## TIME NOT QUITE RIPE

GENERAL STRIKE AND ARMED UP.  
RISING IN RUSSIA POSTPONED  
FOR THE PRESENT.

## NUMBER OF MANIFESTOS ISSUED

CONFERENCE DECIDES TO ENER-  
GETICALLY PUSH PREPARA-  
TIONS FOR REVOLT.

St. Petersburg, July 28.—At the end of a long series of conferences between the representatives of the central committees of the Social Democrats, social revolutionists, Peasants' league, workmen's councils of Moscow and St. Petersburg, the group of toll, members of the outlawed parliament and professional leagues it was decided not to attempt immediately to summon the people to declare a general strike or armed uprising. The determining factor in the decision was the advice of the revolutionary military committee, which reported that the time was not quite ripe. It was decided, however, energetically to push preparations and to address manifestos to the army and navy, peasants, workmen and the people generally.

It develops that at the final conference there was considerable dissension. The railroad men and large proportions of the workmen's organizations thought that the duty of taking the initiative fell to the peasantry, as the proletariat in the cities had already made sacrifices for the cause, but the representatives of the Peasants' league pointed out how impossible it was in the midst of the harvest

work for the poor peasants to leave the fields without making starvation next winter certain for themselves and their families.

## CZAR IN HIGH SPIRITS.

Convinced He Took Right Course in Suppressing Parliament.

St. Petersburg, July 28.—The emperor is apparently convinced that he took the right course in suppressing parliament. A member of the nobility enjoying personal relations with the sovereign informs the Associated Press that the emperor displays exceptionally high spirits. Two weeks ago when he saw him the emperor seemed under a great mental strain over the situation. But with "parliament off his hands" and the government again free to pursue its own policy a great burden appeared to be lifted from his shoulders. The original plan of creating an advisory council, the emperor having broken down Premier Stolypin's purpose, is to form a reorganized cabinet, containing non-bureaucratic elements which will be able to introduce the policy of "strong handed reform" proclaimed by the government. He has secured tentative acceptance from M. Guchkoff, the prominent moderate member of the Moscow zemstvo; Prince Georgi Evgenorovich Lvoff of Tula, Prince Nikolai Nikolievich Lvoff of Saratoff and St. Stakovich of Orel upon the condition that no less than half the portfolios are to be given to non-bureaucrats and that a "broad, conciliatory programme of reform" will be proclaimed in the hope of calming the population. Some of those with whom M. Stolypin is negotiating are insisting that the programme must include an unequivocal declaration in favor of placing the Jews and all other inhabitants on an equal footing before the law.

## NO REQUESTS TO CHARITY

EXCEPT SMALL SUMS TO RELATIVES RUSSELL SAGE'S FORTUNE GOES TO WIDOW.

New York, July 28.—Except for small bequests to relatives the fortune of Russell Sage is left to his widow. There are no charitable bequests in the will. There was nothing in the will to indicate the value of Mr. Sage's estate.

Each of Mr. Sage's nephews and nieces is left \$25,000. There is also a bequest of \$10,000 to Mr. Sage's sister, Mrs. Chapin, now deceased.

The section bequeathing the bulk of the estate to Mrs. Sage reads that she is "to have and to hold the same absolutely and forever."

The executors of the will are Mrs. Sage, Dr. John P. Munn, for many years Mr. Sage's physician, and Charles W. Osborne, who has had charge of Mr. Sage's office in this city.

The will contains a section forfeiting the bequest to any beneficiary who objects to the probate of the will or directly or indirectly contests it.

In the petition for the probate of the will the value of Mr. Sage's real estate was given as more than \$1,000,000 and the value of his personal property as more than \$20,000.

ROCKEFELLER WILL APPEAR.

Attorney for Oil King Waives Service of Warrant.

Findlay, O., July 27.—Attorney James O. Troup of Bowling Green, on behalf of John D. Rockefeller, has formally waived service of the warrant and entered his appearance in court and at the same time gave bond in the sum of \$1,000 for Mr. Rockefeller's appearance Tuesday, Sept. 4.

At the same time that the bond was given a motion to quash the information charging Rockefeller with conspiracy was also filed. The allegations are:

First—That a prosecution will not be under an information, but only under an indictment.

Second—That the affidavit and affidavits were not properly made.

Third—Many and several distinct offenses are charged in a single count and it is had for duplicity.

AFFECTS EIGHT THOUSAND MEN.

Strike of Eastern Ohio Coal Miners Declared Off.

Wheeling, W. Va., July 28.—The strike of 8,000 miners, which has been on in Eastern Ohio since April 1, has been officially declared off. Both miners and operators have accepted the terms agreed on by the scale committee. Word came from the United States Coal company officials that they will accept the terms of the settlement for their mines at Bradley and Plum Run.

