

# SPORTS OF THE DAY

**BOSTON FAN'S DOPE WAS BAD**  
 White Sox Captain While Playing With Red Sox Forcibly Resented Offensive Remarks of "Bug."

Harry Lord.

One Boston "bug," at least, will remember Harry Lord. After one of the Chicago games, as Lord was walking to the carriage that was waiting to convey him to the hotel, this fan informed Harry that he was playing on a bum team and that he was no good. Harry merely said, "Is that so?" and landed a punch on the critic's jaw that knocked him out cold. Harry carried a damaged hand to show for his trouble and the "bug" took home a badly swollen chin. Mr. Lord Sr. was a witness of the brief encounter.

**Accident Made Bresnahan Catcher.**  
 An accident made Roger Bresnahan a catcher. Roger went to Baltimore as a pitcher, but was not much good, and Manager McGraw had just about decided to let him go for keeps when Wilbert Robinson and Bill Clarke were hurt. McGraw asked Roger to put on a mask and pad and catch. Bresnahan was game. There was a fast man on first base who thought he could take advantage of the boy's inexperience and he tried to steal. Roger shot the ball down so fast that he had him by 30 feet. McGraw saw what he could do and asked Robinson to make a catcher of him.

**Friday's Baseball Results.**  
 Louisville, July 15.—Three wild pitches by Higginbotham yesterday gave Columbus enough runs to defeat Louisville in the last game of the series. The ex-mayor leaguer was also batted hard, while Packard allowed but three scattered hits. Four fast double plays and a one handed catch by Hayden featured the game.

 Columbus . . . . . 5 12 2

Milwaukee, July 15.—The home club won an exciting game from St. Paul yesterday afternoon. McGlynn pitched steady ball until the ninth, when he passed a man and was hit safely three times. Beaumont was put into the game to bat for Gehring with the bases full and two out, but he fouled to Clarke. Gehring pitched well, but the fielding back of him was unsteady.

Toledo, July 15.—After twice trying to score by successful batting rallies, coupled with errors, Toledo dropped the second extra inning game of the series to Indianapolis in the tenth inning, yesterday. Houser's scratch single, a wild pitch and Getz' pop back of second produced the winning run.

 Indianapolis . . . . . 7 11 1

Kansas City, July 15.—Minnesota lost the second game of the series here yesterday from Kansas City. Waddell kept his hits well scattered and was effective with men on bases. Minneapolis hit consistently both Brandom and Rhoades. Clymer was

put out of the game for disputing one of Bierharter's strike decisions.

**TO AID FIRE VICTIMS**  
 Efforts on to Divert Baudette and Spooner Fund to Michigan Sufferers.

**W. T. COX TAKES PRECAUTIONS**

Minnesota may send aid to the fire sufferers in Michigan and Canada by appropriating money from the balance of \$19,000 in the Red Cross fund which was raised for the relief of the Baudette forest fire sufferers.

Governor Eberhart held a conference with Kenneth Clark, treasurer of the Red Cross society, relative to it. It was decided to call a meeting of the executive committee early next week to decide whether relief should be sent. In the meantime the Canadian and Michigan authorities will be communicated with in order to determine whether such aid is needed. A meeting of the Red Cross society will be held July 20 to determine what is to be done with the balance.

W. T. Cox, state forester, was called by Governor Eberhart to tell of the situation in Northern Minnesota between Pigeon River and Two Harbors. It is said that conditions here are the same as obtained in Michigan and Canada before the forest fires now raging in those districts. Additional patrolmen and rangers have been assigned.

Canada and Michigan contributed generously to the Minnesota relief fund during the Baudette fire, and Governor Eberhart believes that the state should respond at this time. It was thought that a portion of the balance could be used to clean up Baudette and Spooner, which he considered the worst fire traps in Minnesota. It has been found however, that, under the rules of the Red Cross society, no money can be used from that fund except for purely relief work. There is work to be done on private lands in that section of the state which will prevent the breaking out this fall of a similar or worse fire than visited there last fall.

Catherine Countiss is to star next season in "The White Sister."

**NEW JOLT FOR COLORED WOMEN**  
 Shreveport, La., July 13.—That a negro woman cannot occupy a berth in a sleeper car where there are white passengers, even as a maid, in this state, was ruled yesterday by Judge Blanchard in police court. Two colored women were taken from a berth on an incoming train at the local union station here Monday night on appeal to the "police officers by several white passengers. A vigorous protest was made to the ejection of the negroes by a white passenger, who claimed the women were traveling as maids to his daughters.

**TURTLES STAKED; OBTAIN RAIN**  
 Wetumka, Okla., July 15.—Creek Indians in this vicinity are resorting to ancient tribal customs in an attempt to obtain a rainfall. One of their customs, which has been followed in the last week, is to stake mud turtles on the edge of a stream just far enough from the water so that they cannot reach it. It is the Indians' belief that the turtles, despairing of their attempts to reach the water, invoke the aid of the "great spirit" to send rain, so that the stream will be raised and brought near them. Since the turtles were staked out several rains have fallen. The Indians believe their prayers are answered and are fastening up more turtles to pray for a still greater rainfall.
