

THE BEMIDJI DAILY PIONEER.

VOLUME 10. NUMBER 166.

BEMIDJI, MINNESOTA, FRIDAY EVENING, NOVEMBER 8, 1912.

TEN CENTS PER WEEK.

BEMIDJI LADIES ARE BUSY ON THE PIONEER SUBSCRIPTION CAMPAIGN

Aid Societies of Catholic, Methodist, Episcopal and Presbyterian Churches Working For New Readers For This Paper And a Cash Commission and Bonus For Themselves.

FOR EACH 100 SUBSCRIBERS \$125.00 GOES TO THE CLUB

In Addition to Money Paid the Workers, Each New Subscriber Will Receive a Handsome Premium Whether he Pays For One Year or Six Months.—Contest Will Close at Christmas.

That the ladies' societies of the various churches in Bemidji realize the splendid opportunity offered by the Bemidji Pioneer is self evident. They are extending every effort to secure enough Pioneer subscriptions to make their church a gift of from \$125 to \$500. It appears that some do not fully understand the proposition and for the benefit of such the following explanation will be carried in the columns of the Pioneer from day to day:

ONE DOLLAR CASH WILL BE PAID TO EACH LADIES, SOCIETY FOR EVERY YEARLY SUBSCRIPTION, OLD OR NEW, SECURED FOR THE DAILY PIONEER. WHEN A SET OF ONE HUNDRED HAS BEEN REACHED A SPECIAL PREMIUM OF \$25 WILL BE GIVEN. THUS FOR ONE HUNDRED SUBSCRIPTIONS THE SOCIETY SECURING THEM WILL HAVE RECEIVED A CASH GIFT OF \$125. IF A CLUB SECURES BUT SEVENTY-FIVE YEARLY SUBSCRIPTIONS, IT WILL RECEIVE \$75; IF BUT FIFTY YEARLY SUBSCRIPTIONS, \$50; AND IF ONLY TEN ARE SECURED A CASH GIFT OF \$10 WILL BE MADE. FOR ONE SIX MONTHS SUBSCRIPTION TO THE DAILY PIONEER, FIFTY CENTS WILL BE PAID, AND FOR EACH ADDITIONAL SIX MONTHS SUBSCRIPTIONS SECURED THE RATE WILL BE PAID THE SAME. THUS, WHEN TWO HUNDRED OF THESE SIX MONTHS SUBSCRIPTIONS HAVE BEEN TURNED IN, AN ADDITIONAL GIFT OF \$25 WILL BE GIVEN. A SIX MONTHS SUBSCRIPTION COUNTS JUST HALF OF A YEARLY SUBSCRIPTION FOR THE DAILY PIONEER.

ONE YEARLY SUBSCRIPTION TO THE WEEKLY PIONEER COUNTS SAME AS SIX MONTHS TO THE DAILY, THE ONLY DIFFERENCE BEING THE SUBSCRIPTION PRICE WHICH IS \$1.50 A YEAR. THE DAILY FOR SIX MONTHS IS \$2 AND THE DAILY FOR ONE YEAR IS \$4.

SECURING SUBSCRIPTIONS.

Many of hustlers of the various churches will be surprised to learn that already regular subscribers are coming to this office to make payments direct, with instructions to reserve the dollar gift for the society which they will later designate. The women are not alone in this work, but men and children are getting busy to help their favorite church. With a campaign of this nature on, every nook and crook in this section of the country will be supplied with a Pioneer. Every fifty men, women and children belonging to any one church can make their church have the first cash gift of \$125. If 150 hustlers will secure each two subscribers it will result in 300 names. Three hundred yearly subscribers would mean three times \$125 or \$375.

Wouldn't this be a handsome gift to make your church for Christmas.

List of Free Premiums.

In addition to this offer to the Ladies, Aid societies the Pioneer has decided to make a gift to every subscriber. With a year's subscription paid in advance, the subscriber is given his choice of any of the following premiums:

- One limp leather bound dictionary \$4.00
- One Roger's silver sugar shell and one Roger's silver butter knife 1.50
- One Roger's silver berry spoon 1.25

- One cloth bound modern dictionary \$2.00
- One Roger's silver sugar shell. 75c
- One Roger's silver butter knife 75c

BIG GAME ON SATURDAY STUDENTS MEET SPECIAL C. E. COUNTY RALLY

Bemidji and Grand Rapids to Fight For Championship of Northern Minnesota.

Member of Eighth Grade Agricultural Classes to March to Depot Tomorrow at 2:40.

Will be Held in Tenstrike Saturday and Sunday With Three Sessions Each Day.

TEAMS DANCE IN EVENING

"FUTURE JACK PINE FARMERS"

BEMIDJI PEOPLE TO SPEAK

In the last football game of the season, the Bemidji high school team will clash with Grand Rapids tomorrow afternoon at 4 o'clock for the championship of Northern Minnesota. The game will be especially hard fought because Grand Rapids defeated Bemidji 19 to 6 three weeks ago on the Grand Rapids field and the local boys are out for revenge. Coach Earl Carson, of Bemidji, and Coach Fred Carson, of Grand Rapids, will act as officials and in case of dispute the decision will go to Harold Dane, the head linesman. Coach Fred Carson will referee the first half and Coach Earl Carson will umpire and the positions will be reversed in the second.

Grand Rapids is champion of the range while Bemidji has been left the champion of Northern Minnesota by the refusal of Crookston to play the scheduled game. Since the Grand Rapids game of three weeks ago, the Bemidji team has had little practice while the Grand Rapids boys have played two games. The one tomorrow will be for blood. Saturday evening, the high school athletic association will give a dance.