The scale differs but slightly from the wage scale of 1903, except that some rules then existing are modified and new ones are added.

Indianapolis Manager Suspended.

Milwaukee, July 28.—President J. D. O'Brien of the American Association of Baseball Clubs has announced the suspension of Manager Charles Carr of Indianapolis pending investigation of an alleged assault on a spectator during Thursday's game.

Twenty-five Persons Injured.

Springfield, Mo., July 28.—Twenty-five passengers were injured, two probably fatally, and over a score more were badly shaken up in the derailment here of three coaches of a St. Louis and San Francisco train bound for St. Louis.

TOWNE SEEKS SECOND PLACE.

Former Minnesotan Willing to Be Bryan's Running Mate.

Washington, July 28.—Charles A. Towne, formerly a Republican member of congress from Minnesota, later for a few weeks a senator from that state and now one of Tammany's representatives in the lower house, is a candidate for the vice presidential nomination provided Bryan is named to head the next Democratic national ticket.

In virtually announcing his candidacy in this contingency here Mr. Towne proclaimed the important news that if Bryan is seated in the White House the vice president will cease to be merely the presiding officer of the senate and become a member of the executive's cabinet with a voice in all the matters of state that come before this council. The Tammany orator declared he would not accept a second place under any one except Bryan and this announcement gives emphasis to the Tammany movement in favor of the Nebraskaan, which has the hearty support for former Chief Croker. The latter may return to America, possibly to assist in bringing about a Bryan-Towne combination, as matters now look.

PRETENDER'S FORCES ROUTED.

Serious All-Day Engagement Occurs in Morocco.

London, July 28.—A dispatch to a news agency from Tangier, Morocco, says that a serious all-day engagement has occurred near Muluya and that the pretender's forces were completely routed with heavy loss by the sultan's troops, who afterwards paraded the district with rebels' heads stuck on their bayonets as trophies of the victory.

## HELD ONLY IN TRUST

COURT DECIDES THAT ZION CITY INDUSTRIES DO NOT BELONG TO "ELIJAH" DOWIE.

## NAMES RECEIVER FOR PROPERTY

REFUSED TO APPOINT MEMBER OF CHURCH BECAUSE OF OB-  
LIGATION TAKEN.

Chicago, July 28.—Judge Landis of the United States district court gave his decision during the day in the controversy between the adherents of John Alexander Dowie and Wilbur Glenn Voliva over the property at Zion City.

The court holds that Zion City and its industries do not belong to Dowie; that, while the contributors of the funds did not express a formal declaration of trust, a trust was created and Dowie had no right to treat the property as his own.

The court refused to appoint Alexander Granger receiver for the reason that Granger made a vow recognizing Dowie as "a messenger of the covenant, the prophet foretold by Moses and Elijah the Restorer," to which vow "all family ties and obligations and all relations to human governments shall be held subordinate."

The court said he was not obliged to re- pose confidence in a man so constituted that, living in this republic, he would solemnly vow his readiness at all times to abandon his family and betray his country.

Orders Electic

The court orders

the third Tuesday of September of a gen- eral overseer, all members of the church residing in Zion City, male and female, to have one vote. He an- nounced that suitable provision would be made for Dowie on account of his services as trustee.

Later in the day John C. Hatley was appointed receiver of Zion City. His bonds were placed at \$25,000. The adjudication in the bankruptcy pro- ceedings against Dowie was set aside.

The effect of the decision is to place the industrial affairs of Zion City in the hands of the court, through the agency of Mr. Hatley, while the church's spiritual matters will come under the supervision of the overseer to be elected in September. Claims against Dowie are now claims against the receiver.

Mr. Hatley is a member of the board of trade, a capitalist and is active in charitable and reform move- ments.

DOWIE'S SPOKESMAN TALKS.

Maintains That God Alone Can Choose First Apostle.

Zion City, Ill., July 28.—Deacon John A. Lewis, recognized as the spokes- man of Dowie and who was chosen by him to manage the Paradise plan- tation of Mexico, the rock over which it is alleged the Dowie and Voliva partisans split, had the following to say of the decision:

"If the decree of Judge Landis stands the Christian Catholic Apostolic church of Zion is uprooted. The church is founded on the theory of theocracy and how then can an election under the laws of Cook county, Ill., proclaim who shall be leader of the hosts. I maintain that God Al- mighty alone can designate who shall be the first apostle. I firmly believe that the Lord has designated John Alexander Dowie to lead the hosts to the paths of light. Therefore, when a special election is called the whole fabric of the church is destroyed. If God designates the leader how can man choose him?"

"As far as property rights are con- cerned they matter little to us, the great question is that of spiritual con- trol, upon that the very foundation of the church depends. I am sure Dr. Dowie will never be satisfied with the decision as rendered."

UNDER THE EIGHT-HOUR LAW.

