

WHO IS WHO

(Continued from first page.)

Judge Hallam has been called upon to decide many important cases, the following are some of the more noteworthy:

The Appleby will case, in which was sustained the validity of Mrs. Appleby's will making large bequests to charity.

The Great Northern stock case, in which the state asked an injunction restraining the Great Northern Railway company from making a proposed issue of \$60,000,000 stock until it should secure the approval of the Railway and Warehouse Commission as required by a statute of the state. Judge Hallam held the statute constitutional and granted the injunction.

The Western Union Telegraph company tax case, in which Judge Hallam sustained the right of the state to tax the franchise of the company.

The U. S. Express company gross earnings tax case, in which the state's taxation of earnings on interstate traffic was sustained.

The St. Paul charter case, in which Judge Hallam sustained the right of citizens to compel the charter commission to submit to a vote of the people amendments providing for a commission form of government, and ordered these charter amendments submitted at the last election.

Justice Bunn appears to be Judge Hallam's particular opponent as it is generally conceded that Justice Holt will be returned to the bench. Justice Bunn is an appointee to the bench and has never come before the voters of the state at an election.

I announce myself as the Republican candidate for the office of County Attorney for Beltrami county.

If elected I will be the attorney for the county. I will continue to conduct the office economically, as a purely business one, and in no sense as a political office.

I solicit the active cooperation of the people of this county in support of my candidacy.

Remedy for Damp Walls.
Boil two quarts of tar with two ounces clean (kitchen) grease in an iron saucepan of convenient size, for a quarter of an hour. To this mixture add some slaked lime and very finely powdered glass which has been previously put through a hair-sieve. Two parts lime to one of glass and worked to the thickness of a thin plaster. Use as soon as made as it soon becomes hard. One coat an inch thick will generally answer the purpose, but if wall is very damp, two coats may be applied. Paint over the cement or plaster and, if wanted, it may be papered as any ordinary wall.

BEAUTIFUL HAIR AT SMALL COST

A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair, and Sulphur is recognized by scalp specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.—Adv.

DRUGLESS HEALING

Marvel of the Twentieth Century Comes to Aid Suffering Humanity

WHY NOT GET WELL?

Dr. Lawrence M. Isgrigg is permanently located at Bemidji, and is able to do in the Healing Line what many doctors cannot do, his methods of healing the sick are entirely different from anything used or practiced by any other Doctor in the Northwest.

Dr. Isgrigg practices the famous Weltmer system of Suggestive Therapeutics which is positive, sure, and permanent in its results when properly applied to a diseased body. He easily succeeds where the average medical man fails. Diseases pronounced hopelessly incurable by the Old School practitioner readily yield to this common sense treatment, and if you have tried everything recommended or prescribed by your family physician without being benefited or obtaining the desired results, call and Dr. Isgrigg will cure you of chronic stomach, liver or kidney trouble; rheumatism, constipation, paralysis, consumption or female trouble; diseases of the eye, epilepsy, asthma, cancer, eczema, nervousness or any organic weakness, in fact most chronic diseases. Offices 411 Minnesota avenue, 3 doors north of City hall.—Adv.

VOTE FOR IT! WORK FOR IT!

Here is a fac simile of the good roads amendment as it will appear on the little pink ballot, and as it should be voted, at the election on the 5th day of November:

STATE BALLOT

Constitutional Amendments to be voted for by the people

FIRST—Amendment to section (16) of article nine of the constitution, establishing the road and bridge fund, and authorizing the legislature to levy an annual tax for the purpose of constructing and improving roads and bridges within this state.

YES NO

If you vote for any candidate at the election and fail to vote the little pink ballot your vote counts against the amendment, for it requires a majority of all the votes cast at the election to adopt the amendment.
