WHY DO THEY DO IT?

"Why people should weep over the imaginary sorrows shown on the stage, when there is so much real sorrow in the world, I never could understand," says a well known writer.

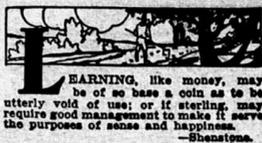

And it is just as hard for us to see why people will suffer needlessly for months or years. Here is the case of M. Carter, of South Akron, O., who says:

"For two years I was in a badly run-down condition, felt weak and miserable and lost considerable flesh. Then I heard that Vinol was a great thing to build up the body and create new strength.

"Now, after taking Vinol and getting so much good from it I have decided to write and tell you that it has made me strong and well again, and I have gained in weight, too."

If you are weak and sickly, need new strength and better blood, take Vinol, our delicious cod liver and iron remedy, for depend upon it, that is what you need and it will build you up. We guarantee it—money back if you are not satisfied. Barker's Drug Store, Bemidji, Minn.

Chicken Rechaufees.

To make a tempting Monday dinner out of Sunday's left-overs is often a troublesome task. The next time you wish to disguise the remains of yesterday's chicken, try one of these recipes.

Chicken Souffle.

1 cup chicken chopped fine, 1-2 teaspoon salt, 1-2 teaspoon pepper, 1 teaspoon chopped parsley or celery, 1 teaspoon lemon juice, and a cup of cream sauce. Add the beaten yolks of 2 eggs, then the beaten whites. Put in a bake dish and cover with bread crumbs mixed with melted butter. Bake for 20 minutes.

Chicken with Tomatoes.

Cook 4 tablespoons of butter with 1-2 a small onion (finely chopped) for 5 minutes. Add 5 tablespoons of flour and stir until slightly browned. Pour on gradually 3-4 cup each of chicken stock and tomatoes stewed and strained. Add 1 tablespoon lemon juice, 1-2 teaspoon of salt, and a dash of paprika. Reheat in the sauce 1 1/2 cup cold cooked chicken cut in cubes.

Casserole of Rice and Chicken.

Line a mould, slightly buttered, with steamed rice; fill the center with 2 cups of finely chopped cooked chicken. Season with salt, pepper, celery salt and onion juice; then add 1-4 cup cracked crumbs, one egg slightly beaten, and enough hot stock or water to moisten. Cover chicken with rice, and cover the rice with buttered paper while steaming. Steam for 45 minutes. Serve on a platter with tomato sauce.

Chicken Mousse.

Chop the cooked chicken very fine, grinding it a second time if necessary. Heat a cup full of chicken stock; pour it over the beaten yolks of 3 eggs, add a teaspoon each of salt and celery salt, a dash of pepper and paprika. Return it to the fire and stir until it has thickened like a boiled custard; add 2 tablespoons of granulated gelatine which has soaked for an hour in 1-4 cup of cold chicken stock. When the gelatine has dissolved, remove it from the fire and add 1 1/2 cupfuls of the fine chicken meat. When the mixture begins to thicken, stir it perfectly smooth, and fold in 1-2 pint of cream whipped to a stiff froth. Turn into a brick mold. The cream must not be added until the mixture begins to set. Serve with lettuce or celery salad.

Chicken Croquettes.

1-2 pound chicken, 1-2 teaspoon salt, 1-2 teaspoon celery salt, 1 teaspoon chopped parsley, 1 teaspoon cayenne pepper, 1 teaspoon white pepper, a few drops of onion juice, and one teaspoon lemon juice. The meat must be cooked and finely chopped. Mix with it the seasoning and the beaten yolk of an egg. Make a thick cream sauce of 1 pint hot milk, 1 tablespoon butter, 4 heaping teaspoons flour or 2 of cornstarch, 1-2 teaspoon salt, 1-2 saltspoon pepper, 1-2 teaspoon celery salt, and a few grains of cayenne. Use only enough of the white sauce to make the chicken mixture soft enough to handle.

Creamed Chicken.

3 pounds chicken free from skin, bones and fat, 2 pounds of lean veal or sweetbreads, 1 can mushrooms. Cut all in dice. Mix well 1 tablespoon of flour and 1 of butter, and add to a pint of new milk scalded. Season highly with pepper and salt. Put in a bake dish and cover with bread crumbs and dot with butter on top. Bake 20 or 30 minutes.

Chicken Pie.

Cut stewed chicken into pieces and place in a deep earthenware pie dish. Add a pint of milk to the chicken stock, thicken with 2 tablespoons of flour creamed with one of butter; season with a very little cayenne pepper, some onion juice and salt. When thoroughly cooked and just before removing from the fire, add the well beaten yolks of 2 eggs. Pour over the chicken. When both sauce and chicken are quite cold, place over all a rich cover of good paste, making an incision in the center for the steam to escape. Brush over with the white of an egg, and bake in a moderately hot oven. When the paste is cooked, the pie will be done.

You can buy full letter head size, 8 1/2x11 carbon paper, the kind that will make as many copies as you desire, guaranteed to be equal to the best on the market or money back. The most interesting thing about it next to quality is the price. 100 sheets put up in neat boxes for \$1.00 Bemidji Pioneer Office Supply Store.

THE FIRST GRAY HAIR SIGN OF AGE

Easy Way to Preserve Natural Color of the Hair and Make It Grow.

A harmless remedy, made from common garden sage, quickly restores gray hair to natural color. The care of the hair, to prevent it from losing its color and lustre, is just as important as to care for teeth to keep them from discoloring. Why spend money for cosmetics and creams to improve the complexion, and yet neglect your hair, when gray hair is even more conspicuous and suggestive of age than wrinkles or a poor complexion? Of the two, it is easier to preserve the natural color and beauty of the hair than it is to have a good complexion.

All that is necessary is the occasional use of Wyeth's Sage and Sulphur Hair Remedy, a preparation of common garden Sage and Sulphur, combined with other valuable remedies for dry, harsh, faded hair. After a few applications of this simple harmless remedy your hair will gradually be restored to its natural color, in a short time the dandruff will be removed, and your hair will no longer come out but will start to grow as Nature intended it should.

Don't neglect your hair, for it goes further than anything else to make or mar your good looks. You can buy this remedy at any drug store for fifty cents a bottle, and your druggist will give you money back if you are not satisfied after using. Purchase a bottle today. You will never regret it when you realize the difference it will make in your appearance.

The Columbia "IDEAL" Hornless Graphophone

\$35.00

This is truly the one "Ideal" Hornless Graphophone. It is the first instrument of its kind on the market and was perfected only after many months of specialized laboratory work.

Its faultless construction, its unusually beautiful cabinet—which is made of selected quartered oak—together with its generous and pleasing proportions, all combine to give it such an appearance of elegance and rich, mellow-toned qualities that on first "seeing and hearing" this Columbia "Ideal" Hornless Graphophone, it is hard to believe you have remembered the price correctly—only \$35.00.

It measures 15 inches square at the base and 8 1/2 inches high and weighs 25 pounds.

Drop in and enjoy a pleasant half hour's music at the Sign of the Musical Notes.

Fox Farms Established.
The pelt of the blue fox has become so valuable, that fox farms have been established in many places, where they are bred like dogs. There are several on the islands off the coast of Maine, the Aleutian islands, and the Pribilof, in the Behring sea. Great success has followed the idea, winter food being the only hard matter to provide for. Dried salmon is now being extensively used for that purpose when other foods give out. The problem in making beers, is uniform flavor, a matter that was first accomplished to a certainty, by golden grain belt beers. They taste better than any. T. R. Symons, local agent.