First Prosecution in District of Colum-  
bia Begun.

Washington, July 28.—The first prosecution in the District of Columbia for violation of the eight-hour law on government work was begun here during the day when State's Attorney Baker filed in the police court three informations against the Pennsylvania Bridge company, a corporation of Pennsylvania, and two against the District Construction company of the District of Columbia. The two com- panies are engaged in the building of bridges in the District of Columbia appropriated for by the government and the allegation is made that prac- tically since the beginning of the work the men have been required to labor ten hours a day.

DENIED BY GERMAN CONSUL.

Kaiser Did Not Advise Dissolution of Parliament.

Moscow, July 28.—The German con- sul here has published a letter deny- ing that Emperor William had advised the emperor to dissolve parliament and stating that he was authorized to say that Germany did nothing to en- courage the Russian government to take that step.

## PROBABLY LOST IN WOODS

WHEREABOUTS OF MILITIAMEN WHO ATTEMPTED TO ARREST DIETZ UNKNOWN.

## Ladysmith, Wis., July 28.—The

militiamen, who, with Sheriff Gylland of Sawyer county, went out to capture John Dietz, are believed to have been captured by Dietz and his family or are lost in the woods. The members of the company, who are from Mil-waukee, are William Vackavita, Frank Napoala, Jerry Napoala, George La Rose, Jack Ragich, Robert Zimmer and John Hoelt.

Vackavita is the man who was shot in the battle and who was reported to be in a serious condition. He re- ceived several wounds in the hip, neck and leg.

Sheriff Gylland, with Dr. Rose and the rescue party which started out to meet the militiamen, have arrived here. They had not found the wound- ed man or any of the party.

Sheriff Gylland said that one of Dietz' little girls, who was out with the cattle, gave the first intimation that the officers were coming.

The officers say that a dozen or more shots were fired by the family before the militia got in a shot.

GOVERNOR WILL NOT ACT.

Sheriff Must Exhaust His Powers in Effort to Capture Dietz.

Madison, Wis., July 28.—Governor Davidson during the day said no re- quest had been made for militia to capture John Dietz, who holds the dam at Cameron against the Missis- sippi Log and Boom company. The governor added that if the militia as- sisted in the attempt they did so with- out authority. The governor will take no action until the sheriff's powers have been exhausted.

CHARGE TOO HEAVY.

Burglars Blow Out Entire Front of Building.

St. Paul, July 28.—The postoffice and the general store of J. M. Hickey at St. Paul Park were dynamited by burglars and damage amounting to fully \$1,500 was done.

The thieves went to the postoffice shortly after midnight. The stamp safe was dynamited and \$100 in cash and some stamps were taken. The safeblowers then went to Hickey's general store and tried to blow the iron safe. The charge was too heavy and instead of breaking the safe door blew out the entire front of the build- ing.

POLICE ROUT SOCIALISTS.

Anti-Government Speech Is Laid to National Lecturer.

Council Bluffs, Ia., July 28.—A street meeting addressed by Harry McKee of California, national lecturer and or- ganizer for the Socialist party, was broken up by the police. McKee claims to have received permission from the mayor to hold the meeting, but Chief of Police Richmond declared that McKee was making an inflamma- tory speech against the government and that he will not permit it.

Two Brothers Drowned.

Minneapolis, July 28.—Carl and Ralph Dove, aged nine and ten re- spectively, were drowned at Hefton lake while bathing. They were at the lake with a party of older boys, but went in swimming together. The bodies were found locked in each other's arms and it is supposed that one of the boys was taken with cramps and that the other in attempting a rescue was caught and held.

ROOT AT RIO JANEIRO.

Secretary of State Heartily Cheered by Assembled Crowds.

Rio de Janeiro, July 28.—The United States cruiser Charleston, with Secretary Root on board, entered the harbor from Bahia at 7 a. m. and was saluted with nineteen guns from the forts. The American ambassador, Mr. Griscom, and the Brazilian am- bassador to the United States, Senor Nabuco, went on board the Charleston at 9:30, which was soon surrounded by hundreds of noisy launches and ferries crowded with people anx- ious to greet the American secretary of state. The latter and his family, accompanied by Senor Nabuco, landed in the thirty-ear barge John VI. amid the salutes of the assembled warships, including those of Brazil, Germany and Argentina. On landing Mr. Root was welcomed by General Rio Branca, the Brazilian foreign min- ister, as the representative of Presi- dent Alves. A reception was then held beneath a floral arch at the land- ing place, which was surrounded by troops and many thousands of cheer- ing people.

BALM FOR WOUNDED HEART.

Millionaire Settles Breach of Promise Suit for \$25,000.