There is practically no money in the treasury and the game and dance admission fees will have to pay the expenses. Following is the Bemidji lineup: Elletson, r. e.; Achenbach, r. t.; Titus, r. g.; Sullivan, c.; Johnson, l. g.; Olson, l. t.; Graham, l. e.; Bailey, q.; Peck, r. h.; Lycan, f. b.; Hayner, l. h. Referee Earl Carson; Umpire, Fred Carson; Linesman, Harold J. Dane.

ADDITION FOR HOSPITAL.

Excavation is nearing completion on the Samaritan hospital which is being remodeled for an addition. G. Mehlhorn has the contract and is rushing the work so as to complete it by the first of January. He has three teams and ten men on the excavation work and will have a crew of carpenters at work in a few days. When completed the building will be valued at about \$5,000. It will have the same finish as the new Episcopal church which will add to the attractiveness of the building.

The hospital was started by Nurse Smith a few years ago and has been rapidly progressing. Lately the old quarters have been over crowded until it was finally decided to make an addition. The new building when finished will be eighteen by forty-two feet and will be two stories high.

One hundred members of the eighth grade class in agriculture will march from the High school to the Union depot tomorrow afternoon at 2:40 to meet the Soo line special agricultural train which will arrive in the city sometime between 2:45 and 3 p. m. The class will be preceded by a big bass drum and the students will bear placards which say, "BEMIDJI'S FUTURE JACK PINE FARMERS."

The special will be open to the public from three to five o'clock. There will be special lectures and demonstrations during that time. The lecturers who accompany the train and the directors of the Commercial club will have supper together at the high school and the men will later gather at the Commercial club rooms for an informal smoker to which all men of Bemidji and as many farmers as can stay in the city are invited.

Minneapolis, Nov. 8.—With everything on board that will be needed for forty practically illustrated lectures on good farming, the college good farming demonstration train pulled out of Minneapolis at midnight Tuesday night. Professors A. D. Wilson of the University extension department, and C. P. Bull, Andrew Boss and N. C. Chapman of the agricultural college are in charge of departments.

Dean A. F. Woods of the agricultural college and President George E. Vincent of the university, will spend some time on the train during its thirteen days on the road, and the staff of lecturers will be changed from time to time. A feature of the tour is a number of women lecturers who are to speak in the car especially set apart for country women and children, in which household economics and other features of country life will be talked.

The train stood on track at the Milwaukee station Tuesday, was open to the public, and was visited by many. The ten cars in their order are: The horse and cattle car, carrying fine animals from the state farm for demonstration purposes in lectures on breeding; the sheep and hog car, for the same purpose; farm machinery car, poultry car, dairy exhibits car, farm crop car, domestic science car, and boys' and girls' educational exhibit. One diner and one sleeping car make the complete train.

HARRIS LEAD IS INCREASING SOME

Figures From Baudette Show Present Register Carried Village 102 to Forty-six.

GEIL ELECTION CONCEDED

Is 146 Ahead of French With Eleven Northern Precincts Yet to Report.

MINNESOTA FOR ROOSEVELT

Gopher State Goes to Bull Moose by Narrow Margin — Debs Carries This County.

Baudette village returns received at noon give:

| | |
|--------|-----|
| French | 90 |
| Geil | 55 |
| Harris | 102 |
| Moon | 46 |

The vote on these two offices now stands:

| | |
|--------|-------|
| French | 1,214 |
| Geil | 1,360 |
| Harris | 1,372 |
| Moon | 1,286 |

Fifty-seven out of sixty-eight precincts give the following vote for register of deeds of Beltrami county:

| | |
|--------|-------|
| Harris | 1,270 |
| Moon | 1,240 |

Harris plurality 30
The same precincts give the following vote for county treasurer:

| | |
|--------|-------|
| Geil | 1,305 |
| French | 1,124 |

Geil plurality 181
Eleven sets of returns came to the Pioneer office this morning and all were from the north end of the county. The village and town of Sponer are included in the above figures but nothing has been heard from Baudette. Harris and Moon are running neck and neck in the north end and Harris lead of twelve more was fought for. The result of the fight may depend entirely on the vote in the village of Baudette.

Eugene Debs is piling up a big vote in this county and at present leads all other presidential candidates. The vote on fifty-seven precincts is as follows:

| | |
|-----------|-----|
| Taft | 433 |
| Wilson | 671 |
| Roosevelt | 680 |
| Debs | 725 |

Debs has been polling more than his share of the vote and this is taken to indicate that his vote is not a true measure of the Socialist strength in the county as many Republicans voted for Debs rather than for a Democrat. It is said that they voted for Debs because they would not vote for either Taft or Roosevelt and did not care to see a Democratic administration.

Beltrami county, as well as the entire north country, is giving Judge Stanton a big vote but his case is considered practically hopeless as he lost the big cities by wide margins. The vote to date in this county is:

| | |
|---------|-------|
| Stanton | 1,410 |
| Brown | 256 |

Beltrami county officials other than French and Harris are piling up good pluralities and no other officers are considered in danger.

RETURNS TO BLACKDUCK.

Mrs. Nora Belding, a former resident of Blackduck, but who has for several years past been making Bemidji her home, has accepted a position as saleslady at the James M. Reed store and came up Saturday. Mrs. Belding has been connected with one of the large stores at Bemidji ever since leaving here and is thoroughly experienced in the mercantile business and will prove a valuable addition to the splendid force of sales people employed in this up-to-date store. She has a host of friends who will be glad to hear of her return to this village.—Blackduck American.
