This is the Stove Polish All the Housewives Are Talking About

It is so much better than other stove polishes that it's in a class all by itself.
Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish.
Used on sample stoves and sold by hardware dealers.
All we ask is a trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your dealer is authorized to refund your money.
Do not accept substitutes.
Made in liquid or paste—one quality.
BLACK SILK STOVE POLISH WORKS
L. K. WYNN, Maker, Sterling, Illinois
Use Black Silk Air-Drying Iron Enamel on grates, registers, stove-pipes—Prevents rusting.