Pittsburg, July 28.—To avoid the publicity and scandal of what prom- ised to be one of the most sensational breach of promise suits heard for years in the local courts Gibson D. Packer, the millionaire attorney, has effected a settlement in the suit filed against him by Mrs. Mary I. Vetter, a young widow, who until recently lived in the East End. An announcement to this effect was made by Attorney J. Rogers McCreery, who represented Mrs. Vetter. Mrs. Vetter had insti-

tuted suit for \$100,000 damages for alleged breach of promise to marry.

Although Mr. McCreery would not state the terms on which the settle- ment was reached he said they were satisfactory to both parties in the case. It was learned from another source that the sum Mrs. Vetter re- ceived was something more than \$25,000. This was practically con- firmed by Attorney Thomas M. Mar- shall, who represented Mr. Packer.

## CHANGE PLEAS TO GUILTY.

Defendants at Fargo Admit Fencing Government Lands.

Fargo, N. D., July 28.—H. D. Huide- koper and E. C. Huidekoper of Pitts- burg and W. G. Clark of this state changed their pleas of not guilty to guilty in the United States court here. They were indicted on the charge of illegally fencing government lands. They were former owners of the Little Missouri Horse company in the western part of the state and in addi- tion to their 40,000 acres of land fenced in 70,000 acres of government land.

Their attorney explained to the court that the fencing law was gen- erally regarded as a dead letter and the defendants immediately tore down the fences when ordered to do so by government officials.

Judge Amidon took the matter un- der advisement.

## CONDEMNES THE "PEEK-A-BOO."

Woman Lecturer Also Frowns on Tight Lacing and Petticoats.

Madison, Wis., July 28.—In a lec- ture at the state university Miss Abby S. Mayhew, dean of women at the uni- versity, condemned "peek-a-boo" waists, tight lacing and petticoats. Large shoes, low necks and round garters were favored. She said:

"We are never going to be free so long as we wear petticoats. Woman will never have perfect freedom un- less she wears a gymnasium-like cos- tume. I am not advocating this for the present day, but perhaps in a cen- tury we shall grow to it."

## STRICT RULES ISSUED

REGULATIONS FOR CONTROL OF  
PACKINGHOUSES GIVEN OUT  
AT WASHINGTON.

## BUILDINGS MUST BE KEPT CLEAN

BE REPLACED WITH SUIT-  
ABLE MATERIAL.

OLD FLOORS AND EQUIPMENT TO

Washington, July 28.—Secretary

Wilson has made public the regula-

tions under the new law governing the

inspection of meat products for inter-

state and foreign trade. They do not,

however, cover the subject of inter-

state transportation of meat or the

microscopic investigation of pork for

export. Regulations on these subjects,

it was stated, will be issued later.

The regulations are stringent through-

out and are in line with the best au-

thorities on the subjects of sanitation,

preservatives, dyes, chemicals and

condemnation of diseased carcasses.

The general regulations provide

that the scope of the inspection shall

cover all slaughtering, packing, meat

canning, salting, rendering or similar

establishment whose meats or meat

food products, in whole or in part,

enter into interstate or foreign com-

merce, unless exempted from inspec-

tion by the secretary of agriculture.

Under the law the only establishments

which may be exempted by the secre-

tary are retail butchers and retail

dealers supplying their customers in

interstate or foreign trade, but even

these exempted classes are required

to submit to the secretary an applica-

tion for exemption.

All animals, carcasses and meat food

products will be subjected to a rigid

inspection. Reinspection will be had

wherever necessary.

Strict Sanitary Regulations.

The sanitation regulations require

the establishments in which animals

are slaughtered and meats and meat

food products are prepared, cured,

packed, stored or handled to be suit-

ably lighted and ventilated and to be

maintained in a sanitary condition.

All work in such establishments must

be performed in a cleanly and sani-

tary manner. All portions of the build-

ings must be whitewashed or painted,

or where this is impracticable they

must be washed, scraped or otherwise

rendered sanitary; old floors and old

equipment which cannot be made sani-

tary must be removed and replaced

by suitable material. All trucks,

trays, chutes, platforms, racks, tables,

knives, saws, cleavers and all utensils

and machinery used in handling meats

must be thoroughly cleaned daily. Em-

ployees of the establishments must

wear outer clothing of a material that

is easily cleaned and made sanitary

and all toiletrooms, urinals and dress-

ingrooms are required to be entirely

separate from apartments in which

carcasses are dressed, or meats and

meat food products are prepared. Man-

agers of establishments will not be

permitted to employ any person af-

fected with tuberculosis in any of the

departments where carcasses are

dressed, meats handled or meat food

products prepared.

Union Ironworkers Exonerated.

jury, which has heard the evidence in

the inquest into the recent death of

Special Policeman Michael Butler

while on duty at the new Hotel Plaza,

this city, returned a verdict that But-

ler met his death from a fall and the

seven union ironworkers charged with

homicide were exonerated and dis-

charged.
