Blind Man's Repartee. A blind man was passing along the roadway in the darkness of the night with a jar on his shoulder and a lighted lamp in his hand. A middle some fellow met him, who cried out: "Yo, fool, since day and night are alike to three, since darkness and light are as one to thy eyes, what use hast thou for this, thy lamp?" But the blind man laughed and answered him: "This lamp is not for me; nor to guide these blind eyes of mine. It is for ignorant fools like thee that they may not knock against me and break my jar."—From "Why the World Laughs," by Charles Johnston.

Care of Baby's Eyes. Nurses are often very negligent in regard to keeping sunlight away from a sleeping baby's eyes. In parks and on the street one often sees a baby asleep in its carriage with the strong sunlight streaming over its face. Grown-up humans know how their own eyes ache when they wake up in the morning with a glare of light on their faces. How much worse it must be for a baby's delicate eyes! Mothers should see that those to whom they intrust the care of their babies understand the importance of care in this respect.

### OLD-TIME REMEDY DARKENS THE HAIR

Gives Color, Lustre to Faded and Gray Hair—Dandruff Quickly Removed.

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost everyone knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago the only way to get a Hair Tonic of this kind was to make it in the home, which was troublesome and not always satisfactory. Nowadays, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories.

An ideal preparation of this sort is Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair.

Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.
