"More than 80 per cent of these deaths," says the bulletin, "occurred in the congested residence areas of the city—the poor quarters—and by far the greater proportion was among the Slavie families."
"Most of these deaths were absolutely avoidable. The great majority are attributable to lack of proper care."

NATURE TELLS YOU
As Many a Bemidji Reader Knows Too Well.
When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills. Bemidji people testify to this. Mrs. Anna A. Buell, living at 613 Second St., Bemidji, Minn., says: "I have suffered from kidney trouble for several years, not serious at any time, but dull pains in the small of my back caused me much discomfort. The secretions were very unnatural in appearance and plainly showed that my kidneys were not acting properly. I made up my mind to try Doan's Kidney Pills and procured a box at the Owl Drug Store. I received such beneficial results from their use that I procured a further supply and am now in the very best of health. Doan's Kidney Pills strengthened my back and kidneys and toned up my whole system."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's and take no other.

FLOR TALKS # 3
Food fads come and food fads go—but there has never been found a satisfactory substitute for good home-made white bread "like mother used to make."
To get evenness of quality—full food value and perfect bread, pay a few cents more and tell your dealer he must supply you with Occident Special Patent Flour.
No other contains so much "food." No other makes so many loaves. No other is always the same—always produces good bread. Occident costs a few cents more than ordinary flour. Saves many cents more than any flour.
Get a 50-lb. sack of Occident flour. Use a full measure of yeast—a little less flour than usual and mix the dough as wet as you can handle it. You'll be delighted with the result—better bread—more loaves—money saved—satisfaction or your money back. Ask your favorite grocer. Insist on this label.

NATURE TELLS YOU
As Many a Bemidji Reader Knows Too Well.
When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills. Bemidji people testify to this. Mrs. Anna A. Buell, living at 613 Second St., Bemidji, Minn., says: "I have suffered from kidney trouble for several years, not serious at any time, but dull pains in the small of my back caused me much discomfort. The secretions were very unnatural in appearance and plainly showed that my kidneys were not acting properly. I made up my mind to try Doan's Kidney Pills and procured a box at the Owl Drug Store. I received such beneficial results from their use that I procured a further supply and am now in the very best of health. Doan's Kidney Pills strengthened my back and kidneys and toned up my whole system."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
