From the Chapin, S. A friend who had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy on hand gave each of us a dose and we at once felt the effects. I procured a bottle and before using the entire contents we were entirely cured. It is a wonderful remedy and should be on hand in every household. H. C. Bailey, Editor. This remedy is for sale at Barker's drug store.

**Lewis & Clark Exposition.**  
It is a noteworthy fact that the Lewis and Clark Exposition is the first world's fair to be held west of the Rocky Mountains which has secured the aid of the government.

"And it is also surprising what an interest is manifested in the Exposition by the people of the east. They see in the Exposition an opportunity to visit the western country at a greatly reduced expenditure of money, and not only see the Exposition itself, but view the wonders of our western scenery, and witness the great resources of the northwest and the opportunities afforded. The Great Northern Railway passenger department has been flooded with inquiries as to the rate for a big travel through the northwest this year.

### THE SECRET OF SUCCESS

Forty million bottles of August Flower sold in the United States alone since its introduction! And the demand for it is still growing. Isn't that a fine showing of success? Don't it prove that August Flower has had unflinching success in the cure of indigestion and dyspepsia—the worst enemies of health and happiness? Does it not afford the best evidence that August Flower is a sure specific for all stomach and intestinal disorders?—that it is the best of all liver regulators? August Flower has a matchless record of over 35 years in curing the ailing millions of these distressing complaints. Two sizes, 25c and 75c. All druggists.

### A Happy Young Bride.

One of the happiest young women in town was married only a few months ago, but her troubles began when she tried to think what to get her husband for a birthday present. Fortunately she consulted E. A. Barker our popular druggist and he suggested a box of Wadsworth Bros.' "Chicos."

Mr. Younghusband congratulated his wife on her good judgment in selecting cigars, and says he will not smoke anything but "Chicos" in the future, not only because his wife gave them to him, but because they satisfy his fastidious taste exactly, and just meet the needs of his pocket-book.

Wadsworth Bros.' "Chicos" are really a 10c cigar for 5c, as they are made with a long Havana filler, are good size, smoke free, and are a real cigar from the first puff up to the stub.

E. A. Barker is the local agent and wants all lovers of good cigars to try the "Chicos."

### Are Chiropractic Adjustments the same as Osteopath Treatments?

No. The Chiropractic and the Osteopath both aim to put in place that which is out of place, to right that which is wrong; but the Pathology Diagnosis, Prognosis and Movements are entirely different. One of my patients, Mr. W. A. Casler, has taken both Chiropractic and Osteopath treatments. The Chiropractic is ten times more direct in the adjustments and the results getting health ten times more thorough in one tenth of the time than an Osteopath would.
