly enjoyed by those present. The music was good and the supper served by the ladies was excellent.

Binghamton Man in Luck.
"Jones of Binghamton" was in town last night, not he who "pays the freight," but John C. Jones, as he registered at the Markham hotel.

For a few hours Jones was sad and despondent, and was not afraid to tell his troubles. Later in the day he was the happiest stranger within our gates, when he came up to the clerk of the Markham and whispered, "I found 'em; got 'em down at E. A. Barker's. Now I can eat a good dinner and look forward to smoking a Wadsworth Bros. 'Chico' afterwards. E. A. Barker says he has not had the 'Chicos' in stock very long, but they are already making a lot of friends. "Strange how homesick it makes a man to lean over a cigar case and not see a brand that he ever heard of before. That was the way I felt all day, but when I went into E. A. Barker's and saw my old friend, the Wadsworth Bros. 'Chicos,' I knew there was a good smoke coming to yours truly. It only costs 5 cents, but there is no 10c cigar that is as good, and I have smoked most of them."

Beatrice Wood.

A BOON TO SICK WOMEN.

After four years of vain endeavor to regain her health by taking other medicines, Miss Beatrice Wood was made a perfectly well woman by taking Wine of Cardui, the most successful menstrual regulator and woman's tonic known to the science of medicine.

She took Wine of Cardui and that is what we advise you to do.
Will you follow her example and be a well woman?

We could show you letters from 10,000 other women who praise Wine of Cardui as she praises it.

WINE OF CARDUI

No. 14 Main St., Pensacola, Fla., Nov. 20, 1903.
I had been suffering with irregular, scanty and most painful menstruation, and when the periods occurred I was unable to be up and had to stay in bed for a day or two. Nothing I took helped me until I used Wine of Cardui. It proved to be just what I needed. Within two months the serious pain had disappeared, my headaches were less frequent and not so severe and felt very much encouraged, but had to use your medicine for four months before I was entirely well and regular. I have enjoyed the finest health now for eighteen months. I am very regular and have no more pains and eat and sleep as well as could be desired.

AMUSEMENTS

Manager Wheelock has booked Stetson's "Ucle Tom's Cabin" for the City Opera house and this popular company will play here tonight. This should be a welcome announcement to patrons of that popular playhouse as well as to the general public that loves this charming old drama. It is a well known fact that the Stetson Company is one of the best that has ever presented this great play, and this season will but add to its popularity with young and old, for it is even better than what it has been, if such a thing could be possible to so good a company. New features have been added and old ones given a better interpretation. The musical part of the program has been greatly increased. It is said to have the heaviest scenic equipment of any company traveling.
